Installation of Stop Signs on Allen Road at Jomani Drive Intersection Creating an All-Way Stop *Changeable message signs will be up for one week after the installation date notifying drivers*

KERN COUNTY, Calif. January 11, 2024 – On Wednesday, January 17, 2024, Kern County Public Works will be placing stop signs for north and southbound traffic on **Allen Road at Jomani Drive in Bakersfield**, making this intersection an all-way stop. The California Highway Patrol has been notified and will be in the area enforcing the new stop signs.

The all-way stop is to prepare the public for the new traffic signal, which is anticipated to be completed by March 14, 2024. The all-way stop will alert drivers to stop at this intersection during construction and serves to condition drivers to stop at the intersection, before the new traffic signal is operational, reducing the number of red-light runner incidents.

Please plan your morning and afternoon commutes accordingly.
