

AGENDA**KERN COUNTY EMERGENCY MEDICAL CARE ADVISORY BOARD (EMCAB)**

**Kern County Administrative Center
Board of Supervisors Chambers
1115 Truxtun Avenue
Bakersfield CA, 93301**

REGULAR MEETING**THURSDAY – February 12th, 2026****4:00 P.M.****Roll Call:**

Supervisor Flores, Sheriff Youngblood, Deputy Chief Linville, Leslie Wilmer, Orchel Krier, Scott Hurlbert, Dr. Franklin, Tyler Whitezell, John Surface, Dr. Lyon

SALUTE TO FLAG**Consent Agenda (CA):**

All items listed with a “CA” are considered by program staff to be routine and non-controversial. The “CA” represents the consent agenda for the Board members of EMCAB. Consent items will be considered first and may be approved in one motion. If a member of the audience wishes to comment or ask questions regarding an item or items on the consent agenda, they may do so prior to a vote being taken on the consent agenda. A member of EMCAB may remove any item from the consent agenda and it will be considered in listed sequence with an opportunity for any member of the public to address EMCAB concerning the item before action is taken.

PUBLIC PRESENTATIONS

1) This portion of the meeting is reserved for persons to address the Board on any matter not on this Agenda but under the jurisdiction of the Board. Board members may respond briefly to statements made or questions posed. They may ask a question for clarification, make a referral to staff for factual information or request staff to report back to the Board at a later meeting. Also, the Board may take action to direct the staff to place a matter of business on a future agenda. **SPEAKERS ARE LIMITED TO TWO MINUTES. PLEASE STATE AND SPELL YOUR NAME BEFORE MAKING YOUR PRESENTATION.**

Grounded in Health

BOARD MEMBER ANNOUNCEMENTS OR REPORTS

2) Board Member Announcements or Reports:

On their own initiative, Board members may make an announcement or report on their own activities. They may ask a question for clarification, make a referral to staff, or take action to have staff place a matter of business on a future agenda. (Government Code Section 54954.2[a][2])

EMERGENCY MEDICAL SERVICES PROGRAM REQUESTS

3) Managers' report – RECEIVE AND FILE

4) APOT Task Force Report – RECEIVE AND FILE

CA – 5) Quarterly Maddy Fund Report – RECEIVE AND FILE

CA – 6) Legislation Report – RECEIVE AND FILE

CA – 7) Quarterly APOT Report – RECEIVE AND FILE

CA – 8) Quarterly Ambulance Response Compliance – RECEIVE AND FILE

9) Maddy Fund Release Request - Kern County Sheriff Office

MATTERS FOR EXECUTIVE APPROVAL

CA-10) Review and Approval of November 13, 2025, Minutes – APPROVE

11) Adjournment:

The deadline for submitting public requests for the next EMCAB meeting is Thursday, April 30, 2026, at 5:00 PM to the EMS Program Manager.

Adjourn to Thursday, May 14, 2026, at 4:00 PM at the Kern County Administrative Center in the Kern County Board of Supervisors Chambers at 1115 Truxtun Avenue, Bakersfield, CA 93301 – ADJOURN

AMERICAN'S WITH DISABILITIES ACT

(Government Code Section 54953.2)

The Board of Supervisors Chamber is accessible to persons with disabilities. Disabled individuals who need special assistance to attend or participate in a meeting of the Kern County Emergency Medical Care Advisory Board may request assistance at the Kern County Public Health at 1800 Mount Vernon Avenue, Bakersfield, 93306 or by calling (661) 321-3000. Every effort will be made to reasonably accommodate individuals with disabilities by making meeting materials available in alternative formats. Requests for assistance should be made at least three (3) working days in advance whenever possible.

6. Legislative Reports

AB 261 ([Quirk-Silva, D](#)) **Fire safety: fire hazard severity zones: State Fire Marshal.**

Current Text: 07/10/2025 - Amended [HTML](#) [PDF](#)

Last Amended: 07/10/2025

Status: 08/29/2025 - Failed Deadline pursuant to Rule 61(a)(11). (Last location was APPR. SUSPENSE FILE on 8/18/2025)(May be acted upon Jan 2026)

Location: 08/28/2025 - Senate 2 YEAR

Summary: Existing law requires the State Fire Marshal to classify lands within state responsibility areas into fire hazard severity zones, and, by regulation, designate fire hazard severity zones and assign to each zone a rating reflecting the degree of severity of fire hazard that is expected to prevail in the zone. Existing law requires the State Fire Marshal to periodically review designated and rated zones and, as necessary, revise zones or their ratings or repeal the designation of zones. Existing law also requires the State Fire Marshal to identify areas in the state that are not state responsibility areas as moderate, high, and very high fire hazard severity zones based on consistent statewide criteria and based on the severity of fire hazard that is expected to prevail in those areas, and to periodically review and, as necessary, make recommendations relative to very high fire hazard severity zones. This bill would prohibit the State Fire Marshal's determination of fire hazard severity zone, in both state responsibility areas and lands that are not state responsibility areas, from being based on risk mitigation activities. The bill would, as applied to both state responsibility areas and lands that are not state responsibility areas, authorize the State Fire Marshal, in periods between the State Fire Marshal's review of areas of the state for recommendations regarding an area's fire hazard severity zone, to confer with entities, including, but not limited to, public agencies, tribes, nonprofit organizations, project applicants, and members of the public, on actions that may impact the degree of fire hazard in an area or the area's recommended fire hazard severity zone designation. The bill would authorize the State Fire Marshal to provide a written response to an entity on actions that may impact the degree of fire hazard and would require this written response to be posted on the State Fire Marshal's internet website. This bill would authorize those entities to provide information to the State Fire Marshal on wildfire safety improvements or other actions the entity has taken or plans to take, and any information submitted to or by the department, as specified, before the next review that may impact the degree of fire hazard in an area or the area's fire hazard severity zone designation. The bill would authorize the State Fire Marshal to consider this information in the next review and would require any documentation provided to the State Fire Marshal to be posted in a manner that is easily accessible on the State Fire Marshal's internet website. This bill contains other related provisions and other existing laws. (Based on 07/10/2025 text)

