Through traffic will be directed to use SR 33 to SR 119 to Interstate 5 and vice versa. Local traffic will have access to properties along SR 166 through alternate routes.

The construction includes installing box drainage structures east of Short Road and Pentland Road, and the reconstructing of the intersection at SR 166 and Basic School Road.

A 72-hour closure is tentatively scheduled for the following weekend, August 23-26, 2024, beginning and ending at 5:00 p.m. to install a box drainage culvert west of Cappello Road.

Please plan your morning and afternoon commutes accordingly and expect delays in your upcoming weekend travels.
