Items **not** accepted at the event include construction waste, demolition and remodeling waste, household trash, green waste, hazardous waste, and commercial waste. **Acceptable items can only be dropped off during the designated day and time. Please remember to tarp or secure your load prior to transporting your bulky waste to the collection events. These events are for residential waste only. No commercial waste will be accepted.**

Bulky waste collection events like these are sponsored by Kern County Public Works to address and prevent the illegal dumping issue in Kern County. Bulky items such as appliances, mattresses, and furniture make up a significant portion of the waste found at illegal dumpsites throughout the County.