AB 302 ([Bauer-Kahan, D](#)) **Data brokers: elected officials and judges.**

Current Text: 07/17/2025 - Amended [HTML](#) [PDF](#)

Last Amended: 07/17/2025

Status: 08/29/2025 - Failed Deadline pursuant to Rule 61(a)(11). (Last location was APPR. SUSPENSE FILE on 8/18/2025)(May be acted upon Jan 2026)

Location: 08/28/2025 - Senate 2 YEAR

Summary: The California Consumer Privacy Act of 2018 (CCPA) grants a consumer various rights with respect to personal information, as defined, that is collected or sold by a business, as defined, including the right to request that a business delete any personal information about the consumer that the business has collected from the consumer. The California Privacy Rights Act of 2020, approved by the voters as Proposition 24 at the November

3, 2020, statewide general election, amended, added to, and reenacted the CCPA and establishes the California Privacy Protection Agency (agency) and vests the agency with full administrative power, authority, and jurisdiction to enforce the CCPA. Existing law requires the agency to establish an accessible deletion mechanism that, among other things, allows a consumer to request the deletion of all personal information related to that consumer through a single deletion request. Existing law requires, beginning August 1, 2026, a data broker to access the accessible deletion mechanism at least once every 45 days and, within 45 days after receiving a request, process all deletion requests and delete all personal information related to the consumers making the requests, as prescribed. Existing law requires a data broker to delete all personal information of the consumer at least once every 45 days unless the consumer requests otherwise, as prescribed. Existing law defines “data broker” to mean a business, as defined, that knowingly collects and sells to third parties the personal information of a consumer with whom the business does not have a direct relationship, except as provided. This bill would require the agency to obtain a list of all state and local elected officials, would require the Judicial Council to provide the agency with a list of all California judges, and would require the agency to allow elected officials or a judges to remove their information from those lists, as prescribed. The bill would require the lists to be kept confidential, as specified. The bill would also require the agency to upload the lists to the accessible deletion mechanism described above and, beginning August 1, 2026, require an entity receiving a notification that a deletion is required to do so within 5 days. This bill would authorize an elected official or judge who is on a list described above, the Attorney General, a county counsel, or a city attorney to bring an action for a violation of the bill, as prescribed. This bill contains other related provisions and other existing laws. (Based on 07/17/2025 text)

[AB 384](#) ([Connolly, D](#)) Health care coverage: mental health and substance use disorders: inpatient admissions.

Current Text: 03/17/2025 - Amended [HTML](#) [PDF](#)

Last Amended: 03/17/2025

Status: 01/23/2026 - Failed Deadline pursuant to Rule 61(b)(2). (Last location was APPR. SUSPENSE FILE on 5/14/2025)

Location: 01/23/2026 - Assembly DEAD

Summary: Existing law, the Knox-Keene Health Care Service Plan Act of 1975, provides for the licensure and regulation of health care service plans by the Department of Managed Health Care, and makes a willful violation of the act a crime. Existing law provides for the regulation of health insurers by the Department of Insurance. Existing law requires a health care service plan or health insurer to ensure that processes necessary to obtain covered health care services, including, but not limited to, prior authorization processes, are completed in a manner that assures the provision of covered health care services to an enrollee or insured in a timely manner appropriate for the enrollee’s or insured’s condition, as specified. This bill, the California Mental Health Protection Act, would prohibit a health care service plan contract or health insurance policy issued, amended, or renewed on or after January 1, 2027, that provides coverage for mental health and substance use disorders from requiring prior authorization (1) for an enrollee or insured to be admitted for medically necessary 24-hour care in inpatient settings for mental health and substance use disorders, as specified, and (2) for any medically necessary health care services provided to an enrollee or insured while admitted for that care. The bill would authorize the Director of the Department of Managed Health Care or the Insurance Commissioner, as applicable, to assess administrative or civil penalties, as specified, for violations of these provisions. Because a willful violation of these provisions by a health care service plan would be a crime, the bill would impose a state-mandated local program. This bill contains other related provisions and other existing laws. (Based on 03/17/2025 text)

[AB 469](#) ([Gabriel, D](#)) Crimes: impersonation of first responders.

