Shenandoah Jackson Found Guilty of Murder Committed in Lake Isabella
People v. Shenandoah Automatic Davis Jackson: Kern County Superior Court Case BF192385A

(Bakersfield) – District Attorney Cynthia Zimmer announced a significant murder verdict today relating to the death of 40-year-old Daniel Gregory. On August 6, 2025, a Kern County jury found Shenandoah Automatic Davis Jackson guilty of first-degree murder. The jury also found true that Shenandoah Jackson personally and intentionally discharged a firearm which proximately caused Daniel Gregory's death. Several circumstances in aggravation were also found true. This case was prosecuted by Supervising Deputy District Attorney Felicia Nagle.

On the morning of October 13, 2022, the victim, Daniel Gregory, was shot while standing in the fenced yard of his home in Lake Isabella. Surveillance footage revealed that Gregory had exited his residence shortly before he was shot in the face by a male suspect positioned near the property. Gregory was transported by ambulance to a hospital where he died from his injuries in the early morning of October 14, 2022. The suspect was later identified as Shenandoah Jackson.

District Attorney Cynthia Zimmer commented: "Violence has no place in our county. A life lost to such a brutal and senseless act can never be restored, yet we will ensure those responsible face the full weight of justice."

Sentencing is scheduled for September 17, 2025, before the Honorable Tiffany Organ-Bowles in Department 8 of the Kern County Superior Court. Jackson faces up to 50 years to life.
