

AGENDA**KERN COUNTY EMERGENCY MEDICAL CARE ADVISORY BOARD (EMCAB)**

Kern County Administrative Center
Board of Supervisors Chambers
1115 Truxtun Avenue
Bakersfield CA, 93301

REGULAR MEETING**THURSDAY – May 14th, 2026****4:00 P.M.****Roll Call:**

Supervisor Flores, Sheriff Youngblood, Leslie Wilmer, Orchel Krier, Scott Hurlbert, Dr. Franklin, Tyler Whitezell, John Surface, Dr. Lyon

SALUTE TO FLAG**Consent Agenda (CA):**

All items listed with a “CA” are considered by program staff to be routine and non-controversial. The “CA” represents the consent agenda for the Board members of EMCAB. Consent items will be considered first and may be approved in one motion. If a member of the audience wishes to comment or ask questions regarding an item or items on the consent agenda, they may do so prior to a vote being taken on the consent agenda. A member of EMCAB may remove any item from the consent agenda and it will be considered in listed sequence with an opportunity for any member of the public to address EMCAB concerning the item before action is taken.

PUBLIC PRESENTATIONS

1) This portion of the meeting is reserved for persons to address the Board on any matter not on this Agenda but under the jurisdiction of the Board. Board members may respond briefly to statements made or questions posed. They may ask a question for clarification, make a referral to staff for factual information or request staff to report back to the Board at a later meeting. Also, the Board may take action to direct the staff to place a matter of business on a future agenda. **SPEAKERS ARE LIMITED TO TWO MINUTES. PLEASE STATE AND SPELL YOUR NAME BEFORE MAKING YOUR PRESENTATION.**

Grounded in Health

BOARD MEMBER ANNOUNCEMENTS OR REPORTS

2) Board Member Announcements or Reports:

On their own initiative, Board members may make an announcement or report on their own activities. They may ask a question for clarification, make a referral to staff, or take action to have staff place a matter of business on a future agenda. (Government Code Section 54954.2[a][2])

Adjourn to Thursday, August 13, 2026, at 4:00 PM at the Kern County Administrative Center in the Kern County Board of Supervisors Chambers at 1115 Truxtun Avenue, Bakersfield, CA 93301 – ADJOURN

Grounded in Health

AMERICAN'S WITH DISABILITIES ACT

(Government Code Section 54953.2)

The Board of Supervisors Chamber is accessible to persons with disabilities. Disabled individuals who need special assistance to attend or participate in a meeting of the Kern County Emergency Medical Care Advisory Board may request assistance at the Kern County Public Health at 1800 Mount Vernon Avenue, Bakersfield, 93306 or by calling (661) 321-3000. Every effort will be made to reasonably accommodate individuals with disabilities by making meeting materials available in alternative formats. Requests for assistance should be made at least three (3) working days in advance whenever possible.

Kern County Maddy Emergency Medical Services Fund

Billing Procedures

Introduction

The Emergency Medical Services (EMS) Fund was established by the Kern County Board of Supervisors under terms and conditions specified in Senate Bill (SB) 12, and follow-up legislation SB 612. Also known as “anti-dumping” legislation, the laws were enacted with the intent of preventing inappropriate transfer of patients with emergency medical needs, by providing “limited funding to partially offset the losses providers incur . . .” Funds are derived from assessments on various fines, penalties and forfeitures imposed and collected by local courts.

Physician Services Covered

Services eligible for reimbursement are on-site emergency medical services provided by a physician in a clinical setting, including, but not limited to, radiology and pathology settings.

Emergency Services

Payment shall be made for medical screening examinations required by law to determine whether an emergency condition exists, notwithstanding the determination after the examination that a medical emergency condition does not exist.

Emergency services eligible for reimbursement are those provided to patients who are initially screened, evaluated, treated or stabilized in **any** of the following:

- A basic or comprehensive emergency department of a licensed general acute care hospital
- A site which was approved by Kern County prior to January 1, 1990 as a paramedic receiving station for the treatment of emergency patients
- A standby emergency department that was in existence on January 1, 1989
- For the 1991 Fiscal Year and each Fiscal Year thereafter, a facility which contracted prior to January 1, 1990 with the National Park Service to provide emergency medical services

Payment shall be made for emergency services to an inpatient only when the inpatient has been admitted to a hospital from one of the facilities specified above.

Payments shall be made only for emergency services provided on the calendar day on which emergency services are first provided and on the immediately following two (2) calendar days.

If it is necessary to transfer a patient to a second facility providing a higher level of care for the treatment of an emergency condition, reimbursement shall be available for services provided at the new facility on the calendar day of transfer, and on the immediately following two (2) days.

Statement of Non-Discrimination

A participating physician may not discriminate in the provision of services because of race, color, religion, national origin, ancestry, sex, age, or condition of physical or mental handicap, in accordance with all applicable requirements of state and federal law.

Eligible Physician Claims

Physicians may seek reimbursement from the Kern County EMS Fund for the uncompensated costs of providing emergency services to patients who cannot afford to pay for those services, and for whom payment will not be made through any private coverage, or by any program funded in whole or in part by the federal government (e.g. Medi-Cal, Medicare).

Eligibility means that all the following conditions have been met:

- The physician has inquired if there is a responsible third party source of payment; **and**
- The physician has billed for payment of services; **and**
- Either of the following:
 - At least three (3) months have passed from the date the physician billed the patient or third party, during which time the physician has made two (2) attempts to obtain reimbursement and has not received reimbursement for any portion of the of amount billed; **or**
 - The physician has received actual notification from the patient or responsible third party that no payment will be made for the services rendered; **and**
- The physician has stopped any current, and waives any future, collection efforts to obtain reimbursement from the patient, upon receipt of moneys from the Kern County Maddy Emergency Medical Services Fund.

The physician is not required to make any other eligibility determinations.

Physician Claims Submission and Payment

All claims must be submitted to the Kern County Public Health Services Department, Emergency Medical Services Division, 1800 Mount Vernon Avenue, Bakersfield, CA 93306.

Electronic Claims Submission

Electronic claims submission is MANDATORY for providers submitting ten (10) or more claims for any one month period.

Electronic claims submission is AVAILABLE to all providers.

- Claims should be submitted to the EMS Division's secure ftp site, and should be prepared in the "**Medicare X12**" format. More technically, this format is "ASC X 12N (004010X098) doc."
- Filing electronically with us has several advantages over filing a paper claim:
 - Your claims will be processed faster.
 - Data entry errors on our part will be entirely eliminated.
 - You will receive immediate notification of any claim errors or rejected claims, via email or fax.
 - You will have a record (as will we) of all claims that have been submitted and processed.
- Contact EMS Coordinator Chris Niswonger at (661) 868-5214 to get set up with electronic claims filing.
 - You will be provided a password to the EMS sftp site.
- Each physician submitting electronic claims for reimbursement must have a completed **Physician Personal Data Form** on file with the Kern County Public Health Services Department, EMS Division, and must advise the Division of any changes in that data.
- If you should require some minor technical assistance with initial submissions, help will be provided.

“Paper Claims” Documentation

- Paper claims submission is permitted only for providers submitting fewer than ten (10) claims per month.
- Each physician submitting paper claims for reimbursement must have a completed **Physician Personal Data Form** on file with the Kern County Public Health Services Department, EMS Division, and must advise the Division of any changes in that data.
- Each individual claim must be submitted on a **CMS (nee HCFA)-1500** claim form. Each claim form must be **complete**, and legible. **(For emergency services claims, the physician should consider including supplementary documentation, e.g. “History and Physical” or “Report of Operation,” if the emergency nature of the services provided is not clearly evident by the CMS-1500 form alone.)**
- Each submission of claims must have attached a copy of **Claim for Physician Services**, signed and dated by the physician, and indicating the total number of CMS-1500 claim forms attached.

Physicians may refer to the table below for a summary of documentation requirements.

FUNDING SOURCE	ELIGIBLE SERVICES	RATE OF PAYMENT	REQUIRED DOCUMENTATION	SERVICE PERIOD
MADDY EMS FUND				
Portion of fines and penalties collected by local courts	Emergency (first 3 days)	Prorated % of Fee Schedule	<i>Physician Personal Data Form</i> (on file) <i>Electronic:</i> <i>Medicare X12 Format submitted to sftp site</i> <i>Paper:</i> <i>Claim for Physician Services</i> <i>CMS-1500, each claim</i>	As per billing schedule

All documents required for submission of claims are contained in the Forms Section, and may be photocopied as needed. All documents are also available on the EMS Division website:

<http://www.co.kern.ca.us/ems/emsfund.asp>

Terminology

For the purposes of submission and reimbursement of claims, the physician is required to use the current version of the *Physician's Current Procedural Terminology (CPT)*, published by the American Medical Association, or a similar procedural terminology reference.

Confidentiality

Patient names will be given full confidentiality protections by the EMS Division.

The EMS Division is required by statute to compile a quarterly, semi-annual, and year-end summary of EMS Fund reimbursements paid to physicians. The summary must include, as a minimum, the total number of claims submitted by physicians, in aggregate from each facility, and the amount paid to each physician. The EMS Division is required to provide copies of the summary, and forms and instructions related to making claims for reimbursement, to the public, as requested.

The EMS Division is also required to compile an annual report for submission to the branches of the California State Legislature. The report is aggregate in nature, quantifying funds expended and number of patient claims processed, and contains no patient demographic or identifying information.

Rate of Reimbursement

All claims accepted and found eligible for reimbursement will be reimbursed at a prorated percentage—or multiple—of the par rates of the 2002 Northern California Locality 99 Physicians Medicare Fee Schedule. Payments will be prorated based on amount of claims submitted and funds available for payment period. Initial reimbursements will not exceed 50 percent of the amount claimed.

Schedule of Payment

- Claims may be filed beginning in the fourth month following the month of service.
- Claims will be paid according to the following schedule:

Claim and Payment Schedule			
Service Period	Reporting Deadline	Payments Processed	Payments Made
July 1 - September 30	March 31	April	Last week of April
Oct. 1, 2013 - December 31	June 30	July	Last week of July
January 1, 2014 - March 31	September 30	October	Last week of October
April 1, 2013 - June 30	December 31	January	Last week of January

A schedule of claims submission deadlines is available on the EMS Division website:

<http://www.co.kern.ca.us/ems/emsfund.asp>

Availability of Funds

Payment of any claim is contingent upon the availability of funds. EMS Fund monies are deposited directly from local courts.

Repayments to the EMS Fund

If, after receiving payment from the fund, a physician is reimbursed by a patient or responsible third party, the physician must do **one** of the following:

- Notify the EMS Division and, after notification, the physician's future payment of claims from the fund will be reduced accordingly. In the event there is not a subsequent submission of a claim for reimbursement within one year, the physician must reimburse the EMS Fund in an amount equal to the amount collected from the patient or third party payer, but not more than the amount of reimbursement received from the EMS Fund.
- Notify the EMS Division of the payment and reimburse the EMS Fund in an amount equal to the amount collected from the patient or third party payer, but not more than the amount of the reimbursement received from the fund for that patient's care. **In making a repayment, physician must clearly identify a patient by name and date(s) of service.**

To simplify record keeping for both providers and the EMS Division, it is recommended that physicians make repayments directly to the EMS Fund, rather than await adjustment of future submissions.

Maintenance of Physician Records

Record Keeping

Each physician who receives payment from the Kern County EMS Fund must keep and maintain records of the services rendered, the person to whom services were rendered, the date of services, and any additional information the EMS Division, by regulation, requires, for a period of three (3) years from the date the service was provided.

Reimbursements requested and reimbursements made that are not supported by records may be denied to and recouped from physicians. Physicians found to submit requests for reimbursement that are inaccurate or unsupported by records may be excluded from submitting future requests for reimbursement.

Any physician who submits an inaccurate claim, or a claim not supported by records may be excluded from reimbursement of future claims.

Inspection and Audit

The EMS Division as administering agency may, as necessary, request records and documentation to support the amounts of reimbursement requested by physicians and may review and audit such records for accuracy.

Fraud

A provider who has knowingly submitted a false request for reimbursement shall be guilty of civil fraud.

Physicians Ineligible for Reimbursement

The EMS Fund may not be used for reimbursement of physician services provided by physicians employed by county hospitals.

A physician who provides physician services in a primary care clinic which receives funds from the California Health Care for Indigents Program (CHIP) is not eligible for reimbursement from the EMS Fund for provision of those services.

Contact Information

Billing procedures, forms and current payment information may be found on the Kern County Public Health Services Department website:

CLAIM FOR PHYSICIAN SERVICES

The undersigned physician (hereinafter called "Physician") submits the attached claim(s) for medically necessary emergency services.

PLEASE INDICATE TOTAL NUMBER OF CLAIMS ATTACHED:
--

Physician acknowledges receipt of a copy of Billing Procedures for Kern County Maddy Emergency Medical Services Fund, the terms and conditions of which are incorporated herein by reference.