Current Text: 02/06/2025 - Introduced [HTML](#) [PDF](#)

Status: 01/23/2026 - Failed Deadline pursuant to Rule 61(b)(2). (Last location was PRINT on 2/6/2025)

Location: 01/23/2026 - Assembly DEAD

Summary: Existing law, the California Emergency Services Act, authorizes the Governor to proclaim a state of emergency, as defined, under specified circumstances. Existing law defines a “first responder” as an employee of the state or a local public agency who provides emergency response services. Existing law makes it a misdemeanor to impersonate certain first responders, including a member of a fire department. This bill would state the intent of the Legislature to enact legislation relating to the impersonation of first responders during a state of emergency. (Based on 02/06/2025 text)

AB 601

(Jackson, D) Child abuse: reporting.

Current Text: 04/10/2025 - Amended [HTML](#) [PDF](#)

Last Amended: 04/10/2025

Status: 08/29/2025 - Failed Deadline pursuant to Rule 61(a)(11). (Last location was APPR. SUSPENSE FILE on 8/18/2025)(May be acted upon Jan 2026)

Location: 08/29/2025 - Senate 2 YEAR

Summary: Existing law, the Child Abuse and Neglect Reporting Act, establishes procedures for the reporting and investigation of suspected child abuse or neglect. The act requires certain professionals, including specified health practitioners and social workers, known as “mandated reporters,” to report known or reasonably suspected child abuse or neglect to a local law enforcement agency or a county welfare or probation department, as specified. This bill would require the State Department of Social Services, through the State Office of Child Abuse Prevention, to, by no later than July 1, 2027, develop a standardized curriculum for mandated reporters, and to make that training available on its internet website. The bill would, except as provided, require an employer having one or more mandated reporters to ensure completion of the training within the first 3 months of the mandated reporter’s employment, or on or before March 1, 2030, whichever is later. The bill would require completion of the training to be documented in a manner that would allow the department to verify completion upon request. This bill contains other related provisions and other existing laws. (Based on 04/10/2025 text)

AB 719

(Calderon, D) County emergency plans.

Current Text: 02/14/2025 - Introduced [HTML](#) [PDF](#)

Status: 01/15/2026 - Failed Deadline pursuant to Rule 61(b)(1). (Last location was EMERGENCY MANAGEMENT on 3/3/2025)

Location: 01/15/2026 - Assembly DEAD

Summary: Existing law, the California Emergency Services Act, among other things, creates the Office of Emergency Services, which is responsible for the state’s emergency and disaster response services, as specified. Existing law requires the Governor to coordinate the State Emergency Plan and the preparation of plans and programs for the mitigation of the effects of an emergency by the political subdivisions of this state. Existing law defines the terms “political subdivision” and “emergency plans” for purposes of emergency services provided by

local governments. Existing law requires the governing body of each political subdivision of the state to carry out the provisions of the State Emergency Plan. Existing law requires the office to establish best practices for counties developing and updating a county emergency plan and a process for a county to request that the office review a county's emergency plan by January 1, 2022. This bill would require each county to review and update its emergency plan at least every 2 years. Because the bill would require local officials to perform additional duties, the bill would impose a state-mandated local program. The bill would remove the January 1, 2022, date specified above, and would remove another reference to that date. This bill contains other related provisions and other existing laws. [AB 1048](#) (Chen, R) Workers' compensation.

Current Text: 01/22/2026 - Amended [HTML](#) [PDF](#)

Last Amended: 01/22/2026

Status: 01/22/2026 - From committee chair, with author's amendments: Amend, and re-refer to committee. Read second time, amended, and re-referred to Com. on RLS.

Location: 09/08/2025 - Senate Rules

Summary: Existing law establishes a workers' compensation system, administered by the Administrative Director of the Division of Workers' Compensation, to compensate an employee for injuries sustained in the course of employment. Existing law requires an employer to provide medical, surgical, chiropractic, acupuncture, and hospital treatment that is reasonably required to cure or relieve the injured worker from the effects of the injury. Upon payment, adjustment, or denial of a complete or incomplete itemization of medical services, existing law requires an employer to provide an explanation of review that includes, among other information, the amount paid and the basis for any adjustment, change, or denial of the item or procedure billed. This bill would, when the basis for any adjustment, change, or denial of an item or procedure is a contract, require the explanation of review to include information on that underlying contract, including whom the rendering medical provider may contact to seek a copy of the underlying contract. The bill would state that disclosure of a medical provider network does not satisfy this requirement and would state that if the contract is not sent to the rendering provider or their agent within 30 business days of the provider's request, the bill shall be reprocessed and paid, as specified. This bill contains other related provisions and other existing laws. (Based on 01/22/2026 text)

[AB 1278](#) (Harabedian, D) Mortgages: hazard insurance proceeds: interest.

Current Text: 01/14/2026 - Amended [HTML](#) [PDF](#)

Last Amended: 01/14/2026

Status: 01/29/2026 - Read third time. Passed. Ordered to the Senate. (Ayes 70. Noes 0.) In Senate. Read first time. To Com. on RLS. for assignment.

