Repeat Offender Once Again Convicted for Child Sexual Molestation
People v. Larry Twyman: Kern County Superior Court Case #BF204121A

(Bakersfield) - Kern County District Attorney Cynthia Zimmer announced a significant conviction on a sexual molestation case. On December 4, 2025, a Kern County Jury convicted Defendant Larry Twyman of Lewd and Lascivious Acts on a Minor Under 14 Years Old and False Imprisonment. The case was handled by Deputy District Attorney Christine Antonios.

On March 28, 2025, Larry Twyman inappropriately touched a minor who was a family acquaintance. The minor attempted to flee but Twyman grabbed her shirt and held her down while he continued the assault. The minor was able to escape and report the incident.

This is Twyman's second case involving similar conduct. He was previously convicted of Sexual Conduct with a Minor in Yuma County, Arizona, in 1981 and was sentenced to seven years in prison. Under Arizona law, however, that conviction does not qualify as a strike offense.

District Attorney Cynthia Zimmer commented on the case, "Twyman has demonstrated a troubling pattern of sexual misconduct involving vulnerable children. While it is unfortunate that his Arizona conviction does not qualify as a strike offense, this new conviction will. In addition to a prison sentence, Twyman will be required to register as a sex offender and will be subject to ongoing monitoring."

Sentencing is scheduled for January 16, 2026, before the Honorable Judge John D. Oglesby in Department 3 of the Kern County Superior Court. Twyman faces up to 8 years, 8 months in prison.