Physician hereby certifies that he/she has complied fully with the claiming conditions stated therein in submitting the attached claim(s), and that in conjunction with the attached claim(s), all other physician billing requirements, duties, and obligations, including but not limited to, the preparation, maintenance, and retention of service and financial records, and their availability for audit, will be observed.

Physician expressly acknowledges and understands that the attached claim(s) and any County liability thereon is subject to those conditions defined in the billing requirements, including, among others, the results of audits and adjustments.

In conjunction with the attached claim(s), and in accordance with instructions defined in Billing Procedures for Kern County Maddy Emergency Medical Services Fund:

- Physician has on file with the Kern County Public Health Services Department, EMS Division, a current and completed *Physician Personal Data Form*.
- Physician has completed and attached an CMS (*nee HCFA*)-1500 claim form for each paper claim submitted.

The undersigned Physician further certifies that for each claim submitted for reimbursement, he/she:

- 1) Has inquired if there is a responsible third party source of payment; and
- 2) Has billed for payment of services; and
- 3) Either of the following:
 - At least three (3) months have passed from the date the physician billed the patient or third party, during which time the physician has made two (2) attempts to obtain reimbursement and has not received reimbursement for any portion of the amount billed; or
 - The physician has received actual notification from the patient or responsible third party that no payment will be made for the services rendered; and
- 4) Will stop any current, and waive any future, collection efforts to obtain reimbursement from the patient, upon receipt of funds from the Kern County Maddy Emergency Medical Services Fund.

The claim information submitted herewith is true, accurate, and complete to the best of my knowledge.

Request for Taxpayer Identification Number and Certification

Give Form to the
requester. Do not
send to the IRS.

Print or type See Specific Instructions on page 2.	Name (as shown on your income tax return)	
	Business name/disregarded entity name, if different from above	
	Check appropriate box for federal tax classification: ☐ Individual/sole proprietor ☐ C Corporation ☐ S Corporation ☐ Partnership ☐ Trust/estate ☐ Limited liability company. Enter the tax classification (C=C corporation, S=S corporation, P=partnership) ▶ _____ ☐ Other (see instructions) ▶ _____	☐ Exempt payee
	Address (number, street, and apt. or suite no.)	Requester's name and address (optional)
	City, state, and ZIP code	
List account number(s) here (optional)		

Part I Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. The TIN provided must match the name given on the "Name" line to avoid backup withholding. For individuals, this is your social security number (SSN). However, for a resident alien, sole proprietor, or disregarded entity, see the Part I instructions on page 3. For other entities, it is your employer identification number (EIN). If you do not have a number, see *How to get a TIN* on page 3.

Note. If the account is in more than one name, see the chart on page 4 for guidelines on whose number to enter.

Social security number								
				-				

Employer identification number								
				-				

Part II Certification

Under penalties of perjury, I certify that:

- The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me), and
- I am not subject to backup withholding because: (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding, and
- I am a U.S. citizen or other U.S. person (defined below).

Certification instructions. You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and generally, payments other than interest and dividends, you are not required to sign the certification, but you must provide your correct TIN. See the instructions on page 4.

General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

Purpose of Form

A person who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) to report, for example, income paid to you, real estate transactions, mortgage interest you paid, acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA.

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN to the person requesting it (the requester) and, when applicable, to:

- Certify that the TIN you are giving is correct (or you are waiting for a number to be issued).
- Certify that you are not subject to backup withholding, or
- Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income.

Note. If a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

Definition of a U.S. person. For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien,
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States,
- An estate (other than a foreign estate), or
- A domestic trust (as defined in Regulations section 301.7701-7).

Special rules for partnerships. Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax on any foreign partners' share of income from such business. Further, in certain cases where a Form W-9 has not been received, a partnership is required to presume that a partner is a foreign person, and pay the withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid withholding on your share of partnership income.

The person who gives Form W-9 to the partnership for purposes of establishing its U.S. status and avoiding withholding on its allocable share of net income from the partnership conducting a trade or business in the United States is in the following cases:

- The U.S. owner of a disregarded entity and not the entity,
- The U.S. grantor or other owner of a grantor trust and not the trust, and
- The U.S. trust (other than a grantor trust) and not the beneficiaries of the trust.

Foreign person. If you are a foreign person, do not use Form W-9. Instead, use the appropriate Form W-8 (see Publication 515, *Withholding of Tax on Nonresident Aliens and Foreign Entities*).

Nonresident alien who becomes a resident alien. Generally, only a nonresident alien individual may use the terms of a tax treaty to reduce or eliminate U.S. tax on certain types of income. However, most tax treaties contain a provision known as a "saving clause." Exceptions specified in the saving clause may permit an exemption from tax to continue for certain types of income even after the payee has otherwise become a U.S. resident alien for tax purposes.

If you are a U.S. resident alien who is relying on an exception contained in the saving clause of a tax treaty to claim an exemption from U.S. tax on certain types of income, you must attach a statement to Form W-9 that specifies the following five items:

1. The treaty country. Generally, this must be the same treaty under which you claimed exemption from tax as a nonresident alien.
2. The treaty article addressing the income.
3. The article number (or location) in the tax treaty that contains the saving clause and its exceptions.
4. The type and amount of income that qualifies for the exemption from tax.
5. Sufficient facts to justify the exemption from tax under the terms of the treaty article.

Example. Article 20 of the U.S.-China income tax treaty allows an exemption from tax for scholarship income received by a Chinese student temporarily present in the United States. Under U.S. law, this student will become a resident alien for tax purposes if his or her stay in the United States exceeds 5 calendar years. However, paragraph 2 of the first Protocol to the U.S.-China treaty (dated April 30, 1984) allows the provisions of Article 20 to continue to apply even after the Chinese student becomes a resident alien of the United States. A Chinese student who qualifies for this exception (under paragraph 2 of the first protocol) and is relying on this exception to claim an exemption from tax on his or her scholarship or fellowship income would attach to Form W-9 a statement that includes the information described above to support that exemption.

If you are a nonresident alien or a foreign entity not subject to backup withholding, give the requester the appropriate completed Form W-8.

What is backup withholding? Persons making certain payments to you must under certain conditions withhold and pay to the IRS a percentage of such payments. This is called "backup withholding." Payments that may be subject to backup withholding include interest, tax-exempt interest, dividends, broker and barter exchange transactions, rents, royalties, nonemployee pay, and certain payments from fishing boat operators. Real estate transactions are not subject to backup withholding.

You will not be subject to backup withholding on payments you receive if you give the requester your correct TIN, make the proper certifications, and report all your taxable interest and dividends on your tax return.

Payments you receive will be subject to backup withholding if:

1. You do not furnish your TIN to the requester,
2. You do not certify your TIN when required (see the Part II instructions on page 3 for details),
3. The IRS tells the requester that you furnished an incorrect TIN,
4. The IRS tells you that you are subject to backup withholding because you did not report all your interest and dividends on your tax return (for reportable interest and dividends only), or
5. You do not certify to the requester that you are not subject to backup withholding under 4 above (for reportable interest and dividend accounts opened after 1983 only).

Certain payees and payments are exempt from backup withholding. See the instructions below and the separate instructions for the Requester of Form W-9.

Also see *Special rules for partnerships* on page 1.

Updating Your Information

You must provide updated information to any person to whom you claimed to be an exempt payee if you are no longer an exempt payee and anticipate receiving reportable payments in the future from this person. For example, you may need to provide updated information if you are a C corporation that elects to be an S corporation, or if you no longer are tax exempt. In addition, you must furnish a new Form W-9 if the name or TIN changes for the account, for example, if the grantor of a grantor trust dies.

Penalties

Failure to furnish TIN. If you fail to furnish your correct TIN to a requester, you are subject to a penalty of \$50 for each such failure unless your failure is due to reasonable cause and not to willful neglect.

Civil penalty for false information with respect to withholding. If you make a false statement with no reasonable basis that results in no backup withholding, you are subject to a \$500 penalty.

Criminal penalty for falsifying information. Willfully falsifying certifications or affirmations may subject you to criminal penalties including fines and/or imprisonment.

Misuse of TINs. If the requester discloses or uses TINs in violation of federal law, the requester may be subject to civil and criminal penalties.

Specific Instructions

Name

If you are an individual, you must generally enter the name shown on your income tax return. However, if you have changed your last name, for instance, due to marriage without informing the Social Security Administration of the name change, enter your first name, the last name shown on your social security card, and your new last name.

If the account is in joint names, list first, and then circle, the name of the person or entity whose number you entered in Part I of the form.

Sole proprietor. Enter your individual name as shown on your income tax return on the "Name" line. You may enter your business, trade, or "doing business as (DBA)" name on the "Business name/disregarded entity name" line.

Partnership, C Corporation, or S Corporation. Enter the entity's name on the "Name" line and any business, trade, or "doing business as (DBA) name" on the "Business name/disregarded entity name" line.

Disregarded entity. Enter the owner's name on the "Name" line. The name of the entity entered on the "Name" line should never be a disregarded entity. The name on the "Name" line must be the name shown on the income tax return on which the income will be reported. For example, if a foreign LLC that is treated as a disregarded entity for U.S. federal tax purposes has a domestic owner, the domestic owner's name is required to be provided on the "Name" line. If the direct owner of the entity is also a disregarded entity, enter the first owner that is not disregarded for federal tax purposes. Enter the disregarded entity's name on the "Business name/disregarded entity name" line. If the owner of the disregarded entity is a foreign person, you must complete an appropriate Form W-8.

Note. Check the appropriate box for the federal tax classification of the person whose name is entered on the "Name" line (individual/sole proprietor, Partnership, C Corporation, S Corporation, Trust/estate).

Limited Liability Company (LLC). If the person identified on the "Name" line is an LLC, check the "Limited liability company" box only and enter the appropriate code for the tax classification in the space provided. If you are an LLC that is treated as a partnership for federal tax purposes, enter "P" for partnership. If you are an LLC that has filed a Form 9832 or a Form 2553 to be taxed as a corporation, enter "C" for C corporation or "S" for S corporation. If you are an LLC that is disregarded as an entity separate from its owner under Regulation section 301.7701-3 (except for employment and excise tax), do not check the LLC box unless the owner of the LLC (required to be identified on the "Name" line) is another LLC that is not disregarded for federal tax purposes. If the LLC is disregarded as an entity separate from its owner, enter the appropriate tax classification of the owner identified on the "Name" line.

Other entities. Enter your business name as shown on required federal tax documents on the "Name" line. This name should match the name shown on the charter or other legal document creating the entity. You may enter any business, trade, or DBA name on the "Business name/disregarded entity name" line.

Exempt Payee

If you are exempt from backup withholding, enter your name as described above and check the appropriate box for your status, then check the "Exempt payee" box in the line following the "Business name/disregarded entity name," sign and date the form.

Generally, individuals (including sole proprietors) are not exempt from backup withholding. Corporations are exempt from backup withholding for certain payments, such as interest and dividends.

Note. If you are exempt from backup withholding, you should still complete this form to avoid possible erroneous backup withholding.

The following payees are exempt from backup withholding:

1. An organization exempt from tax under section 501(a), any IRA, or a custodial account under section 403(b)(7) if the account satisfies the requirements of section 401(f)(2).
 2. The United States or any of its agencies or instrumentalities.
 3. A state, the District of Columbia, a possession of the United States, or any of their political subdivisions or instrumentalities.
 4. A foreign government or any of its political subdivisions, agencies, or instrumentalities, or
 5. An international organization or any of its agencies or instrumentalities.
- Other payees that may be exempt from backup withholding include:
6. A corporation.
 7. A foreign central bank of issue.
 8. A dealer in securities or commodities required to register in the United States, the District of Columbia, or a possession of the United States.
 9. A futures commission merchant registered with the Commodity Futures Trading Commission.
 10. A real estate investment trust.
 11. An entity registered at all times during the tax year under the Investment Company Act of 1940.
 12. A common trust fund operated by a bank under section 584(a).
 13. A financial institution.
 14. A middleman known in the investment community as a nominee or custodian, or
 15. A trust exempt from tax under section 664 or described in section 4947.

The following chart shows types of payments that may be exempt from backup withholding. The chart applies to the exempt payees listed above, 1 through 15.

IF the payment is for . . .	THEN the payment is exempt for . . .
Interest and dividend payments	All exempt payees except for 9
Broker transactions	Exempt payees 1 through 5 and 7 through 13. Also, C corporations.
Barter exchange transactions and patronage dividends	Exempt payees 1 through 5
Payments over \$600 required to be reported and direct sales over \$5,000 ¹	Generally, exempt payees 1 through 7 ²

¹ See Form 1099-MISC, Miscellaneous Income, and its instructions.