Location: 01/29/2026 - Senate Rules

Summary: Existing law establishes the Department of Financial Protection and Innovation, which is under the direction of the Commissioner of Financial Protection and Innovation, and makes the department responsible for administering various laws relating to financial institutions and products, including mortgages. Existing law defines and regulates mortgages. Existing law requires a financial institution that makes loans upon the security of real property containing only a one- to 4-family residence in this state or purchases obligations secured by the property and that holds hazard insurance proceeds in a loss draft account pending property rebuilding or repair to pay interest on those funds at a rate of at least 2% simple interest per annum, as specified. Existing law requires that

interest to be credited to the above-described loss draft account annually or upon termination of the account, whichever is earlier. This bill would, instead, require that interest to be credited to the above-described loss draft account, or paid with a check, as defined, drawn by a financial institution payable at or through a bank directly to the borrower, annually or upon termination of the account, whichever is earlier. The bill would make a check issued pursuant to the above-described provision that is uncashed 90 calendar days after delivery canceled, as specified. (Based on 01/14/2026 text)

Location: 01/15/2026 - Assembly DEAD

Summary: Existing law, the California Emergency Services Act, establishes the Office of Emergency Services within the Governor's office under the supervision of the Director of Emergency Services and makes the office responsible for the state's emergency and disaster response services for natural, technological, or manmade disasters and emergencies. Existing law requires, during any state of war emergency, or state of emergency when the need arises for outside aid in any county, city and county, or city, aid to be rendered in accordance with approved emergency plans. In periods other than a state of war emergency, a state of emergency, or a local emergency, existing law authorizes state agencies and political subdivisions to exercise mutual aid powers in accordance with the Master Mutual Aid Agreement and local ordinances, resolutions, agreements, or plans. The act requires the Office of Emergency Services, in consultation with relevant local and state agencies, to develop and adopt a state fire service and rescue emergency mutual aid plan that meets specified criteria. This bill would require the Office of Emergency Services to establish the Firefighting Mutual Aid and Prepositioning Program for specified purposes, including to support the implementation of the state fire service and rescue emergency mutual aid plan, as described above, and to establish a reimbursement program to allow firefighting agencies deployed under the state's Master Mutual Aid Agreement to pay for costs, as specified. AB 1328 ([Rodriguez, Michelle, D](#)) **Medi-Cal reimbursements: nonemergency ambulance and other transportation.**

Current Text: 07/17/2025 - Amended [HTML](#) [PDF](#)

Last Amended: 07/17/2025

Status: 08/29/2025 - Failed Deadline pursuant to Rule 61(a)(11). (Last location was APPR. SUSPENSE FILE on 8/18/2025)(May be acted upon Jan 2026)

Location: 08/28/2025 - Senate 2 YEAR

Summary: Existing law establishes the Medi-Cal program, which is administered by the State Department of Health Care Services and under which qualified low-income individuals receive health care services, including emergency or nonemergency medical or nonmedical transportation services. The Medi-Cal program is, in part, governed and funded by federal Medicaid program provisions. Under this bill, commencing on July 1, 2027, and subject to an appropriation, Medi-Cal fee-for-service reimbursement for nonemergency ambulance transportation services, as defined, would be in an amount equal to 80% of the amount set forth in the federal Medicare ambulance fee schedule for the corresponding level of service, adjusted by the Geographic Practice Cost Index, as specified. The bill would require the department to establish a Medi-Cal managed care directed payment program for nonemergency ambulance transportation services, with the reimbursement rates set in an amount

equal to at least the amount set forth under fee-for-service reimbursement. The bill would require the department to maximize federal financial participation in implementing the above-described provisions to the extent allowable. To the extent that federal financial participation is unavailable, the bill would require the department to implement the provisions using state funds, as specified. This bill contains other related provisions and other existing laws. (Based on 07/17/2025 text)

Status: 09/13/2025 - Failed Deadline pursuant to Rule 61(a)(14). (Last location was INACTIVE FILE on 9/13/2025)(May be acted upon Jan 2026)

Location: 09/13/2025 - Senate 2 YEAR

Summary: Existing law establishes the Division of Labor Standards Enforcement within the Department of Industrial Relations. Existing law authorizes the division, which is headed by the Labor Commissioner, to enforce the Labor Code and all labor laws of the state the enforcement of which is not specifically vested in any other officer, board or commission. This bill would limit the use of workplace surveillance tools, as defined, by employers, including by prohibiting an employer from monitoring or surveilling workers in employee-only, employer-designated areas, as specified. The bill would provide workers with the right to leave behind workplace surveillance tools that are on their person or in their possession when entering certain employee-only areas and public bathrooms and during off-duty hours, as specified. The bill would prohibit a worker from removing or physically tampering with any component of a workplace surveillance tool that is part of or embedded in employer equipment or vehicles. This bill would subject an employer who violates the bill to a civil penalty of \$500 per violation and would authorize a public prosecutor to bring specified enforcement actions. AB 1337 ([Ward, D](#)) **Information Practices Act of 1977.**

Current Text: 05/23/2025 - Amended [HTML](#) [PDF](#)

Last Amended: 05/23/2025

Status: 07/17/2025 - Failed Deadline pursuant to Rule 61(a)(10). (Last location was JUD. on 6/11/2025)(May be acted upon Jan 2026)

