Kern County Celebrates the Reopening of Stramler Park

Kern County's General Services Department and District 3 Supervisor Jeff Flores invite the community to celebrate the grand reopening of Stramler Park on **Friday, December 12, 2025, at 10:00 a.m.**

Stramler Park has long served as the center of recreational, social, and community events. As part of the Metro Recreation Complex located on Chester Avenue, the park has welcomed countless family and community gatherings, youth activities, and celebrations. Thanks to an investment of over \$2.3 million from the American Rescue Plan Act (ARPA), this gathering space has been revitalized with new amenities designed to expand recreational opportunities.

Park features include:

- Retractable shade canopies in the picnic area
- Activity courts, including bocce ball, four cornhole lanes, volleyball, two ping pong tables, and a basketball half-court
- Upgraded accessible parking and walkways
- Enhanced lighting at the adjacent Metro BMX track

The ribbon-cutting celebration will include remarks from County officials, including District 3 Supervisor Jeff Flores.

****Event Details****

What: Stramler Park Grand Reopening Celebration

When: Friday, December 12, 2025, 10:00 a.m.

Where: Stramler Park, 3805 Chester Ave. Bakersfield, CA 93301

The Stramler Park improvement project reflects Kern County's ongoing commitment to investing in safe and vibrant public spaces that strengthen our community and enhance the lives of residents.