² However, the following payments made to a corporation and reportable on Form 1099-MISC are not exempt from backup withholding: medical and health care payments, attorneys' fees, gross proceeds paid to an attorney, and payments for services paid by a federal executive agency.

Part I. Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. If you are a resident alien and you do not have and are not eligible to get an SSN, your TIN is your IRS individual taxpayer identification number (ITIN). Enter it in the social security number box. If you do not have an ITIN, see *How to get a TIN* below.

If you are a sole proprietor and you have an EIN, you may enter either your SSN or EIN. However, the IRS prefers that you use your SSN.

If you are a single-member LLC that is disregarded as an entity separate from its owner (see *Limited Liability Company (LLC)* on page 2), enter the owner's SSN (or EIN, if the owner has one). Do not enter the disregarded entity's EIN. If the LLC is classified as a corporation or partnership, enter the entity's EIN.

Note. See the chart on page 4 for further clarification of name and TIN combinations.

How to get a TIN. If you do not have a TIN, apply for one immediately. To apply for an SSN, get Form SS-5, Application for a Social Security Card, from your local Social Security Administration office or get this form online at www.ssa.gov. You may also get this form by calling 1-800-772-1213. Use Form W-7, Application for IRS Individual Taxpayer Identification Number, to apply for an ITIN, or Form SS-4, Application for Employer Identification Number, to apply for an EIN. You can apply for an EIN online by accessing the IRS website at www.irs.gov/businesses and clicking on Employer Identification Number (EIN) under Starting a Business. You can get Forms W-7 and SS-4 from the IRS by visiting IRS.gov or by calling 1-800-TAX-FORM (1-800-829-3676).

If you are asked to complete Form W-9 but do not have a TIN, write "Applied For" in the space for the TIN, sign and date the form, and give it to the requester. For interest and dividend payments, and certain payments made with respect to readily tradable instruments, generally you will have 60 days to get a TIN and give it to the requester before you are subject to backup withholding on payments. The 60-day rule does not apply to other types of payments. You will be subject to backup withholding on all such payments until you provide your TIN to the requester.

Note. Entering "Applied For" means that you have already applied for a TIN or that you intend to apply for one soon.

Caution: A disregarded domestic entity that has a foreign owner must use the appropriate Form W-9.

Part II. Certification

To establish to the withholding agent that you are a U.S. person, or resident alien, sign Form W-9. You may be requested to sign by the withholding agent even if item 1, below, and items 4 and 5 on page 4 indicate otherwise.

For a joint account, only the person whose TIN is shown in Part I should sign (when required). In the case of a disregarded entity, the person identified on the "Name" line must sign. Exempt payees, see *Exempt Payee* on page 3.

Signature requirements. Complete the certification as indicated in items 1 through 3, below, and items 4 and 5 on page 4.

1. Interest, dividend, and barter exchange accounts opened before 1984 and broker accounts considered active during 1983. You must give your correct TIN, but you do not have to sign the certification.

2. Interest, dividend, broker, and barter exchange accounts opened after 1983 and broker accounts considered inactive during 1983. You must sign the certification or backup withholding will apply. If you are subject to backup withholding and you are merely providing your correct TIN to the requester, you must cross out item 2 in the certification before signing the form.

3. Real estate transactions. You must sign the certification. You may cross out item 2 of the certification.

4. Other payments. You must give your correct TIN, but you do not have to sign the certification unless you have been notified that you have previously given an incorrect TIN. "Other payments" include payments made in the course of the requester's trade or business for rents, royalties, goods (other than bills for merchandise), medical and health care services (including payments to corporations), payments to a nonemployee for services, payments to certain fishing boat crew members and fishermen, and gross proceeds paid to attorneys (including payments to corporations).

5. Mortgage interest paid by you, acquisition or abandonment of secured property, cancellation of debt, qualified tuition program payments (under section 529), IRA, Coverdell ESA, Archer MSA or HSA contributions or distributions, and pension distributions. You must give your correct TIN, but you do not have to sign the certification.

What Name and Number To Give the Requester

For this type of account:	Give name and SSN or:
1. Individual	The individual
2. Two or more individuals (joint account)	The actual owner of the account or, if combined funds, the first individual on the account ¹
3. Custodian account of a minor (Uniform Gift to Minors Act)	The minor ²
4. a. The usual revocable savings trust (grantor is also trustee) b. So-called trust account that is not a legal or valid trust under state law	The grantor-trustee ³ The actual owner ¹
5. Sole proprietorship or disregarded entity owned by an individual	The owner ⁴
6. Grantor trust filing under Optional Form 1099 Filing Method 1 (see Regulation section 1.671-4(b)(2)(i)(A))	The grantor ⁴
For this type of account:	Give name and EIN or:
7. Disregarded entity not owned by an individual	The owner
8. A valid trust, estate, or pension trust	Legal entity ⁴
9. Corporation or LLC electing corporate status on Form 8832 or Form 2553	The corporation
10. Association, club, religious, charitable, educational, or other tax-exempt organization	The organization
11. Partnership or multi-member LLC	The partnership
12. A broker or registered nominee	The broker or nominee
13. Account with the Department of Agriculture in the name of a public entity (such as a state or local government, school district, or prison) that receives agricultural program payments	The public entity
14. Grantor trust filing under the Form 1041 Filing Method or the Optional Form 1099 Filing Method 2 (see Regulation section 1.671-4(b)(2)(i)(B))	The trust

¹ List first and circle the name of the person whose number you furnish. If only one person on a joint account has an SSN, that person's number must be furnished.

² Circle the minor's name and furnish the minor's SSN.

³ You must show your individual name and you may also enter your business or "DBA" name on the "Business name/disregarded entity" name line. You may use either your SSN or EIN (if you have one), but the IRS encourages you to use your SSN.

⁴ List first and circle the name of the trust, estate, or pension trust. (Do not furnish the TIN of the personal representative or trustee unless the legal entity itself is not designated in the account title.) Also see Special rules for partnerships on page 1.

*Note. Grantor also must provide a Form W-9 to trustee of trust.

Note. If no name is circled when more than one name is listed, the number will be considered to be that of the first name listed.

Secure Your Tax Records from Identity Theft

Identity theft occurs when someone uses your personal information such as your name, social security number (SSN), or other identifying information, without your permission, to commit fraud or other crimes. An identity thief may use your SSN to get a job or may file a tax return using your SSN to receive a refund.

To reduce your risk:

- Protect your SSN,
- Ensure your employer is protecting your SSN, and
- Be careful when choosing a tax preparer.

If your tax records are affected by identity theft and you receive a notice from the IRS, respond right away to the name and phone number printed on the IRS notice or letter.

If your tax records are not currently affected by identity theft but you think you are at risk due to a lost or stolen purse or wallet, questionable credit card activity or credit report, contact the IRS Identity Theft Hotline at 1-800-908-4490 or submit Form 14039.

For more information, see Publication 4535, Identity Theft Prevention and Victim Assistance.

Victims of identity theft who are experiencing economic harm or a system problem, or are seeking help in resolving tax problems that have not been resolved through normal channels, may be eligible for Taxpayer Advocate Service (TAS) assistance. You can reach TAS by calling the TAS toll-free case intake line at 1-877-777-4778 or TTY/TDD 1-800-829-4059.

Protect yourself from suspicious emails or phishing schemes.

Phishing is the creation and use of email and websites designed to mimic legitimate business emails and websites. The most common act is sending an email to a user falsely claiming to be an established legitimate enterprise in an attempt to scam the user into surrendering private information that will be used for identity theft.

The IRS does not initiate contacts with taxpayers via emails. Also, the IRS does not request personal detailed information through email or ask taxpayers for the PIN numbers, passwords, or similar secret access information for their credit card, bank, or other financial accounts.

If you receive an unsolicited email claiming to be from the IRS, forward this message to phishing@irs.gov. You may also report misuse of the IRS name, logo, or other IRS property to the Treasury Inspector General for Tax Administration at 1-800-368-4484. You can forward suspicious emails to the Federal Trade Commission at: spam@uce.gov or contact them at www.ftc.gov/idtheft or 1-877-IDTHEFT (1-877-438-4338).

Visit irs.gov to learn more about identity theft and how to reduce your risk.

Privacy Act Notice

Section 6109 of the Internal Revenue Code requires you to provide your correct TIN to persons (including federal agencies) who are required to file information returns with the IRS to report interest, dividends, or certain other income paid to you; mortgage interest you paid; the acquisition or abandonment of secured property; the cancellation of debt; or contributions you made to an IRA, Archer MSA, or HSA. The person collecting this form uses the information on the form to file information returns with the IRS, reporting the above information. Routine uses of this information include giving it to the Department of Justice for civil and criminal litigation and to cities, states, the District of Columbia, and U.S. possessions for use in administering their laws. The information also may be disclosed to other countries under a treaty, to federal and state agencies to enforce civil and criminal laws, or to federal law enforcement and intelligence agencies to combat terrorism. You must provide your TIN whether or not you are required to file a tax return. Under section 3406, payors must generally withhold a percentage of taxable interest, dividend, and certain other payments to a payee who does not give a TIN to the payor. Certain penalties may also apply for providing false or fraudulent information.

Hospitals Eligible for Compensation

A portion of the Maddy Emergency Medical Services is to be distributed “only to hospitals providing disproportionate trauma and emergency medical care services.” The following Kern County hospitals are currently eligible to receive compensation from the Maddy EMS Fund:

- Bakersfield Heart Hospital
- Bakersfield Memorial Hospital
- Delano Regional Medical Center
- Kern Medical Center
- Kern Valley District Hospital
- Mercy Hospital
- Mercy Southwest Hospital
- Ridgecrest Regional Hospital
- San Joaquin Community Hospital
- Tehachapi Hospital

Hospital Claims Submission and Payment

Available funds will be distributed quarterly based upon the number of hospital emergency department visits which occurred during the prior quarter. **Hospitals must provide the number of hospital emergency department visits to the EMS Division no later than the last day of the month following the end of a quarter (Reporting Deadline), in order to be eligible to receive payment.** If all hospitals do not provide the information in a timely manner, funds will be distributed among the hospitals who have provided timely data.

Fiscal Year Claim and Payment Schedule		
Service Period	Reporting Deadline	Payments Processed
July 1- September 30	October 31	November
October 1- December 31	January 31	February
January 1- March 31	April 30	May
April 1- June 30	July 31	August

Please use the form provided on the following page (Page 19) for reporting. The form is also available on the EMS Division website at co.kern.ca.us/ems/emsfund.asp. Return the completed form to the Kern County Public Health Services Department, EMS Division, 1800 Mount Vernon Avenue, Bakersfield, CA 93306; fax to (661) 868-0225, or; e-mail to chantrya@co.kern.ca.us.

[AB 1328](#) ([Rodriguez, Michelle, D](#)) Medi-Cal reimbursements: nonemergency ambulance and other transportation.

Current Text: 07/17/2025 - Amended [HTML](#) [PDF](#)

Last Amended: 07/17/2025

Status: 08/29/2025 - Failed Deadline pursuant to Rule 61(a)(11). (Last location was APPR. SUSPENSE FILE on 8/18/2025)(May be acted upon Jan 2026)

Location: 08/28/2025 - Senate 2 YEAR

Summary: Existing law establishes the Medi-Cal program, which is administered by the State Department of Health Care Services and under which qualified low-income individuals receive health care services, including emergency or nonemergency medical or nonmedical transportation services. The Medi-Cal program is, in part, governed and funded by federal Medicaid program provisions. Under this bill, commencing on July 1, 2027, and subject to an appropriation, Medi-Cal fee-for-service reimbursement for nonemergency ambulance transportation services, as defined, would be in an amount equal to 80% of the amount set forth in the federal Medicare ambulance fee schedule for the corresponding level of service, adjusted by the Geographic Practice Cost Index, as specified. The bill would require the department to establish a Medi-Cal managed care directed payment program for nonemergency ambulance transportation services, with the reimbursement rates set in an amount equal to at least the amount set forth under fee-for-service reimbursement. The bill would require the department to maximize federal financial participation in implementing the above-described provisions to the extent allowable. To the extent that federal financial participation is unavailable, the bill would require the department to implement the provisions using state funds, as specified. This bill contains other related provisions and other existing laws. (Based on 07/17/2025 text)

[AB 1540](#) ([González, Mark, D](#)) 988 Suicide & Crisis Lifeline: LGBTQ+ youth.

Current Text: 03/19/2026 - Amended [HTML](#) [PDF](#)

Last Amended: 03/19/2026

Status: 03/23/2026 - Re-referred to Com. on C. & C.

