CAR SEAT SAFETY CHECK EVENT

Friday, November 1, 2024
10:00 am - 2:00 pm
The Friendship House
2424 S Dr. Martin Luther King Jr. Blvd.

IS YOUR CAR SEAT INSTALLED PROPERLY?

About half of all car seats on the road are not installed correctly, and vehicle collisions are the number one cause of death in children. Have newly trained Child Passenger Safety Technicians check your child's seat for FREE.

- Learn how to properly install your child's safety seat in your vehicle and safely transport all of your children (newborn-13 years).
- Please expect to spend about 30-45 minutes per seat inspection (not including wait time if there is a line to enter the event).
- We will check the first 60 car seats to arrive at the event.
- For questions, call (661) 321-3000.

YOU MUST ALREADY HAVE A CAR SEAT TO PARTICIPATE