Location: 07/17/2025 - Senate 2 YEAR

Summary: Existing law, the Information Practices Act of 1977, prescribes a set of requirements, prohibitions, and remedies applicable to agencies, as defined, with regard to their collection, storage, and disclosure of personal information, as defined. Existing law exempts from the provisions of the act counties, cities, any city and county, school districts, municipal corporations, districts, political subdivisions, and other local public agencies, as specified. This bill would recast those provisions to, among other things, remove that exemption for local agencies, and would revise and expand the definition of "personal information." The bill would make other technical, nonsubstantive, and conforming changes. Because the bill would expand the duties of local officials, this bill would impose a state-mandated local program. This bill contains other related provisions and other existing laws. (Based on 05/23/2025 text)

Status: 01/23/2026 - Failed Deadline pursuant to Rule 61(b)(2). (Last location was EMERGENCY MANAGEMENT on 3/24/2025)

Location: 01/23/2026 - Assembly DEAD

Summary: Existing law, the Emergency Medical Services System and the Prehospital Emergency Medical Care Personnel Act, governs local emergency medical services (EMS) systems, authorizes each county to develop an EMS program and designate a local EMS agency, and requires the Emergency Medical Services Authority to receive plans for the implementation of EMS systems from local EMS agencies, as specified. Existing law requires a county to enter into a written agreement with a city or fire district that contracted for or provided prehospital EMS as of June 1, 1980. Existing law requires, until that written agreement is reached, prehospital EMS to be continued at not less than the existing level and the administration of prehospital EMS by cities and fire districts contracting for or providing those services as of June 1, 1980, to be retained by those cities and fire districts, as specified. This bill would authorize a county board of supervisors or the governing body of an entity or a joint powers agency designated as the local EMS agency by the board of supervisors to provide ambulance services to persons located within the county's jurisdiction by specified means, including assigning the duty of providing ambulance services to residents of the county to an existing county department and providing the department with the necessary staffing, vehicles, and equipment to provide ambulance services. The bill would require a county board of supervisors or a local EMS agency to adopt a written policy, including specified requirements, for an emergency ambulance services provider in order to enter into a contract with a provider for emergency ambulance services and would include required provisions for those contracts. The bill would make related findings and declarations. (Based on 03/24/2025 text)

AB 1540 ([González, Mark, D](#)) **988 Suicide & Crisis Lifeline: LGBTQ+ youth.**

Current Text: 01/05/2026 - Introduced [HTML](#) [PDF](#)

Status: 01/06/2026 - From printer. May be heard in committee February 5.

Location: 01/05/2026 - Assembly PRINT

Summary: Existing federal law, the National Suicide Hotline Designation Act of 2020, designates the 3-digit telephone number "988" as the universal number within the United States for the purpose of the national suicide prevention and mental health crisis hotline system operating through the 988 Suicide and Crisis Lifeline. Existing law, the Miles Hall Lifeline and Suicide Prevention Act, requires, among other things, the Office of Emergency Services (OES) to verify that technology that allows for transfers between 988 centers, as well as between 988 centers and 911 public safety answering points, is available to 988 centers and 911 public safety answering points throughout the state, to appoint a 988 system director, and to verify interoperability between and across 911 and 988. This bill would require OES to, no later than July 1, 2027, ensure that technology enabling transfers between 988 centers and a subnetwork of LGBTQ+ specialized youth suicide prevention service providers is available, as specified, and that callers may dial 988 and press "3" to be automatically routed to an LGBTQ+ suicide prevention specialist. The bill would also require OES to, no later than December 1, 2027, ensure that technologies enabling text or chat contacts between a caller and 988 centers or a specified subnetwork are available. This bill would

require the California Health and Human Services Agency to, no later than July 1, 2027, administer a grant program for qualified entities that specialize in suicide prevention services and provide funding for state 988 call centers to implement specified goals. The bill would require the agency to determine the eligibility criteria, as prescribed, grant application process, and methodology for the distribution of grants to a qualified entity. The bill would require a qualified entity to annually file an expenditure and outcomes report, as specified, in a form and manner determined by the agency. The bill would establish the Protecting Suicide Prevention Resources for LGBTQ+ Youth Fund, to be administered by the agency, and would appropriate \$5,000,000 from the General Fund to the Protecting Suicide Prevention Resources for LGBTQ+ Youth Fund for purposes of these provisions. This bill contains other related provisions and other existing laws. (Based on 01/05/2026 text)

[AB 1558](#) ([Arambula, D](#)) Uniform Emergency Volunteer Health Practitioners Act.

Current Text: 01/08/2026 - Introduced [HTML](#) [PDF](#)

Status: 01/09/2026 - From printer. May be heard in committee February 8.