Calendar: 04/15/26 A-COMMUNICATIONS AND CONVEYANCE 1:30 p.m. - State Capitol, Room 437 BOERNER, TASHA, Chair

Location: 03/17/2026 - Assembly Communications and Conveyance

Summary: Existing federal law, the National Suicide Hotline Designation Act of 2020, designates the 3-digit telephone number "988" as the universal number within the United States for the purpose of the national suicide prevention and mental health crisis hotline system operating through the 988 Suicide and Crisis Lifeline. Existing law, the Miles Hall Lifeline and Suicide Prevention Act, requires, among other things, the Office of Emergency Services (OES) to verify that technology that allows for transfers between 988 centers, as well as between 988 centers and 911 public safety answering points, is available to 988 centers and 911 public safety answering points throughout the state, to appoint a 988 system director, and to verify interoperability between and across 911 and 988. Existing law establishes the 988 State Suicide and Behavioral Health Crisis Services Fund and provides that 988 surcharge revenue in the fund is available, upon appropriation by the Legislature, for purposes of the act. This bill would require OES to, no later than June 1, 2027, request the federal Substance Abuse and Mental Health Services Administration (SAMHSA) to enable a press 3 function for calls originating in the State of California to

allow callers to dial 988 and press “3” to be automatically routed to a specialized call center. The bill would require OES to, no later than 12 months following the approval by SAMHSA, ensure that the specified technologies are available. This bill contains other related provisions and other existing laws. (Based on 03/19/2026 text)

AB 1558 (**Arambula, D**) **Uniform Emergency Volunteer Health Practitioners Act.**

Current Text: 01/08/2026 - Introduced [HTML](#) [PDF](#)

Status: 03/16/2026 - Referred to Com. on HEALTH.

Calendar: 04/21/26 A-HEALTH 1:30 p.m. - 1021 O Street, Room 1100 BONTA, MIA, Chair

Location: 03/16/2026 - Assembly Health

Summary: Existing law establishes the Emergency Medical Services Authority (EMSA) in the California Health and Human Services Agency to establish planning and implementation guidelines for emergency medical service systems, as specified. The guidelines are required to address, among other things, disaster response, and the authority is required to provide technical assistance to existing agencies, counties, and cities for the purpose of developing the components of emergency medical services systems. The EMSA is required to adopt rules and regulations, approved by the Commission on Emergency Medical Services, in order to carry out its duties. Existing federal law establishes the Emergency System for Advance Registration of Volunteer Health Professionals (ESAR-VHP) program to support states and territories in establishing volunteer registration programs for disasters and public health and medical emergencies. Pursuant to the ESAR-VHP program, the EMSA established the Disaster Healthcare Volunteers program to register volunteers in California. Existing federal law also establishes the Medical Reserve Corps to provide for an adequate supply of volunteers in the case of a federal, state, local, or tribal public health emergency, as specified. This bill would enact the Uniform Emergency Volunteer Health Practitioners Act, which would authorize the establishment of additional volunteer registration systems by additional entities. In this regard, the bill would require a registration system to be an ESAR-VHP program or a local unit of the Medical Reserve Corps, as specified, to be designated by the EMSA as a registration system, or to be operated by one of specified types of entities, including, among others, a disaster relief organization, as defined. The bill would require that a registration system be capable of supplying the EMSA with sufficient information concerning whether a volunteer is licensed to provide specified health or veterinary services in another state or territory of the United States and in good standing before that volunteer provides those services in this state while an emergency declaration is in effect, as specified. The bill would establish scope-of-practice standards for a registered volunteer health practitioner. The bill would authorize the EMSA to limit, restrict, or otherwise regulate, among other things, the duration of practice, the geographical areas in which volunteer health practitioners may practice, and any other matters necessary to coordinate the provision of health or veterinary services during the emergency. The bill would authorize the applicable licensing board and the host entity, as defined, to restrict or modify the health or veterinary services that a volunteer health practitioner may provide. The bill would require the EMSA and host entities to coordinate their activities with the Office of Emergency Services, as specified. This bill contains other related provisions and other existing laws. (Based on 01/08/2026 text)

AB 1607 (**González, Mark, D**) **Emergency medical services.**

Current Text: 03/26/2026 - Amended [HTML](#) [PDF](#)

Last Amended: 03/26/2026

Status: 04/06/2026 - Re-referred to Com. on PUB. S.

Calendar: 04/14/26 A-PUBLIC SAFETY 8:30 a.m. - State Capitol, Room 126 SCHULTZ, NICK, Chair

Location: 03/24/2026 - Assembly Public Safety

Summary: Existing law establishes the Maddy Emergency Medical Services (EMS) Fund and authorizes each county to establish an emergency medical services fund for reimbursement of costs related to emergency medical services. Existing law, until January 1, 2027, requires 15% of the fund to be used to, among other things, improve access to, and coordination of, pediatric trauma and emergency services, with specified preferences, and requires the cost of administering money deposited into the EMS Fund to be reimbursed from the money collected, as specified. Existing law, until January 1, 2027, authorizes county boards of supervisors to elect to levy an additional penalty, for deposit into the EMS Fund, in the amount of \$2 for every \$10 upon fines, penalties, and forfeitures collected for criminal offenses. Existing law, until January 1, 2027, requires 15% of the funds collected pursuant to that provision to be used to provide funding for pediatric trauma centers. This bill would extend the operative date of these provisions until January 1, 2037. This bill contains other existing laws. (Based on 03/26/2026 text)

[AB 1639](#) ([Davies, R](#)) California Drowning Prevention and Rescue Act.

Current Text: 04/06/2026 - Amended [HTML](#) [PDF](#)

Last Amended: 04/06/2026

Status: 04/07/2026 - Re-referred to Com. on E.M.

Location: 03/25/2026 - Assembly Emergency Management

Summary: Existing law requires specified lifeguards, firefighters, and peace officers to be trained to administer first aid and cardiopulmonary resuscitation (CPR), and requires the training to meet standards prescribed by the Emergency Medical Services Authority. Existing law requires, by January 1, 2027, a public safety agency that provides "911" call processing services for emergency medical response to provide prearrival medical instructions to "911" callers requiring medical assistance, including, among other things, CPR instructions for children and children and adults. Existing law also requires persons providing aquatic instruction at a public swimming pool to possess current certificates from an American Red Cross or a YMCA of the USA lifeguard training program, or have equivalent qualifications, as determined by the State Department of Public Health, and requires lifeguard service, as defined, to be provided for any public swimming pool that is of wholly artificial construction and for the use of which a direct fee is charged. This bill would clarify that CPR instructions, for purposes of the above-described "911" provision, also include CPR instruction in both ventilation and chest compressions for calls that involve a drowning victim. The bill would require the State Department of Public Health, in coordination with other specified state entities, to review and update the state's public communications efforts to ensure everyone in California is educated about the importance of CPR knowledge and how to obtain CPR training. This bill contains other related provisions. (Based on 04/06/2026 text)

[AB 1676](#) ([Stefani, D](#)) Mental health services: assisted outpatient treatment: involuntary medication.

Current Text: 03/24/2026 - Amended [HTML](#) [PDF](#)

Last Amended: 03/24/2026

Status: 04/06/2026 - In committee: Hearing postponed by committee.

Calendar: 04/14/26 A-HEALTH 1:30 p.m. - 1021 O Street, Room 1100 BONTA, MIA, Chair

Location: 03/16/2026 - Assembly Health

Summary: Existing law, known as Laura's Law, requires a county or group of counties to provide assisted outpatient treatment as part of mental health services, unless a county or group of counties opts out by a resolution passed by the governing body, as specified. For participating counties, existing law authorizes a court to order a person who is the subject of a certain petition to obtain assisted outpatient treatment if the court finds, by clear and convincing evidence, that various conditions are met, including, among others, that the person is experiencing a mental illness and that the person has a history of lack of compliance with treatment for their mental illness, as specified. Existing law sets forth certain rights of the person relating to the hearing and imposes conditions on an extension to an initial treatment order. This bill would authorize the county behavioral health director, or their designee, to file a petition for an order authorizing the use of involuntary psychotropic medication independent of, or concurrently with, a petition for assisted outpatient treatment. The bill would authorize a court to issue an order for the use of involuntary medication if the court finds, by clear and convincing evidence, that the facts stated in the required verified petition are true and establish that, among other things, a licensed mental health treatment provider has determined the person who is the subject of the petition has a serious mental disorder. The bill would specify rights that the person who is the subject of the petition is entitled to, including the right to demand a court or jury trial on the issue or issues of whether the person has a serious mental disorder, the person does not have the capacity to refuse treatment with psychotropic medications, or the psychotropic medications are necessary to prevent a relapse or deterioration that would be likely to result in grave disability or serious harm to the person or to others. The bill would provide the procedure for filing of the petition and setting of a trial date. The bill would prohibit any order for involuntary medication until the conclusion of the court or jury trial. The bill would authorize a licensed mental health provider who is a member of the assisted outpatient treatment services team to request that first responders take the subject of the petition into custody and transport the person, or cause the person to be transported, to a designated facility for the administration of the court-ordered medication if specified conditions are met. If the court grants the petition for involuntary psychotropic medication, the bill would require the county behavioral health director, or their designee, to file an affidavit with the court, as specified, affirming that the person who is the subject of the order continues to meet the criteria for the involuntary medication order and whether any medication changes pursuant to authorization occurred during the prior 60 days. By expanding the scope of the crime of perjury, this bill would impose a state-mandated local program. This bill contains other related provisions and other existing laws. (Based on 03/24/2026 text)

AB 1749 **(Dixon, R)** Interfering with wildfire suppression with drone.

Current Text: 03/19/2026 - Amended [HTML](#) [PDF](#)

Last Amended: 03/19/2026

Status: 04/03/2026 - In committee: Hearing postponed by committee.

Calendar: 04/14/26 A-JUDICIARY 8 a.m. - State Capitol, Room 437 KALRA, ASH, Chair

Location: 03/24/2026 - Assembly Judiciary

Summary: Existing law makes it a crime for a person to operate or use an unmanned aerial vehicle, remote-piloted aircraft, or drone at the scene of an emergency for the purpose of viewing the scene or emergency or military personnel, and thereby impede the emergency or military personnel, in the performance of their duties in coping with the emergency. Existing law excuses a local public entity or public employee from liability for damage to an unmanned aircraft or unmanned aircraft system, if the damage was caused while the local public entity or public employee of a local public entity was providing, and the unmanned aircraft or unmanned aircraft system was interfering with, the operation, support, or enabling of any emergency service, as specified. Existing law makes everyone responsible for an injury occasioned to another by their want of ordinary care or skill in the management of their property or person, as provided. This bill would prohibit a person from operating or using an unmanned aerial vehicle, remote-piloted aircraft, or drone to knowingly or recklessly interfere with a wildfire suppression or law enforcement or emergency response efforts related to a wildfire suppression. The bill would authorize the Attorney General or a county counsel or city attorney to bring civil action to enforce the prohibition and authorize a prevailing plaintiff to recover civil penalties, injunctive relief, or reasonable attorney's fees and costs, as specified. AB 1805 ([Ransom, D](#)) **Wireless service providers: network resiliency: minimum service levels.**

Current Text: 03/17/2026 - Amended [HTML](#) [PDF](#)

Last Amended: 03/17/2026

Status: 03/18/2026 - Re-referred to Com. on C. & C.

Location: 02/23/2026 - Assembly Communications and Conveyance

Summary: Existing law vests the Public Utilities Commission with regulatory authority over public utilities, including telephone corporations. Existing law requires the commission, in consultation with the Office of Emergency Services, to develop and implement backup electricity rules to require providers of telecommunications service to submit resiliency plans to maintain backup electricity for their telecommunications infrastructure sufficient to maintain telecommunications service for at least 72 hours, as provided. This bill would require each wireless service provider, as defined, operating a network located wholly or partially within a high fire threat district or high earthquake threat district to ensure the continuous capability to provide, during both normal and emergency conditions, specific minimum service levels, including, among other things, outbound access to 911 emergency services and receipt of emergency alerts and public safety notifications. The bill would require each wireless service provider to prepare, maintain, and implement a written network resiliency plan that includes specified elements, and to submit the network resiliency plan to the commission on or before April 1, 2027, and at least triennially thereafter, as specified. The bill would authorize the commission to impose fines, require corrective actions, or take any other authorized enforcement action for a failure to comply with these requirements or an approved network resiliency plan. This bill contains other related provisions and other existing laws. (Based on 03/17/2026 text)

AB 1832 ([Ransom, D](#)) **2-1-1 information and referral response system.**

Current Text: 03/19/2026 - Amended [HTML](#) [PDF](#)

Last Amended: 03/19/2026

Status: 03/23/2026 - Re-referred to Com. on C. & C.

