Approval of the November 13, 2024, Meeting Minutes

Brian Holt moved to approve November 13, 2024, meeting minutes. Brandon Evans seconded the motion. All ayes. The motion carried.

Preliminary Allocation and Funding Recommendations for Youth Programs Funded Under the Workforce Innovation and Opportunity Act for Program Year 2025-26

Jeremy Shumaker told the committee that at its meeting on December 11, 2024, the Workforce Development Board approved a Request for Refunding process for In- and Out-of-School Youth programs under the Workforce Innovation and Opportunity Act for Program Year 2025-26. Funding opportunities were divided into two categories under the PY 2025-26 RFR and as per ETR's procurement policy, RFR applications were reviewed by a committee of six ETR staff members. Although ETR has not yet been notified of youth funding for PY 2025-26, we are proceeding with the following funding recommendations subject to negotiations, funds available, and approval of the Kern County Board of Supervisors:

ISY Program

Kern County Superintendent of Schools (KCSOS) - \$288,102 for 65 participants

Kern High School District (KHSD) - \$300,000 for 80 participants

OSY Program

Farmworkers Institute of Education and Leadership Development (FIELD) - \$200,445 for 14 participants

Kern High School District (KHSD) - \$344,540 for 50 participants

Proteus, Inc. - \$229,425 for 42 participants

West Kern Adult Education Network JPA (WKAEN) - \$370,582 for 52 participants

The total recommended for ISY program funding is \$588,102, the total recommended for OSY program funding is \$1,144,992, and the total for all youth programs is \$1,733,094.

Jeremy also said that RFR applicants were provided with a copy of this letter and informed of your Committee and Board's meeting dates. Agencies were also provided with information on the appeal process. Norma Rojas- Mora asked what staff had heard as to any potential impacts to youth funding. Brandon Evans said that at his CWA meeting the week prior, he got the impression that no one seemed to think that there would be a big hit to DOL funding. There were further clarifying questions, comments, and concerns among the guests and members of the committee. Brian Holt made a motion to accept the staff's recommendation to recommend that the Workforce Development Board authorize WIOA funding for Program Year 2025-26 in the amount of \$1,733,094 to the following:

- 1) Kern County Superintendent of Schools to provide comprehensive services to 65 ISY participants in the amount not to exceed \$288,102.
- 2) Kern High School District provides comprehensive services to 80 ISY in the amount not to exceed \$300,000.
- 3) Farmworkers Institute of Education and Leadership Development (FIELD) to provide comprehensive services to 14 OSY in the amount not to exceed \$200,445.
- 4) Kern High School District provides comprehensive services to 50 OSY in the amount not to exceed \$344,540.
- 5) Proteus, Inc. provide comprehensive services to 42 OSY in the amount not to exceed \$229,425.
- 6) West Kern Adult Education Network JPA to provide comprehensive services to 52 OSY in the amount not to exceed \$370,582; with awards subject to negotiations, funds available, and approval of the Kern County Board of Supervisors.

Dale Countryman seconded the motion. All ayes. The motion passed.

Youth Committee Composition

Jeremy Shumaker said that this committee currently has twelve members with six non-board members and your Workforce Development Board bylaws, standing committees, must be chaired by a member of the Local WDB. Jeremy said several members of this committee will have terms expiring on June 30, 2025. Members Greg Terry, Brian Holt, Todd Yopez and Norma Rojas-Mora have expressed their desire to be reappointed for another three-year term. Jeremy also informed the committee that Ian Journey's term will expire on June 30, 2025, and he will be leaving the WDB and this committee, Karine Kanikkeberg will be retiring from the Kern High School District and will be leaving your committee after nine years of service, student representative Rosa Chipres' term will expire on June 30, 2025. She has not attended a Youth Committee meeting since November 30, 2022, and non-board member David Villarino's term does not expire until December 31, 2026, we understand that he is no longer affiliated with the Farmworker Institute of Education and Leadership (FIELD). The committee advised staff to proceed with the removal of David Villarino and Rosa Chipres due to poor or no attendance.

Youth Agency Quarterly Update

Jeremy Shumaker said that through March 31, 2025, youth agencies have submitted actual expenditures equal to 57% of the total allocated to this year's youth providers. A straight-line projection through June would predict expenditures of 80% of their total allocation. Reviewing the In-School Youth providers, 58% of their allotted funds have been expended and 49% of their participants have been enrolled into work experience. The Out-of-School Youth providers have spent 57% of the allotted funds with 23% enrolled in work experience.

Youth Committee Strategic Planning

Brandon Evans said that this item was to get the members to start thinking of the purpose of the committee. He informed them that in previous legislation required that a Workforce Board have a youth council but that is no longer the case. Brandon asked the members to think about what the goals of the committee are and encouraged discussion among the members.

Department Update

Brandon Evans announced that Candy Gettman had been provisionally appointed as the Assistant Director over the Employer and Client services divisions.