Location: 01/08/2026 - Assembly PRINT

Summary: Existing law establishes the Emergency Medical Services Authority (EMSA) in the California Health and Human Services Agency to establish planning and implementation guidelines for emergency medical service systems, as specified. The guidelines are required to address, among other things, disaster response, and the authority is required to provide technical assistance to existing agencies, counties, and cities for the purpose of developing the components of emergency medical services systems. The EMSA is required to adopt rules and regulations, approved by the Commission on Emergency Medical Services, in order to carry out its duties. Existing federal law establishes the Emergency System for Advance Registration of Volunteer Health Professionals (ESAR-VHP) program to support states and territories in establishing volunteer registration programs for disasters and public health and medical emergencies. Pursuant to the ESAR-VHP program, the EMSA established the Disaster Healthcare Volunteers program to register volunteers in California. Existing federal law also establishes the Medical Reserve Corps to provide for an adequate supply of volunteers in the case of a federal, state, local, or tribal public health emergency, as specified. This bill would enact the Uniform Emergency Volunteer Health Practitioners Act, which would authorize the establishment of additional volunteer registration systems by additional entities. In this regard, the bill would require a registration system to be an ESAR-VHP program or a local unit of the Medical Reserve Corps, as specified, to be designated by the EMSA as a registration system, or to be operated by one of specified types of entities, including, among others, a disaster relief organization, as defined. The bill would require that a registration system be capable of supplying the EMSA with sufficient information concerning whether a volunteer is licensed to provide specified health or veterinary services in another state or territory of the United States and in good standing before that volunteer provides those services in this state while an emergency declaration is in effect, as specified. The bill would establish scope-of-practice standards for a registered volunteer health practitioner. The bill would authorize the EMSA to limit, restrict, or otherwise regulate, among other things, the duration of practice, the geographical areas in which volunteer health practitioners may practice, and any other matters necessary to coordinate the provision of health or veterinary services during the emergency. The bill would authorize the applicable licensing board and the host entity, as defined, to restrict or modify the health or veterinary services that a volunteer health practitioner may provide. The bill would require the EMSA and host entities to coordinate their activities with the Office of Emergency Services, as specified. This bill contains other related provisions and other existing laws. (Based on 01/08/2026 text)

[AB 1576](#) ([Ortega, D](#)) Workers' compensation: Subsequent injuries payments.

Current Text: 01/12/2026 - Introduced [HTML](#) [PDF](#)

Status: 01/13/2026 - From printer. May be heard in committee February 12.

Location: 01/12/2026 - Assembly PRINT

Summary: Existing law establishes a workers' compensation system, administered by the Administrative Director of the Division of Workers' Compensation, to compensate an employee for injuries sustained in the course of employment. Existing law provides certain methods for determining workers' compensation benefits payable to a worker or the worker's dependents for purposes of permanent total disability or permanent partial disability that include a determination of the percentage of permanent disability incurred. Existing law requires that, for injuries incurred before January 1, 2013, in determining the percentages of permanent disability, account be taken of the nature of the physical injury or disfigurement, the occupation of the injured employee, and the injured employee's age at the time of the injury, and requires that specified factors be considered in determining an employee's diminished earning capacity for these purposes. For purposes of these provisions, "nature of the physical injury or disfigurement" incorporates the descriptions and measurements of physical impairment and the corresponding percentages of impairments published in the American Medical Association (AMA) Guides to the Evaluation of Permanent Impairment (5th Edition). For injuries occurring on or after January 1, 2013, in determining the percentages of permanent disability, existing law requires the same factors be taken into account but removes from consideration the employee's diminished future earning capacity and, instead, incorporates an adjustment factor of 1.4, as specified. Existing law also establishes the Subsequent Injuries Benefits Trust Fund, a continuously appropriated fund. Under existing law, if a permanently, partially disabled employee receives a subsequent compensable injury resulting in additional permanent disability, then that employee receives compensation from the Subsequent Injuries Benefits Trust Fund. Existing law requires, when applicable, the additional permanent disability resulting from the subsequent injury to be equal to 35% or more of total, when considered alone and without regard to, or adjustment for, the occupation or the age of the employee. For purposes of determining permanent disability resulting from a subsequent injury, this bill would measure permanent disability, for injuries occurring on or after January 1, 2005, and prior to January 1, 2013, by the whole person impairment rating as determined in accordance with the AMA Guides to the Evaluation of Permanent Impairment (5th Edition), after adjustment for diminished future earning capacity and without regard to, or adjustment for, the occupation or age of the employee. For injuries occurring on or after January 1, 2013, the bill would measure permanent disability in the same manner as an injury occurring on or after January 1, 2005, and prior to January 1, 2013, except that an adjustment for diminished future earning capacity is replaced by the 1.4 adjustment factor. The bill would state that these provisions are declarative of existing law. To the extent the bill changes the eligibility requirements for and calculation for payments made from the Subsequent Injuries Benefits Trust Fund, the bill would make an appropriation. This bill contains other related provisions and other existing laws. (Based on 01/12/2026 text)

Status: 01/21/2026 - From printer. May be heard in committee February 20.

Location: 01/20/2026 - Assembly PRINT

Summary: Existing law establishes the Maddy Emergency Medical Services (EMS) Fund and authorizes each county to establish an emergency medical services fund for reimbursement of costs related to emergency medical services. Existing law, until January 1, 2027, requires 15% of the fund to be used to, among other things, improve access to, and coordination of, pediatric trauma and emergency services, with specified preferences, and requires the cost of administering money deposited into the EMS Fund to be reimbursed from the money collected, as specified. Existing law, until January 1, 2027, authorizes county boards of supervisors to elect to levy an additional penalty, for deposit into the EMS Fund, in the amount of \$2 for every \$10 upon fines, penalties, and forfeitures collected for criminal offenses. Existing law, until January 1, 2027, requires 15% of the funds collected pursuant to that provision to be used to provide funding for pediatric trauma centers. This bill would extend the operative date of these provisions indefinitely. (Based on 01/20/2026 text)

Current Text: 01/26/2026 - Introduced [HTML](#) [PDF](#)

Status: 01/27/2026 - From printer. May be heard in committee February 26.