Calendar: 04/15/26 A-COMMUNICATIONS AND CONVEYANCE 1:30 p.m. - State Capitol, Room 437 BOERNER, TASHA, Chair

Location: 03/19/2026 - Assembly Communications and Conveyance

Summary: Existing law vests the Public Utilities Commission (PUC) with regulatory authority over public utilities, including telephone corporations. Existing law requires local public agencies to establish a "9-1-1" emergency telephone number, as specified. Existing law also authorizes a local public agency to establish a nonemergency "3-1-1" telephone system. Under existing federal law, the Federal Communications Commission (FCC) has designated "2-1-1" to be the national abbreviated dialing code to provide access to nonemergency community information and referral services. Pursuant to authority delegated by the FCC to state regulatory bodies and its existing statutory authority, the PUC has established procedures for implementing 2-1-1 dialing in California. This bill would require the PUC to convene state emergency planning agencies and the 2-1-1 lead entity appointed by the PUC to establish communication channels between state emergency planning agencies, the 2-1-1 lead entity, and 2-1-1 providers and to integrate 2-1-1 into the state emergency planning and emergency communications processes, as provided. The bill would require the PUC to support 2-1-1 providers in, among other things, enhancing critical 2-1-1 system capacity and service quality through core operating support, providing equitable access to 2-1-1 dialing and services, publishing a statewide 2-1-1 community needs data dashboard for use by state agencies, developing aligned systems and protocols with 9-1-1 and 9-8-8, and implementing the duties of

the 2-1-1 lead entity, as provided. The bill would require the 2-1-1 entity to conduct statewide 2-1-1 system activities, provide funding, if available, to local 2-1-1 providers, and provide annual reports to the PUC, as specified. The bill would require the PUC to annually communicate 2-1-1 system funding needs to the Department of Finance and Governor's office for consideration in state budget planning. The bill would require the PUC to convene relevant state agencies, utilities, advocates, and persons involved in the 2-1-1 system to, among other things, evaluate current utility financial assistance, savings, and discount program awareness, referral practices, and outcomes, as provided. The bill would create in the State Treasury the 2-1-1 Fund to be used for purposes of these provisions. This bill contains other existing laws. (Based on 03/19/2026 text)

Status: 02/23/2026 - Referred to Com. on E.M.

Location: 02/23/2026 - Assembly Emergency Management

Summary: Existing law, the California Emergency Services Act (CESA), among other things, authorizes the Governor to proclaim a state of emergency in an area affected by or likely to be affected thereby, if specified conditions exist and either specified local officials request the Governor to make that proclamation, or the Governor determines that local authority is inadequate to cope with, the emergency. During a state of emergency, existing law confers on the Governor, to the extent the Governor deems necessary, complete authority over all agencies of the state government and the right to exercise within the area designated all police power vested in the state by the Constitution and laws of the state to effectuate the purposes of the CESA. This bill, instead, would authorize the Governor to exercise within the area designated all executive power vested in the state by the Constitution and laws of the state to effectuate the purposes of the CESA. This bill contains other related provisions and other existing laws. (Based on 02/11/2026 text)

Summary: Existing law establishes the Division of Labor Standards Enforcement within the Department of Industrial Relations. Existing law authorizes the division, which is headed by the Labor Commissioner, to enforce the Labor Code and all labor laws of the state, the enforcement of which is not specifically vested in any other officer, board, or commission. This bill would generally regulate the use of workplace surveillance tools and an employer's use of worker data. The bill would prohibit an employer from using certain workplace surveillance tools, including a workplace surveillance tool that incorporates facial, gait, or emotion recognition technology, except as specified. The bill would also prohibit an employer from using a workplace surveillance tool to infer specified categories of information about a worker, including, among others, their veteran status, ancestral history, religious beliefs, or disability status. The bill would require the Labor Commissioner to enforce the bill's provisions, would authorize an employee to bring a civil action for specified remedies for a violation of the bill's provisions, and would authorize a public prosecutor to enforce the provisions. The bill would subject an employer who violates the bill's provisions to a civil penalty of \$500 for each violation. The bill would define various terms for purposes of its provisions. [AB 1900](#) ([Kalra, D](#)) **Guaranteed Health Care for All.**

Current Text: 02/12/2026 - Introduced [HTML](#) [PDF](#)

Status: 02/13/2026 - From printer. May be heard in committee March 15.

Location: 02/12/2026 - Assembly PRINT

Summary: Existing federal law, the federal Patient Protection and Affordable Care Act (PPACA), requires each state to establish an American Health Benefit Exchange to facilitate the purchase of qualified health benefit plans by qualified individuals and qualified small employers. PPACA defines a "qualified health plan" as a plan that, among other requirements, provides an essential health benefits package. Existing state law creates the California Health Benefit Exchange, also known as Covered California, to facilitate the enrollment of qualified individuals and qualified small employers in qualified health plans as required under PPACA. This bill, the California Guaranteed Health Care for All Act, would create the California Guaranteed Health Care for All program, or CalCare, to provide comprehensive universal single-payer health care coverage and a health care cost control system for the benefit of all residents of the state. Under the bill, CalCare would be a health care service plan subject to Knox-Keene. The bill, among other things, would provide that CalCare cover a wide range of medical benefits and other services and would incorporate the health care benefits and standards of other existing federal and state provisions, including the federal Children's Health Insurance Program, Medi-Cal, ancillary health care or social services covered by regional centers for persons with developmental disabilities, Knox-Keene, and the federal Medicare Program. The bill would make specified persons eligible to enroll as CalCare members during the implementation period, and would provide for automatic enrollment. The bill would require the board to seek all necessary waivers, approvals, and agreements to allow various existing federal health care payments to be paid to CalCare, which would then assume responsibility for all benefits and services previously paid for with those funds. This bill contains other related provisions and other existing laws. (Based on 02/12/2026 text)

Current Text: 03/26/2026 - Amended [HTML](#) [PDF](#)

Last Amended: 03/26/2026

Status: 04/07/2026 - In committee: Set, final hearing. Hearing canceled at the request of author.

Location: 03/02/2026 - Assembly Public Safety

Summary: Existing law establishes the Board of State and Community Corrections and declares that the mission of the board is to provide statewide leadership, coordination, and technical assistance to promote effective state and local efforts and partnerships in California's adult and juvenile criminal justice system consistent with the statewide goal of improved public safety through cost-effective, promising, and evidence-based strategies for managing criminal justice populations. Existing law requires the board to establish minimum standards for local correctional facilities, including the safety of incarcerated individuals, and to biennially review and make appropriate revisions to those standards. This bill would require the board's standards to prohibit an incarcerated patient who is admitted to a hospital from being restrained by the use of mechanical restraints, as defined, while receiving an advanced level of medical services, as defined, except as specified. If there is an imminent physical threat while the incarcerated patient is in the hospital, the bill would require the standards to provide that a hospital may initiate their medical restraint process, as specified, and would prohibit the use of mechanical restraints by local correctional facility staff if there is an imminent physical threat while the incarcerated patient is in the hospital. The bill would authorize the use of mechanical restraints by state correctional facility staff or juvenile facility staff if an incarcerated adult or juvenile patient attempts to escape from the hospital, subject to certain requirements. This bill contains other related provisions and other existing laws. (Based on 03/26/2026 text)

[AB 1923](#) ([Soria, D](#)) Distressed Hospital Loan Program.

Current Text: 03/26/2026 - Amended [HTML](#) [PDF](#)

Last Amended: 03/26/2026

Status: 04/08/2026 - In committee: Set, first hearing. Hearing canceled at the request of author.

Calendar: 04/21/26 A-HEALTH 1:30 p.m. - 1021 O Street, Room 1100 BONTA, MIA, Chair

Location: 03/02/2026 - Assembly Health

Summary: Existing law requires the Department of Health Care Access and Information to administer the Distressed Hospital Loan Program, until January 1, 2032, which provides loans to not-for-profit hospitals and public hospitals in significant financial distress or to governmental entities representing a closed hospital to prevent the closure of, or facilitate the reopening of, those hospitals. Existing law requires the department to develop a methodology to evaluate an at-risk hospital's potential eligibility for state assistance from the program, and authorizes the methodology for determining financial distress to consider the hospital's prior and projected performance on financial metrics, as specified. Existing law requires a hospital or a closed hospital applying for aid under this program to provide, among other things, the California Health Facilities Financing Authority and the department with financial information demonstrating the hospital's need for financial assistance due to financial hardship. Existing law requires the department to issue the loan award to a qualifying hospital as soon as reasonably practicable following its eligibility determination. Existing law prohibits not-for-profit hospitals and public hospitals that belong to integrated health care systems with more than 2 separately licensed hospital facilities from being eligible for state assistance under the program. This bill would make any hospital, regardless of ownership type or system affiliation, eligible for state assistance under the program for awards provided on or after the effective date of this act, as specified, if it meets the applicable criteria for significant financial distress as established by the department and the authority. The bill would require the projections that determine financial distress to account for impacts of federal and state policy changes affecting hospital reimbursement or health care

coverage, including, but not limited to, the federal One Big Beautiful Bill Act. This bill contains other related provisions and other existing laws. (Based on 03/26/2026 text)

AB 2041 ([Carrillo, D](#)) **Emergency medical services.**

Current Text: 03/16/2026 - Amended [HTML](#) [PDF](#)

Last Amended: 03/16/2026

Status: 03/25/2026 - From committee: Do pass and re-refer to Com. on E.M. (Ayes 8. Noes 0.) (March 25). Re-referred to Com. on E.M.

Location: 03/25/2026 - Assembly Emergency Management

Summary: Existing law, the Warren-911-Emergency Assistance Act, requires every local public agency to establish within its jurisdiction a basic emergency telephone system that includes, at a minimum, police, firefighting, and emergency medical and ambulance services. Existing law establishes the Office of Emergency Services within the office of the Governor and requires the office to be responsible for the state's emergency and disaster response services, as specified. Existing law requires the office, at specified intervals, to consult with, among others, the State Fire Marshal and the State Department of Public Health in order to review and update technical and operational standards for public agency systems. Existing law requires a public safety agency that provides "911" call processing services for emergency medical response to, by January 1, 2027, provide prearrival medical instructions to "911" callers requiring medical assistance, as specified. This bill would require the office, as part of its review and update of technical and operational standards, to include updates to "911" call processing services that provide prearrival medical instructions. Location: 04/08/2026 - Assembly Communications and Conveyance

Summary: Existing federal law, the National Suicide Hotline Designation Act of 2020, designates the 3-digit telephone number "988" as the universal number within the United States for the purpose of the national suicide prevention and mental health crisis hotline system operating through the 988 Suicide & Crisis Lifeline.

Existing law, the Miles Hall Lifeline and Suicide Prevention Act, requires, among other things, the California Health and Human Services Agency (agency) to create, no later than December 31, 2024, a set of recommendations to support a 5-year implementation plan for a comprehensive 988 system. Existing law requires the agency to convene a state 988 advisory group for purposes of advising the agency on the set of recommendations and requires the recommendations to include specified information. Existing law requires the advisory group to meet at least once per quarter until December 31, 2024. Existing law authorizes the agency to disband the advisory group

on or after January 1, 2025. This bill would require the advisory group to meet at least once per quarter until December 31, 2029. The bill would authorize the agency to disband the advisory group on or after January 1, 2030. This bill contains other existing laws. (Based on 03/26/2026 text)

[AB 2131](#) ([Rubio, Blanca, D](#)) Hospitals: seismic standards.

Current Text: 02/18/2026 - Introduced [HTML](#) [PDF](#)

Status: 03/24/2026 - In committee: Hearing postponed by committee.

Location: 03/02/2026 - Assembly Health

Summary: Existing law, the Alfred E. Alquist Hospital Facilities Seismic Safety Act of 1983, establishes, under the jurisdiction of the Department of Health Care Access and Information, a program of seismic safety building standards for certain hospital buildings. Under existing law, a hospital building includes any building that is used, or designed to be used, for a health facility of a type required to be licensed, as specified. Under existing law, a hospital building does not include, among others, a freestanding building used, or designed to be used, as a congregate living health facility or a hospice facility. This bill would exempt a general acute care hospital from the requirements of the act if, among other things, the hospital building is a freestanding building used, or designed to be used, exclusively to provide extended hospital care to patients with complex medical and rehabilitative needs and the hospital building has met all the seismic requirements that a hospital was required to meet prior to January 1, 2021. [AB 2282](#) ([Alanis, R](#)) Health facilities: emergency medical services.

Current Text: 02/19/2026 - Introduced [HTML](#) [PDF](#)

Status: 04/06/2026 - In committee: Hearing postponed by committee.

