Kern County
November 4, 2025, Special Election
Measure Appearing on the Ballot

MEASURE B
City of Delano
50% + 1

Shall the measure for the City of Delano's existing voter-approved one percent sales tax, which funds essential general services, such as police and fire services, senior citizen programs, street improvements, and parks and recreation services be extended without being increased until repealed by the voters instead of expiring in March 2028 and resulting in elimination or reduction of these services, be adopted (generating approximately $8.5 million annually)?
