KIDS & YOUTH @ FORD CITY PARK

CREATIVE SURVEY @ FORD CITY PARK

FIV LEADERS @ FORD CITY PARK

COMMUNITY @ FORD CITY PARK

DISTRICT 2 PARKS SURVEYS

Over 40% of 400 people want:

- New restrooms, lights, splash pad, new basketball courts, new play equipment, new tables, new grills, new soccer play area, new shading areas, new exercise areas, cultural murals, and other things at Ford City Park.
- Valley Acres Park survey outreach underway.
- *Funding needed for FY24/25.*

FORD CITY PARK PRIORITIES

Ford City Park Park Improvement Priorities April 2024

SUMMARY

This document highlights critical improvements the community wants to see at Ford City Park as of April 2024. Over 100 people attended a community meeting on April 23, 2024, regarding the park's future. 82 attendees completed surveys, and 20 children completed creative surveys. In total, we have collected nearly 400 surveys from two community engagement events since the fall of 2023. Survey questions and outcomes are included in this document. Faith in the Valley (FIV), community members, and the County of Kern agreed on having two more community meetings in 2024 regarding Ford City Park.

FIV is also in the process of identifying the community's needs and priorities regarding Valley Acres Park. Future meetings regarding Valley Acres Park will be determined.

FUNDED IMPROVEMENTS

Improvements that are covered in the base bid of \$900,000: Installation of new splash pad, new water recovery and storage system for reuse of water for irrigation, construction of new ADA parking and accessible path of travel, site electrical upgrades, modification of existing irrigation as required for the installation of new splash pad and storage tank.

Improvements that Isaac recently found new money for: Lighting at basketball court area, resurface and re-stripe the basketball court, install a new fence around the basketball court, \$100,000 for restroom repairs, and sand and rubber blocks replacement with PIP safety surfacing at play area A.

NON-FUNDED IMPROVEMENT PRIORITIES

The critical needs and priorities shared by community members via surveys or conversations that require robust funding in FY24/25 are:

- New children's play area equipment with shading, swings, sand and PIP safety surfacing at play area B.
- Extend basketball court concrete play area, install new basketball boards and hoops (4), install new spectator benches in basketball court play area, install poles and netting for basketball court area, build a new soccer play area, and develop an exercise area with equipment.
- New shade structures, concrete pads, grills, benches, and picnic tables.
- New mural/cultural art area, noise reduction brick wall separating homes and church from park, mini pavilion for community events, human and pet water fountains, and expand the park to adjacent vacant lot.
- New grass, plant new trees, and trim or remove several trees for better visibility.
- Install security cameras and electrical outlets throughout the park.

7-28-24 Two feral kittens disappeared from an area where there were several raccoons. They are presumed

dead.

4 Cats taken to KCAS

1 Cat picked up by park volunteers for adoption

4 cats died at the park--one hit by car on AHH, one found dying, two killed by apparent animal attacks

1 Dog abandoned

TOTAL CATS REMOVED FROM THE PARK: 9

Typically more cats are removed from the park during July. However, this July was the hottest on record for the past 125 years. It was brutally hot with 24 days over 100 degrees and 16 of those days were over 105.

Trying to get cats in the extreme heat is quite stressful for them and for us. Further, we couldn't take cats to KCAS for a time due to no space available. In spite of the heat, we made sure all park cats were fed and had water. So far this year we have removed 4 mother cats and their 19 kittens.