Calendar: 04/21/26 A-HEALTH 1:30 p.m. - 1021 O Street, Room 1100 BONTA, MIA, Chair

Location: 03/09/2026 - Assembly Health

Summary: Existing law requires the State Department of Public Health to license and regulate various health facilities, including general acute care hospitals. Existing law requires the department to issue a special permit, in addition to a license, to a health facility to offer one or more special services, such as an emergency center, if specified requirements are met, including that the department finds that the standards of care and services are adequate and appropriate. Existing law requires the department to issue a special permit to allow a general acute care hospital to offer emergency stabilization services at a location that is neither inside nor contiguous to the applicant hospital if the hospital provides satisfactory evidence to the department that, among other things, the hospital has a written transfer agreement with the hospital closest to the location where emergency stabilization services will be provided and satisfactory evidence to the department that this location meets certain requirements, including that the location is in the town of Paradise within the County of Butte and serves the same area previously served by Feather River Hospital. This bill would require the department to issue a special permit, as specified, similar to the one issued above to allow a general acute care hospital to offer emergency stabilization services at a location that is neither inside nor contiguous to the applicant hospital if the hospital provides satisfactory evidence to the department that, among other things, the hospital has a written transfer agreement with the hospital closest to the location where emergency stabilization services will be provided and satisfactory evidence to the department that this location meets certain requirements, including that the location is in the City of Patterson in the County of Stanislaus and serves the same general population as is served by Del Puerto Health Care District. This bill would make legislative findings and declarations as to the necessity of a special statute for the City of Patterson in the County of Stanislaus. (Based on 02/19/2026 text)

Status: 04/08/2026 - Re-referred to Com. on PUB. S.

Calendar: 04/14/26 A-PUBLIC SAFETY 8:30 a.m. - State Capitol, Room 126 SCHULTZ, NICK, Chair

Location: 03/09/2026 - Assembly Public Safety

Summary: Existing law generally provides for the regulation of law enforcement agencies and requires specified law enforcement agencies to maintain policies on, among other things, use of force, hate crimes, and gun violence restraining orders. Existing law requires the Commission on Peace Officer Standards and Training to establish and keep updated a field training officer course relating to competencies of the field training program and police training program that addresses how to interact with persons with certain conditions. This bill would make it unlawful for a law enforcement officer to deny, delay, obstruct, or fail to facilitate access to medical evaluation or treatment for an individual in custody, detention, or under law enforcement control if it is safe and reasonable to provide access to treatment and a medical professional is present or has been requested. If access is denied or delayed when a medical professional is present, the bill would require law enforcement to provide written documentation for the basis of a denial within 72 hours of the incident, as specified. The bill would authorize administrative discipline, including suspension or termination, against a law enforcement officer who violates those provisions. The bill would require the Commission on Peace Officer Standards and Training to incorporate guidance on those provisions into law enforcement training curricula. By creating a new crime and by increasing the duties on local law enforcement relating to reporting, the bill would impose a state-mandated local program. This bill contains other related provisions and other existing laws. (Based on 04/07/2026 text)

[AB 2353](#) ([Pacheco, D](#)) Health Mandates Review Program.

Current Text: 03/16/2026 - Amended [HTML](#) [PDF](#)

Last Amended: 03/16/2026

Status: 03/17/2026 - Re-referred to Com. on HEALTH.

Location: 03/16/2026 - Assembly Health

Summary: Existing law requests the University of California to establish the California Health Benefit Review Program (CHBRP) to assess legislation proposing to mandate a health care benefit or service or repeal a mandated benefit or service and to prepare a written analysis. Existing law authorizes an appropriate policy or fiscal committee chairperson, the Speaker of the Assembly, or the President pro Tempore of the Senate to request that written analysis. Under existing law, a written analysis is requested to be provided to the Legislature not later than 60 days after a request for analysis is made. Existing law establishes the Health Care Benefits Fund, funded by an annual fee on health care service plans and health insurers, to support the University of California and CHBRP. This bill would request the University of California to establish the Health Mandates Review Program to assess legislation proposing to mandate new or additional services or activities for a designated provider, beginning no later than January 1, 2028. The bill would require the appropriate policy or fiscal committee within the legislation's house of origin to request the program to assess legislation if the legislation is expected to affect the operations of a majority of the state's hospitals, or a majority of hospitals within a recognized class of hospitals, by requiring specified actions. The bill would request the Health Mandates Review Program to provide a written analysis of the legislation, as specified, and would request that the analysis include information on specified impacts. The bill would request that the program publish an annual summary of legislation it analyzed and that it convene a workgroup of members with relevant expertise in hospital finance or operations to advise on the development and implementation of the program. This bill would establish the Health Care Mandates Fund in the State Treasury to support the University of California and its work in implementing the Health Mandates Review Program, including providing bill analyses. The bill would require the Department of Health Care Access and Information to annually transfer an unspecified amount from the California Health Data and Planning Fund to the Health Care Mandates Fund starting in the 2027–28 fiscal year. Location: 03/09/2026 - Assembly Emergency Management

Summary: Existing law, the California Emergency Services Act, sets forth the duties of the Office of Emergency Services with respect to specified emergency preparedness, mitigation, and response activities within the state. Existing law establishes the Public Safety Communications Division within the office and prescribes certain duties in regard to statewide public safety communications systems, including providing for coordination of, and comment on, plans, policies, and operational requirements from departments that utilize public safety communications in support of their principal function. This bill would make the above-described duties the exclusive responsibility of the division and prohibit a state public agency from performing those duties, subject to certain exceptions. The bill would require the division to serve as the primary authority for all statewide and interjurisdictional public safety communications, and to provide oversight, management, and ongoing coordination of all statewide public safety communications systems. The bill would require state public agencies to utilize the public safety communications systems established and maintained under these provisions. The bill would prohibit the division or a state public agency from entering into a contract for a technical, maintenance, or system support services without approval by the office. The bill would also prohibit a state public agency participating in the statewide public safety communications system from delegating, assigning, or entering into a contract for essential operation, duties, or functions of public safety communications, without approval or authorization from the office, as specified. The bill would require a state public agency, if it enters into a contract within the scope of work of the division staff, to notify the division's state bargaining representative immediately via email and make their best effort to connect with representative. Summary: Existing law, the Emergency Medical Services System and the Prehospital Emergency Medical Care Personnel Act, establishes the Emergency Medical Services Authority. Under existing law, the authority is responsible for the coordination and integration of all state activities concerning emergency medical services. Existing law requires local emergency medical services agencies to establish policies that govern, among other things, the transport and destination of patients within the emergency medical services system. This bill would require a law enforcement agency transporting a person to an emergency department to transport the person to the nearest appropriate emergency department, as defined, except as specified. The bill would require each law enforcement agency to submit a quarterly report to the authority containing specified information regarding transports conducted pursuant to these provisions, including, among other things, the origin location of the transported person. By imposing additional duties on local law enforcement agencies, this bill would impose a state-mandated local program. The bill would require the authority to publish the reports annually, as specified. The bill would require the authority to exercise regulatory oversight to implement and ensure compliance with these provisions and would authorize the authority to, among other things, conduct audits, as specified. The bill would authorize the Attorney General to bring a civil action for a violation of these provisions, as specified. The bill

would make related findings and declarations. This bill contains other related provisions. (Based on 03/23/2026 text)

Last Amended: 04/08/2026

Status: 04/09/2026 - Re-referred to Com. on E.M.

Location: 03/09/2026 - Assembly Emergency Management

Summary: Existing law, the California Emergency Services Act, establishes the Office of Emergency Services (OES) within the office of the Governor, and sets forth its powers and duties, including responsibility for addressing natural, technological, or manmade disasters and emergencies, including activities necessary to prevent, respond to, recover from, and mitigate the effects of emergencies and disasters to people and property. Existing law requires OES, in coordination with all interested state agencies with designated response roles in the state emergency plan and interested local emergency management agencies, to jointly establish by regulation a standardized emergency management system for use by all emergency response agencies, as specified. The act requires each local agency, in order to be eligible for any funding of response-related costs under disaster assistance programs, to use the standardized emergency management system to coordinate multiple-jurisdiction or multiple-agency operations, except that a local agency is eligible for repair, renovation, or any other nonpersonnel costs resulting from an emergency. This bill would require OES, on or before July 1, 2027, in consultation with certain entities, to develop an implementation plan for entering into a statewide master contract for a public alert and early warning software that is capable of supporting interoperable public safety alerting across state, regional, and local governmental entities. The bill would require the implementation plan, among other requirements, to include a draft request for proposal under which the public alert and early warning software, among other things, is interoperable across state, regional, and local governmental entities. The bill would require the office, upon completion of the implementation plan, to send the plan to the Assembly Committee on Emergency Management and the Senate Committee on Emergency Management. This bill contains other related provisions and other existing laws. (Based on 04/08/2026 text)

Location: 03/09/2026 - Assembly Emergency Management

Summary: Existing law, the California Emergency Services Act, requires the Office of Emergency Services, in coordination with all interested state agencies with designated response roles in the state emergency plan and interested local emergency management agencies, to jointly establish by regulation a standardized emergency management system for use by all emergency response agencies. The act requires the Office of Emergency Services to complete an after-action report within 180 days of a declared disaster, as provided. This bill would instead require the Office of Emergency Services to complete 2 after-action reports, the first within the first 180 days of a declaration of a state of emergency and the second no later than 180 days after a declared state of emergency ends, as provided. The bill would also require the office to draft annual written updates related to recovery activities, as provided. The bill would require the office to send both reports and any annual recovery updates to the Assembly and Senate Committees on Emergency Management, as provided. This bill would additionally require a city, county, or city and county to complete an after-action report no later than 120 days after a declaration of a local emergency and to make the report available to the Office of Emergency Services, among others, as provided. The bill would require the after-action report to include, among other things, information about the application of the standardized emergency management system. By imposing a new reporting requirement upon local agencies, this bill would impose a state-mandated local program. The bill would include findings that changes proposed by this bill address a matter of statewide concern rather than a municipal affair and, therefore, apply to all cities, including charter cities. This bill contains other related provisions. (Based on 04/07/2026 text)

[SB 987](#) [\(Weber Pierson, D\)](#) California Health Access Fund.

Current Text: 02/05/2026 - Introduced [HTML](#) [PDF](#)

Status: 03/27/2026 - Set for hearing April 13.

Calendar: 04/13/26 S-APPROPRIATIONS 10 a.m. - 1021 O Street, Room 2200 CERVANTES, SABRINA, Chair

Location: 03/26/2026 - Senate Appropriations

Summary: Existing law establishes the Medi-Cal program, which is administered by the State Department of Health Care Services and under which qualified low-income individuals receive health care services. The Medi-Cal program is in part governed by, and funded pursuant to, federal Medicaid program provisions. Existing federal law, enacted on July 4, 2025, sets forth various changes to different health care programs, including certain requirements for Medicaid eligibility with regard to work or community engagement reporting, redeterminations, and cost sharing, among other factors, for certain Medicaid populations pursuant to a specified implementation timeline. This bill would create the California Health Access Fund, to be administered by the department. Under the bill, moneys in the fund would include deposits, through any applicable transfers made by the Legislature,

equal to the amount of any savings to the state resulting from decreased enrollment in the Medi-Cal program caused by enrollment barriers created by the above-described federal law. Under the bill, moneys in the fund would, upon appropriation, be used to ensure that California residents losing health care coverage due to the impacts of the federal law or due to any other divestments from the health care system can continue to receive health care services and that health care providers are reimbursed for these services. SB 1323 **(Rubio, D)** Health care providers: patient access: immigration enforcement.

Current Text: 03/25/2026 - Amended [HTML](#) [PDF](#)

Last Amended: 03/25/2026

Status: 04/09/2026 - Set for hearing April 15.

Calendar: 04/15/26 S-HEALTH 1:30 p.m. - 1021 O Street, Room 1200 WEBER PIERSON, M.D., AKILAH, Chair

Location: 04/08/2026 - Senate Health

Summary: Existing law requires a health care provider entity, as defined, to designate areas where a patient is receiving treatment or care, or where a patient is discussing protected health information, as nonpublic, in order to enhance privacy available to facility users and promote a safe environment conducive to the facility's mission and patient care. Unless required by state or federal law, existing law prohibits a health care provider entity and its personnel from allowing any person access to the nonpublic areas of the facility for immigration enforcement purposes, unless that person has a valid judicial warrant or court order that specifically grants access to the nonpublic areas of the facility. Existing law requires a health care provider entity to inform staff and relevant volunteers on how to respond to requests relating to immigration enforcement that grants access to health care provider entity sites or to patients. This bill would also require a health care provider entity to inform staff and relevant volunteers on how to respond to requests by a person who is in lawful custody by immigration enforcement to notify a family member or designated support person about their current location. This bill contains other existing laws. (Based on 03/25/2026 text)

9. Annual EMCAB Agenda Summary

Emergency Medical Care Advisory Board Summary 2025

The Emergency Medical Care Advisory Board (EMCAB) was established pursuant to section 1797.270 et seq. of the California Health and Safety Code. EMCAB is advisory to the Kern County Board of Supervisors. EMCAB is made up of eleven primary members and alternates for each position representing various multi-disciplinary community organizations and consumers. EMCAB meets quarterly. Details regarding the topics below can be found on the Division's website at <https://kernpublichealth.com/ems-meeting-schedule/>

The following offers a summary of EMCAB actions for the calendar year 2025:

10 Annual EOA Reports

Annual Performance Report Summary Hall Ambulance 2025

Exclusive Operating Areas 1, 2, 3, 4, 8, 9 and 11

Operational Maps

Grounded in Health

Ordinance Compliance –

The ambulance provider’s extent of ordinance compliance, any notices of exceptions or instances of non-compliance and provider’s performance in curing those deficiencies.