Location: 01/26/2026 - Assembly PRINT

Summary: Existing law requires specified lifeguards, firefighters, and peace officers to be trained to administer first aid and cardiopulmonary resuscitation (CPR), and requires the training to meet standards prescribed by the Emergency Medical Services Authority. Existing law requires, by January 1, 2027, a public safety agency that provides “911” call processing services for emergency medical response to provide prearrival medical instructions to “911” callers requiring medical assistance, including, among other things, CPR instructions for children and children and adults. Existing law also requires persons providing aquatic instruction at a public swimming pool to possess current certificates from an American Red Cross or a YMCA of the USA lifeguard training program, or have equivalent qualifications, as determined by the State Department of Public Health, and requires lifeguard service, as defined, to be provided for any public swimming pool that is of wholly artificial construction and for the use of which a direct fee is charged. This bill would clarify that CPR instructions, for purposes of the above-described “911” provision, also include CPR instruction in both ventilation and chest compressions for calls that involve a drowning victim. The bill would require the State Department of Public Health, in coordination with other specified state entities, to review and update the state’s public communications efforts to ensure everyone in California is educated about the importance of CPR knowledge and how to obtain CPR training. This bill would also require the Emergency Medical Services Authority to, on or before June 30, 2028, and biennially thereafter, submit a report to the Commission on Emergency Medical Services and the Legislature on California’s lifeguard workforce, as prescribed, to better understand, track, and report on California’s lifeguard workforce. SB 6 ([Ashby, D](#)) **Controlled substances: xylazine.**

Current Text: 12/02/2024 - Introduced [HTML](#) [PDF](#)

Status: 08/28/2025 - Failed Deadline pursuant to Rule 61(a)(11). (Last location was APPR. SUSPENSE FILE on 7/16/2025)(May be acted upon Jan 2026)

Location: 08/28/2025 - Assembly 2 YEAR

Summary: Existing law, the California Uniform Controlled Substances Act, categorizes controlled substances into 5 schedules and places the greatest restrictions on those substances contained in Schedule I. Under existing law, the substances in Schedule I are deemed to have a high potential for abuse and no accepted medical use while substances in Schedules II through V are substances that have an accepted medical use, but have the potential for abuse. Existing law restricts the prescription, furnishing, possession, sale, and use of controlled substances, and makes a violation of those laws a crime, except as specified. Existing law defines drug paraphernalia and prohibits, among other things, the manufacture, sale, and possession, as specified, of drug paraphernalia. Existing law excludes from these prohibitions any testing equipment that is designed, marketed, used, or intended to be used to analyze a substance for the presence of fentanyl, ketamine, gamma hydroxybutyric acid, or any analog of fentanyl. This bill would add xylazine to the list of Schedule III substances, as specified. If an animal drug containing xylazine that has been approved under the federal Food, Drug and Cosmetic Act is not available for sale in California, the bill would create an exception for a substance that is intended to be used to compound an animal drug, as specified. The bill would exclude from the prohibitions on paraphernalia any testing equipment to analyze a substance for the presence of xylazine. By creating a new crime, the bill would impose a state-

mandated local program. This bill contains other related provisions and other existing laws. (Based on 12/02/2024 text)

[SB 465](#) ([Pérez, D](#)) Governor's Office of Emergency Services: California Alert.

Current Text: 03/24/2025 - Amended [HTML](#) [PDF](#)

Last Amended: 03/24/2025

Status: 01/23/2026 - Failed Deadline pursuant to Rule 61(b)(2). (Last location was APPR. SUSPENSE FILE on 5/5/2025)

Location: 01/23/2026 - Senate DEAD

Summary: The California Emergency Services Act authorizes the Governor to declare a state of emergency, and local officials and local governments to declare a local emergency, when specified conditions of disaster or extreme peril to the safety of persons and property exist. Existing law establishes the Office of Emergency Services within the office of the Governor and charges it with responsibility for the state's emergency and disaster response services for natural, technological, or manmade disasters and emergencies, including responsibility for activities necessary to prevent, respond to, recover from, and mitigate the effects of emergencies and disasters upon people and property. Existing law requires the Office of Emergency Services, in consultation with, at minimum, telecommunications carriers, the California cable and broadband industry, radio and television broadcasters, the California State Association of Counties, the League of California Cities, the access and functional needs community, appropriate federal agencies, and the Standardized Emergency Management System Alert and Warning Specialist Committee, to develop guidelines for alerting and warning the public of an emergency. This bill would require the office to establish a statewide emergency alert system called California Alert. The bill would require California Alert to utilize Wireless Emergency Alerts authorized by the Integrated Public Alert Warning System, the Federal Emergency Management Agency's national system for local alerting that provides authenticated emergency information to the public through mobile phones within a designate cell tower's coverage area. The bill would require the office to contract with a private vendor that provides alerting systems to send California Alerts to registered phone numbers that are not location based. The bill would require the office to establish standards for issuing emergency alerts to California residents across local jurisdictional boundaries. (Based on 03/24/2025 text)

