Jury Finds Williamson Guilty of Home Invasion Robbery
People v. Tevin Devon Williamson: Kern County Superior Court Case BF200935A

(Bakersfield) – Kern County District Attorney Cynthia Zimmer announced a significant jury conviction today. On January 22, 2025, a Kern County jury found Tevin Devon Williamson guilty of first-degree burglary, first-degree robbery, assault with a semi-automatic firearm, criminal threat, possession of a firearm by a felon, and possession of ammunition by a felon. The jury also found true that Williamson committed the burglary while the victim was present and that Williamson personally used a firearm in the commission of the crime. The case was prosecuted by Deputy District Attorney Steven Barile.

On August 24, 2024, Tevin Williamson entered the Bakersfield residence of a victim whom he previously knew. Williamson took out a semi-automatic firearm, placed it in the victim's mouth, and demanded the victim give him money. Williamson pistol-whipped the victim, causing the gun to shoot a bullet which went through the victim's television and into the wall of the bedroom. Williamson forced the victim to open his safe, threatening to kill the victim, but did not locate any money. Williamson then forced the victim to gather the victim's laptop, phone, iPad, and other items and place them into a backpack, which Williamson then took. Williamson told the victim he would be back and left the residence. The victim called 911 and tracked the stolen phone. Officers responded to the cell phone's location and located Williamson along with a semi-automatic firearm loaded with ammunition under a vehicle in which Williamson was initially observed standing behind.

Sentencing is scheduled for February 20, 2025, before the honorable Judge John Brownlee in Department 6 of the Kern County Superior Court. Williamson faces up to 35 years to life in prison.