In 2025, Hall Ambulance Service was out of compliance with Kern County Ordinance 8.12.170.E.7 by missing zone response time standards for multiple months. The company failed to meet mandatory response times in at least one contracted EOA during January, February, March, April, May, June, July, August, and October. Ongoing staffing shortages and higher call volumes contributed to these issues. However, in spite of these issues Hall Ambulance showed an overall response compliance of 93.16% which is a 2.30% increase from 2024.

Contract compliance –

The ambulance provider’s extent of contract compliance, any notices of exceptions or instances of non-compliance and provider’s performance in curing those deficiencies.

In 2025, Hall Ambulance Service was out of compliance with several agreements, failing to meet response time standards in at least one contracted EOA during nine months. The company faced staffing shortages and higher call volumes.

Sub-contracts-

The ambulance providers extent of sub-contracting or mutual aid.

Hall used Trinity Safety Company for temporary paramedics, ending their contract with Best Practice Medicine in March 2025. Trinity provided BLS ambulance staffing until November 2025, when improved staffing allowed Hall to discontinue their services.

Hall Ambulance Service provided Mutual Aid outside of their EOA’s on 209 occasions:

Ambulance Performance Standards Compliance –

The ambulance provider’s extent of compliance with performance standards, including response time compliance, any notices of exceptions or instances of non-compliance and provider’s performance in curing those deficiencies.

Response time compliance is complex; there are 25 categories of response time compliance that must be met each month. In addition, there are three other categories of response compliance we measure to ensure that advanced life support (ALS) units are predominately used in the system for pre-hospital emergency calls. See Annual Ambulance Response Time Compliance reports for total call volume, response time compliance, Out of Service Area responses, and Mutual Aid Given, for the calendar year.

In 2025, Hall Ambulance Service reached over 500 employees for the first time, following aggressive recruitment. Staff increases supported Bakersfield and led to new 12-hour units in Mettler, Arvin, Wasco, Taft, and extra 24-hour coverage in Tehachapi and Lamont, anticipating higher demand with the Hard Rock Casino opening.

Grounded in Health

Turned Calls-

A *turned call* occurs when an ambulance service fails to respond to a call within its EOA and another agency must respond from outside of the area.

In 2025, Hall Ambulance received mutual aid on three occasions, two in EOA 4 and one in EOA 11.

Data Reporting –

Ambulance provider's extent of cooperation in the submission of required and/or requested data

In 2025, Hall Ambulance Service provided all ePCR data as mandated by statute and all data requested by the county.

Customer Service Performance –

Demonstrating the ambulance provider's efforts and acumen at providing customer service. The components of this section will include:

Inquiry and Compliant Tracking Database –

Date	Incident#	Concern Type	Received from	Concern	Outcome
1/2/2025	87569	lost belongings	hospital staff	crew failed to transport the patient's wheelchair with the patient.	The crew stated they did not have possession, but admitted they did not look for his belongings on scene. Crew at fault and could have done a better job.
1/3/2025	87571	Rude behavior	patient	stated the male EMT was rude and asked unnecessary questions	EMT did not ask questions. Assessment performed my female PM. Questions were deemed appropriate
1/4/2025	87578	Bedside manner	family	The crew failed to wait for pt's wife to bring out the pt's belongings	The crew stated they were handed some belongings on-scene and thought that was all they were supposed to take. They loaded the patient and never saw anyone else outside, so they transported. Crew not at fault.
1/11/2025	87614	Customer Service	Customer	Rude behavior	The crew was not at fault. The patient and friend were yelling at the fire department and mad at the crew because the fire department responded to the call as well.
1/11/2025	87620	Bedside manner	family	Rude behavior	The EMT was at fault and did make a comment about getting sick. The EMT was coached on behavior
1/13/2025	87630	Customer Service	patient	Crew did not interact with patient during transport, and he felt all alone in the back of the ambulance	This call was handled by Trinity Safety and the concern was turned over to them.
1/13/2025	87632	Customer Service	Medical Staff	Poor care provided to patient	The call was reviewed and coaching provided
1/16/2025	87650	Customer Service	family	Family stated the paramedic accused the patient of faking.	The crew denied making the comment of the patient faking. I reminded the crew that words can have different meanings or understandings and they had to be mindful of how they word sentences or statements.

Grounded in Health

1/20/2025	87669	Customer Service	family	upset the crew tried to prevent the family member from going with patient	Crew stated they transported the patient and the family member never said anything about not transporting. The patient has yet to return my calls.
1/21/2025	87673	Negative Attitude	family	rude behavior to bystanders.	I spoke with both crew members, and they stated the bystander was aggressive and was trying to enter the ambulance and check for a patient. They denied making any rude comments to the bystander.
1/23/2025	87682	Attitude	KC Fire	Rude behavior and attitude	Met with employees and discussed the concern. Employees were advised to change behavior. Disciplinary action taken.
1/24/2025	87685	Customer Service	family	The PM had an attitude with family	This was a TWF employee and their contact ended
2/2/2025	87737	Customer Service	Family	Transported family member to the wrong facility	crew stated due to patient status they diverted to AVB. In this case the patient should have been transported to Memorial as requested. The crew coached on destination decisions. this was a crew error
2/2/2025	78740	Customer Service	Family	Upset the crew left the patient at Oak and Truxtun.	Crew did exactly what the patient requested. The patient requested to get out of the ambulance and was becoming hostile towards the crew. The patient unbuckled himself and then exited the ambulance
2/4/2025	87755	Customer Service	bystander	The calling party was upset about the sirens on the ambulance. Stated ambulance crews were purposefully tracking him and harassing him.	The patient had mental health issues, and he was referred to BPD. Concern not founded
2/7/2025	87775	Bad Driving	other driver	stated the ambulance crew cut him off.	Reviewed the video and the crew did not act unsafe. Concern not founded
2/11/2025	87790	Customer Service	patient	Stated he was upset the crew lost his wheelchair	The patient never had a wheel chair and the wheel chair he was using belonged to 1611 Height Street - Height Service Board and Care.
2/11/2025	87792	Negative Attitude	Family	Family upset with the way the paramedic talked to them and the patient	Both crew members stated the family was aggressive on scene and Alfredo asked the family several times to step back so he could talk with the patient. The concern was deemed unfounded.
2/11/2025	87793	Customer Service	Family	Family upset the crew moved the patient after being pronounced deceased.	The patient was loaded with CPR being performed and the patient was pronounced during transport not on scene.
2/18/2025	87829	Negative Attitude	Family	upset with the way the crew spoke with the patient and the family on scene of the call.	When speaking with Jennifer about the patient interaction, she stated that she was nothing but kind and professional to the patient, speaking with her on scene about her complaint and trying to obtain any pertinent medical history for the current events. Jennifer said she was trying to reassure the patient that at her age, with no prior history of seizures, that a new onset was unlikely unless there was recent trauma. The patient was offered transport to the ER and taken without incident. Jennifer said that she was not told about any recent biopsy on the patient's arm and would not have made an IV attempt near a biopsy site. She also said that when they arrived at the ER, Dr. Ellis came over to talk with the crew and patient and had poor bedside manners and caused the patient to become irritated.

Grounded in Health

2/22/2025	87858	Customer Service	Family	Family stated the crew treated the patient rudely	The paramedic was attempting to educate the patient. He could have handled this call better and the concern was founded
2/24/2025	87871	Type of response	patient	The patient upset the crew responded to code 2 to the call	The crew was dispatched code two. The EMD system was explained to the patient
3/3/2025	87926	lost item	patient	patient upset that we lost his wheelchair. He has called several times	The wheelchair did not belong to him and it belonged to the facility where the patient was located. He was told the wheelchair did not belong to him by us as well as the facility and his social worker. No fault.
3/8/2025	87952	upset about service	patient	patient stated she was transported against her will.	Patient was altered and family requested the transport
3/9/2025	87957	rude behavior	patient	upset about the treatment rendered by paramedic	The concern was unfounded
3/10/2025	87960	upset about service	family	upset the paramedic told the patient to go to urgent care	The patient asked about the urgent care and medic stated her vitals were good and she could go there. Medic stated there was person on the phone that kept trying to ask him questions and he stated he would not give information due to HIPPA. No errors by crew
3/12/2025	87974	Bedside manner	patient	The patient upset and stated crew hurt her back	The crew responded for reported seizure and the patient was carried to the gurney via a mega mover. No incidents occurred while moving patient and concern was not founded. Two attempts were made to call patient back with no way to leave a message.
3/12/2025	87976	driving	other driver	The patient stated the crew was rude and using their siren inappropriately and laughing at him.	Crew found at fault and issued reprimands
3/13/2025	87981	Customer Service	staff	staff stated the crew made rude comments about patient	concern was found and employee educated on behavior
3/21/2025	88024	Customer Service	patient	upset the crew restrained him	The crew's actions were appropriate and no fault
3/23/2025	88036	Customer Service	Family	Rude behavior - Trinity Safety crew	Concern still pending outcome. M. Smith working with TS on concern
3/26/2025	88063	Customer Service	family	family upset they could not ride with patient and PM had attitude	Employee coached on how she approaches patient
4/7/2025	88105	Bedside manner	customer	Felt the crew member was acting too much like a doctor and should have hold comments to themselves about her illness	Crew member could have been more professional while interacting with patient
4/10/2025	88113	Customer Service	family	Felt the crew was not empathic to her family member's medical complaint and acted as if they did not want to transport the patient.	The crew was at fault and coached my manager.
4/15/2025	88153	Bedside manner	Customer	concerned how the crew member handled the patient's broken leg	crew failed to apply a splint prior to moving patient.

Grounded in Health

4/25/2025	222	Customer Service	family	Stated the crew was rude on scene of the call and felt the MD on Tele911 was not listening to her or the patient. Stated the crew refused to transport	Concern was not founded

10/22/2025	1552	Bed Side Manner	Customer	crew was rude and disrespectful	Concern unfounded
10/23/2025	1559	Bed Side Manner	Customer	Crew kept making fun of her weight - stated the paramedic did a great job. It was the TSC crew that was rude	The concern was founded and the TSC crew could have done a better job with pt interaction
10/23/2025	1560	Customer Service	Family	Upset the crew transported to facility other than requested.	Crew at fault and destination policy reviewed
10/24/2025	1564	Customer Service	Customer	upset the crew asked if she was under the influence	Crew stated they asked once and when the patient was in back of ambulance. No error by crew
10/24/2025	1565	Driving	Other	complaint about driving and unsafe lane change	Video reviewed and unable to find any incident in which the crew made an unsafe lane change or driving unsafe.
10/31/2025	1492	Bed Side Manner	Customer	stated the crew opened the door of the ambulance and it hit the gurney causing the patient to now have medical issues. Incident occurred in September, almost two months earlier.	The concern was turned over to Markel Insurance for review - still pending action
10/1/2025	1407	Customer Service	Customer	pt upset they received a bill from Tele911. pt stated the crew told her it would be free.	Crew did not tell the patient it would be free and told the patient they would receive a bill separate from Hall Ambulance. No error by crew
10/1/2025	1411	Customer Service	Customer	upset that they were transported to Tehachapi ER and not AVMC.	Pt requested Tehachapi and that is where the crew took the patient. Pt now upset they did not have a ride home from the ER. No error by crew
10/2/2025	1419	Bed Side Manner	Customer	pt stated the crew was rough with him and hit him.	The concern was no founded
10/6/2025	1448	Neg Attitude	Family	Complaint the paramedic was rude and hateful	Pt upset the paramedic recommend a cardiac facility for chest pain and the patient wanted to go to MSW. The crew never refused service or transport and even told pt they would take them to MSW.