Location: 04/02/2025 - Senate Health

Summary: Existing law authorizes a general acute care hospital, as defined, to offer special services, including, but not limited to, emergency medical services. Existing law establishes the Department of Health Care Access and Information to oversee and administer various health programs related to health care infrastructure, such as health policy and planning, health professions development, and facilities design review and construction, among others. This bill would require the Department of Health Care Access and Information to conduct a feasibility study on the implementation of freestanding emergency departments, as defined, in rural, disadvantaged, and underserved areas with limited access to emergency care. The bill would require that the study be conducted in

collaboration with certain stakeholders and that the department issue a report to the Legislature, on or before January 1, 2027, with its findings and recommendations. The bill would appropriate an unspecified amount from the General Fund to the department for those purposes. The bill would repeal these provisions on January 1, 2031. (Based on 04/21/2025 text)

Location: 01/23/2026 - Senate DEAD

Summary: Existing law requires specified lifeguards, firefighters, and peace officers to be trained to administer first aid and cardiopulmonary resuscitation (CPR). Existing law requires the training to meet standards prescribed by the Emergency Medical Services Authority, and to be provided at no cost to the lifeguard or firefighter employee. Existing regulations authorize those lifeguards, firefighters, and peace officers to perform specified optional first aid and CPR skills if the lifeguard, firefighter, or peace officer has been trained and tested to demonstrate competence and if authorized by the medical director of the local emergency medical services agency. This bill would require the authority to act as the authorizing entity for the optional first aid and CPR skills for the lifeguards, firefighters, and peace officers described above that are employed by a state agency, and would require the authority to develop and implement quality assurance and improvement measures, as specified, to ensure the safe and effective use of those skills. Describe how this request benefits the Kern County EMS System, at large:

The Kern County Sheriff's Office (KCSO) training section is in need of new training materials to replace and update current training aids and aging equipment. Deputies are routinely the first emergency personnel on scene of critical incidents such as shootings, stabbings, traffic collisions, opiate overdoses, cardiac arrests, respiratory arrests, and chokings. Due to the nature of law enforcement operations Deputies are actively patrolling communities and able to respond to 9-1-1 calls much quicker than fire department or emergency medical resources. Deputies can often perform life-saving interventions before fire department or EMS personnel are able to reach the patient. Deputies receive initial medical training in the academy, as well as annual training to maintain their proficiency. Deputies are trained to perform CPR, and each patrol vehicle is equipped with an AED. New CPR training manikins, AED trainers, and Bag Valve Masks (BVM's) will allow deputies to allow deputies to perform more realistic training and contribute to better patient outcomes. Additionally, deputies receive training in emergency trauma care and are equipped with tourniquets, hemostatic gauze, Israeli bandages, and chest seals. We currently do not have the materials to provide realistic wound packing simulation for our personnel. With wound packing simulators, training tourniquets, bandages, and dressings, we would again be able to provide more realistic training and contribute to better patient outcomes.

Thank you,
Kern County, CA

10. Approval of Minutes

Meeting Minutes**KERN COUNTY EMERGENCY MEDICAL CARE ADVISORY BOARD (EMCAB)**

**Kern County Administrative Center
Board of Supervisors Chambers
1115 Truxtun Avenue
Bakersfield CA, 93301**

REGULAR MEETING**THURSDAY – November 13, 2025****4:00 P.M.**

Call to Order – *Dr. Lyon*

Roll Call:

Supervisor Jeff Flores, Sheriff Youngblood, Orchel Krier, Scott Hurlbert, Dr. Franklin, John Surface, Dr. Lyon, Chief Albertson

We have a quorum.

SALUTE TO FLAG – *John Surface*

Consent Agenda (CA):

All items listed with a “CA” are considered by program staff to be routine and non-controversial. The “CA” represents the consent agenda for the Board members of EMCAB. Consent items will be considered first and may be approved in one motion. If a member of the audience wishes to comment or ask questions regarding an item or items on the consent agenda, they may do so prior to a vote being taken on the consent agenda. A member of EMCAB may remove any item from the consent agenda and it will be considered in listed sequence with an opportunity for any member of the public to address EMCAB concerning the item before action is taken.

PUBLIC PRESENTATIONS

1) This portion of the meeting is reserved for persons to address the Board on any matter not on this Agenda but under the jurisdiction of the Board. Board members may respond briefly to statements made or questions posed. They may ask a question for clarification, make a referral to staff for factual information or request staff to report back to the Board at a later meeting. Also, the Board may take action to direct the staff to place a matter of business on a future agenda. **SPEAKERS ARE LIMITED TO TWO MINUTES. PLEASE STATE AND SPELL YOUR NAME BEFORE MAKING YOUR PRESENTATION.**

No public comment.

AMERICAN'S WITH DISABILITIES ACT

(Government Code Section 54953.2)

The Board of Supervisors Chamber is accessible to persons with disabilities. Disabled individuals who need special assistance to attend or participate in a meeting of the Kern County Emergency Medical Care Advisory Board may request assistance at the Kern County Public Health at 1800 Mount Vernon Avenue, Bakersfield, 93306 or by calling (661) 321-3000. Every effort will be made to reasonably accommodate individuals with disabilities by making meeting materials available in alternative formats. Requests for assistance should be made at least three (3) working days in advance whenever possible.
