Rosedale Highway Project to Begin August 21

County-maintained highway under construction until mid-October

KERN COUNTY, Calif. – Beginning on Monday, August 21, 2023, at 7:00 a.m., Kern County Public Works will be conducting shoulder improvements on Rosedale Highway from State Route 43 to Heath Road. Please plan your morning and afternoon commutes accordingly and expect up to a 15-minute delay in your weekly travel.

The improvements will begin on Monday, August 21, 2023, and continue every Monday through Friday during the hours of 7:00 a.m. to 5:00 p.m. until completion on Tuesday, October 17, 2023.

East and westbound traffic will be impacted as construction will be taking place one lane at a time and vehicles will need to be escorted through the construction zone.

For county-maintained road status and closures, visit <https://kernpublicworks.com/transportation/road-status-closures/> and follow us on Facebook [@KernCountyPublicWorks](https://www.facebook.com/KernCountyPublicWorks).
