

SUBJECT: Registration – Very Small Quantity Generator (VSQG) Program

To be eligible for this service:

- Your business must generate less than 220 lbs. of hazardous waste or 2.2 lbs. of extremely hazardous waste per calendar month.
- Your business must be located and the waste generated within Kern County.
- You are required to obtain an EPA ID Number. Form 1358 is available through the DTSC website (www.dtsc.ca.gov).

YOUR REGISTRATION PACKET INCLUDES THE FOLLOWING INFORMATION:

Registration Forms Enclosed	Action to Take
Account Application (A) – Page I	Complete and return using instructions below.
Account Application (B) – Page II	Complete and return using instructions below.
Chemical Inventory – Page III	Complete and return using instructions below. (Keep a copy of this form for future appointments)
Example of completed Chemical Inventory Page IV	Use as an example when filling out your Chemical Inventory Sheet. Keep for reference.
Gate Fee Schedule – Page V	Keep for reference.

E-mails are accepted to begin the registration process. However, to *activate* the account an original signature must be on file. The original signed application must be returned either at the time of your first appointment or through the mail to the address listed below.

TO REGISTER:

- 1) **Complete pages I, II, III and attach a copy of form W9 that matches Tax ID#**
- 2) **Return completed pages by e-mail to VSQG@kerncounty.com**
- 3) **If no e-mail is available, return by mail to:**
Kern County Public Works
Department Attn: VSQG
2700 "M" Street, Suite 400
Bakersfield, CA 93301
- 4) **Once your completed registration forms have been approved you will be notified by mail. After you have received notice of approval please call (661) 862-8922 for an appointment. Business waste is accepted BY APPOINTMENT only.** Please call (661) 862-8922 should you have any questions.

Sincerely,

Denise Saucedo
Public Works Manager
