Kern County Family Justice Center and Community Partners to Host Lamont's Christmas of Care
FREE Toy and Food Giveaway, Plus Health Services Available

Lamont, CA – The South Kern County Family Justice Center, in partnership with local organizations, is thrilled to invite the South Kern community to join in the holiday spirit at Lamont's Christmas of Care. This festive event will take place on Saturday, December 21, 2024, at 10:00 AM at the South Kern County Family Justice Center, located at 12022 Main Street, Lamont (inside the Lamont Courthouse).

In collaboration with the Psychiatric Wellness Center, Anthem Blue Cross, and the Anand Legacy Foundation, this event promises to bring joy and support to Lamont residents.

The first 300 children (ages 2-12) will receive a special gift from Santa's Toy House—a new, unwrapped toy—along with a hygiene kit. Families will also be treated to food boxes generously provided by the Community Action Partnership of Kern (CAPK).

Attendees can access a variety of community resources, including:

- Flu vaccines offered by Kern County Public Health
- A mobile mental health clinic
- Information and resource booths

District Attorney Cynthia Zimmer shared her enthusiasm for the event, commenting; "For the past two years, our Family Justice Center has been a vital resource for Lamont residents, addressing the needs of an often underserved community. I'm grateful for the incredible partnerships that made this event possible. We hope to bring smiles to children's faces and provide families with essential resources—all right here in their own backyard."
