Kern County Public Works to Host a Bulky Waste Collection Event in Tehachapi

KERN COUNTY, Calif., July 7, 2026 – Kern County Public Works is hosting a Bulky Waste Collection Event in Tehachapi, offering Kern County residents the opportunity to drive in and drop off their residential bulky waste for free!

Tehachapi Bulky Waste Collection Event

Saturday, July 25, 2026
8 a.m. to 12 p.m.
Waste Management Yard: 416 North Dennison Road
In partnership with FIELD and Waste Management

Bulky waste includes, but is not limited to, household appliances such as refrigerators and water heaters, mattresses, furniture, electronics, BBQ grills, and other large household items. Tires without rims* will also be accepted during the event by FIELD. All items will be accepted free of charge.

Items **not** accepted at the event include construction waste, demolition and remodeling waste, household trash, green waste, hazardous waste, and commercial waste. **Acceptable items can only be dropped off during the designated day and time. Please remember to tarp or secure your load before transporting your bulky waste to the collection events. These events are for residential waste only. No commercial or business waste will be accepted.**

Bulky waste collection events are sponsored by Kern County Public Works to address and prevent the illegal dumping issue in Kern County. Bulky items such as appliances, mattresses, and furniture make up a significant portion of the waste found at illegal dumpsites throughout the County.

**Per California State law, transport up to 9 tires per trip.*

***Kern County Public Works** is a department of the County of Kern and is responsible for the planning, design, construction, maintenance, and operation of roads, bridges, traffic signals, sanitary landfills, and publicly owned facilities. Kern County Public Works strives to provide quality public services including road permit inspection, building permit inspection and plan check, code compliance, engineering and surveying review of proposed land development, solid waste and hazardous waste disposal, wastewater treatment, public transportation, and community outreach, which serve to protect and enhance the lives of the people of Kern County. For more information, visit www.kernpublicworks.com and follow us on Facebook @kerncountypublicworks and Instagram @kerncountypublicworks.*