Grounded in Health

1800 Mt. Vernon Ave., Bakersfield, CA. 93306 | 661.321.3000 | www.kernpublichealth.com

10/7/2025	1458	Customer Service	Bystander	stated the ambulance never arrived on scene for dog bite	I spoke with the patient and discussed the call. The ambulance did arrive on scene and the patient had already transported themselves POV prior to the arrival of the ambulance. The fire department spoke with the crew and canceled the ambulance. I shared this with the patient and they stated they were sorry and the crew did nothing wrong
10/13/2025	1505	Customer Service	Family	stated the patient should have been transported to Adventist Bakersfield and not BMH.	Advised family the patient made the request and the crew followed their request of Memorial. No error by crew
11/5/2025	1645	poor Customer Service	Customer	Stated crew was rude and poked her several times when establishing an IV. Stated the crew placed something in her nose and caused her to bleed.	Paramedic stated established IV on second attempt. An NPA was placed to protect airway. No error by crew
11/10/2025	1666	Negative Attitude	Customer	upset the crew was taking photos on scene of the call.	Photos were not taken by crew or fire department. KCSO took photos of injury.
11/12/2025	1667	Negative Attitude	Medical Facility	Staff upset about the crew's attitude.	Employee coached by supervisor on his interaction with staff members- Crew could of handled call better.
11/14/2025	1678	poor Customer Service	Customer	upset the crew told the hospital about her canceling a medical appointment. Pt felt this was none of the hospital's business and the crew should not have said anything. Attempted to call patient twice without a return call.	In speaking with Juan, he stated the patient was upset that he told the hospital the patient had canceled a medical appointment. The patient then refused further treatment or transport and asked to be let out of the ambulance. Both employees stated they even tried to get the family involved to help calm the patient down.
11/16/2025	1698	poor Customer Service	Family	Family upset the crew did not act in an urgent manner. Placed the patient in the rain to perform treatment, and they did nothing for the seizures.	The patient recently had neck surgery and had a c-collar in place. The pt wanted a pillow and stated his neck was hurting. PM was worried about a neck injury and no pillow was given or collar removed. The patient was carried to gurney and loaded into ambulance without delay. No seizure activity per crew during transport. Tx was appropriate and crew did nothing incorrect.
11/18/2025	1723	Upset about billing	Customer	This was not a complaint on Hall and pt was confused about billing	No complaint
11/20/2025	1734	Negative Attitude	medical facility	person in hospital stated crew bumped her while wheeling a pt through the ED. Stated the crew never apologized.	We were never able to speak with the person concerning the concern. Crew denied ever bumping person
11/22/2025	1751	poor Customer Service	staff	Staff upset at way paramedic treated patient and spoke with staff.	Concern was founded and employee's employment discontinued.
11/25/2025	1758	poor Customer Service	Family	Upset the crew did not transport the patient or use Tele911	Crew at fault and Tele911 should have been used in this case. Crew educated on policy by supervisor
11/30/2025	1790	poor Customer Service	family friend	upset the patient was transported to AVMC and not Palmdale.	No error by crew. The crew transported the patient where he requested and the friend's request.
11/30/2025	1791	poor Customer Service	Customer	upset he was transport to Mercy and not Memorial	Crew stated pt was upset he had to go to the waiting room. In speaking with pt, he stated he no longer had any concerns about the service provided

Grounded in Health

12/14/2025	1849	Customer Service	Customer	upset the crew did not give her a shot for pain.	This was a BLS call and the crew could not give pain medication. The call was reviewed and the treatment was appropriate. I attempted to contact patients twice with no response.
12/16/2025	1856	Customer Service	Family	Upset about the lack of care provided by paramedic	The concern was founded and disciplinary action taken
12/19/2025	1878	Customer Service	Medical Facility	Felt the paramedic talked the patient out of going to the hospital	PM TWF paramedic. He stated he did not talk to anyone about going to the hospital. The patient was refusing. The call was also submitted to Mike Slaten with Trinity.
12/20/2025	1882	Customer Service	care giver	rude behavior	employee coached by admin
12/27/2025	1939	Customer Service	medical Facility	Destination decision	The patient was transported to the facility of request. No errors by crew
12/28/2025	1942	Bedside Manner	Customer	Upset the crew walked her to the ambulance and stepped into the ambulance.	crew found at fault and more compassion should have been shown to patient. Our policy is to not walk patients.
12/29/2025	1954	Customer Service	Family	Felt crew member was rude	Family members were aggressive on scene towards crew. As soon as I pointed this out to the family members, they stated they agreed.
12/29/2025	1955	Customer Service	Family	Felt crew was rude and professional	Concern was not founded. Family upset about the waiting room.
12/22/2025	1956	Customer Service	Family	Upset the crew gave the wrong information to the hospital	Family stated they were wrong and now understand what happened. They do not have any further concerns about the service
12/30/2025	1964	Customer Service	Family	upset vital signs were not taken at residence	Vitals were taken at residence. Family stated that a bystander gave her second hand information. She stated she felt the service was good and she did not have any further questions

Customer Survey –

If the Program required a customer service survey be conducted, the results of the survey shall be included.

The Program did not request a customer service survey in 2025.

Clinical Performance –

Ambulance provider's extent of compliance with the clinical performance requirements in the following categories:

Maintains all required clinical equipment in good working order.

Hall Ambulance operates a fleet of 110 ambulances, along with 10 Suburban Paramedic Field Supervisor Units and 11 Explorer Medic First Response Units. They adhere to all county policies, procedures, and protocols, ensuring that all required equipment is properly maintained.

Additionally, Hall Ambulance Service cares for various clinical devices and follows the manufacturers' recommendations for preventive maintenance.

Grounded in Health

They maintain:

- 71 Zoll X-Series Monitors, including three designated as critical care monitors
- 37 AEDs (Automated External Defibrillators)
- 3 Hamilton T1 transport ventilators
- 11 Sapphire IV Pumps

Adherence to clinical protocols

In 2025, there were no issue with Hall Ambulance Service staff regarding clinical protocols.

Quality Improvement Process

Hall Ambulance Service has a robust Quality Improvement (QI) program and fully cooperates with the County on all QI requests.

Qualifications of clinical personnel (including certifications and continuing education)

All Hall Ambulance Service staff are state-certified and locally accredited and therefore qualified to provide proper patient care. All primary teaching staff at the Harvey L. Hall EMS Academy have achieved either associate or bachelor's degrees and have completed the National Association of EMS Educators comprehensive 40-hour educators course .

Emergency Medical Dispatch (EMD) Quality Assurance (QA) compliance

Hall Ambulance Service is currently the only ambulance dispatch agency in the county. They contract to dispatch all existing ambulance providers including Liberty Ambulance Service, Pro Safety and Rescue and Trinity Safety and Rescue. They have a robust Quality Assurance program and have been awarded Accredited Center of Excellence (A.C.E.) by the International Academics of Emergency Medical Dispatch.

In March of 2025 Hall Ambulance held a ribbon cutting ceremony announcing the opening of the new Nedra E. Thompson Communication Center. The year-long project features all new workstations and nearly doubled the size of the previous center. The center was named after the late Nedra E. Thompson, honoring her lengthy career as a dispatcher with Hall Ambulance and her commitment to the community.

Participation in County clinical processes

Hall Ambulance Service staff participate in all required projects, committees, and task forces.

Grounded in Health

Active participation in Program projects, committees, task forces, etc.

Hall Ambulance Staff participated in all required projects, committees, and task forces.

Tele911

Ambulance provider's extent of use of the Tele911 system

Tele911 allows for the emergency crew on scene to contact a physician via cell phone or tablet allowing the patient to be treated in their home without the need for transport to a local hospital. In 2025, Hall Ambulance Service saw a significant increase in the use of Tele911. It was utilized on 4,734 occasions with 4,024 or 85% of those patients being treated at home without transport to a local hospital.

First Response, Tiered System (Fly Car) -

The addition of Advanced Life Support, First Response vehicles in our system has had a very positive effect on the ambulance providers ability to clear hospitals and scenes and remain

Grounded in Health

1800 Mt. Vernon Ave., Bakersfield, CA. 93306 | 661.321.3000 | www.kernpublichealth.com

available for those patients that truly need medical assistance. In 2025, Hall Ambulance Service deployed 13 ALS first response vehicles and have 4 new Ford Explorers in the build process.

Community Services

Ambulance provider's extent of community participation

Hall Ambulance Service remains extremely active in our communities as evidenced by the extensive community service list provided. Members of management are also active with the Bakersfield Westchester Kiwanis Club, Kiwanis Club of Taft, Kiwanis Club of Delano, and the Kiwanis Club of Arvin/Lamont.

Hall Ambulance Service celebrated the birthday of the company mascot, Siren the Rescue Dog on January 16, 2025. Siren the Rescue Dog mascot attends many events throughout the year and Hall Ambulance staff handed out more than 3500 Siren the Rescue Dog plushies in 2025 to help comfort their patients and/or families.

Hall Ambulance Milestones

Hall Ambulance Celebrated the following Milestones in 2025:

- 20th Birthday of Siren the Rescue Dog with her makeover unveiling on January 16th, 2025.

Grounded in Health

1800 Mt. Vernon Ave., Bakersfield, CA. 93306 | 661.321.3000 | www.kernpublichealth.com

- 50th Anniversary of implementing the first paramedic level of care in Kern County on February 24, 2025.
- 50 years of service to the Community of Arvin and held a celebration for the residence of the community to attend on March 1, 2025.
- 30 years of service to the community of Taft on March 6, 2025.
- Ribbon cutting for the new Nedra E. Thompson Communications Center on March 28, 2025
- Completing the 50th EMT Class of the Harvey L. Hall EMT Academy on October 1, 2025.

Summary

Staffing continue continued to be an issue for Hall Ambulance Service as well as increased call volumes as primary care physician appointments were difficult to obtain in a timely manner causing more patients to engage the 911 system. As a result of these and other factors Hall Ambulance Service struggled with response times. John Surface, Chief Executive Officer, and Myron Smith, Vice President of Operations, did an outstanding job in 2025 balancing the system by bringing in resources from outside the county and state to improve responses.

Hall Ambulance response numbers are improving, they continue to contract with local resources in an effort to maintain staffing levels until they return to full staffing. Hall Ambulance is actively working to add staffing by hosting multiple EMT and Paramedic academy's each year. They have also offered a large signing bonus in an attempt to entice EMTs and Paramedics to the area as well as increasing their base pay to all employees in an attempt to retain and attract staff. Hall Ambulance Service maintains a fleet of 130 ambulances and first response vehicles 24 hours per day and are in the process of increasing these numbers to help meet the need.

Grounded in Health

Annual Performance Report Liberty Ambulance 2025

Exclusive Operating Areas 6 and 7

Operational Maps

Grounded in Health

Ordinance Compliance –

The ambulance provider's compliance with Kern County Ordinance Code, any notices of exceptions or instances of non-compliance, and performance in curing deficiencies.

Liberty Ambulance Service missed response time standards in EOA 7 during September and December, but this did not violate Kern County Ordinance 8.12.170.E.7, which requires missing standards for three consecutive months or four times in a year.

Despite staffing shortages and higher call volumes in both EOAs, Liberty Ambulance Service maintained ordinance compliance in 2025.

Contract compliance –

The ambulance provider's compliance with County contract, any notices of exceptions or instances of non-compliance, and performance in curing deficiencies.

Although Liberty Ambulance Service missed response time standards in EOA 7 for September and December, these did not violate Agreements 873-2006 and 460-2020 Section 3.1.4, which require repeated failures over three consecutive months or four within a year.

Despite staffing shortages and higher call volumes in both EOAs, Liberty Ambulance Service maintained contract compliance in 2025.

Sub-contracts –

The ambulance provider's sub-contracting or mutual aid.

In 2025, Liberty Ambulance Service did not engage in sub-contracting of staff or vehicles.

Liberty Ambulance Service provided mutual aid outside of their EOAs on 302 occasions:

Ambulance Performance Standards Compliance –

The ambulance provider’s compliance with performance standards, including response time compliance, any notices of exceptions or instances of non-compliance, and performance in curing deficiencies.

Response time compliance is complex; there are 25 categories of response time compliance that must be met each month. In addition, there are three other categories of response compliance we measure to ensure that advanced life support (ALS) units are predominately used in the system for pre-hospital emergency calls. See Annual Ambulance Response Time Compliance reports for total call volume, response time compliance, Out of Service Area responses, and Mutual Aid Given, for the calendar year.

While staffing shortages remain a challenge, Liberty Ambulance continued to work to recruit new paramedics throughout 2025. Liberty Ambulance has a continued partnership with Bakersfield College and has entered into a partnership with Antelope Valley College to educate and recruit more paramedics for Liberty Ambulance and the Kern County EMS system. Liberty Ambulance has added a 24-hour ambulance in the Mt. Mesa area of the Kern River Valley to more efficiently provide service in EOA 6 and improve response times for transfers to Kern Valley Hospital. Liberty Ambulance utilized the Critical Care Paramedic protocol to provide CCT services via ground ambulance based in Ridgecrest. Implementation of a fly car in each area has improved response times, especially in the Ridgecrest area.

Turned Calls –

A *turned call* occurs when an ambulance service fails to respond to a call within its EOA and another agency must respond from outside of the area.

In 2025, Liberty Ambulance Service received no mutual aid assistance in Kern County.

Data Reporting –

Ambulance provider’s cooperation in the submission of required and/or requested data.

In 2025, Liberty Ambulance Service provided all ePCR data as mandated by statute and all data requested by the county.

Customer Service Performance –

Ambulance provider’s efforts and acumen at providing customer service, including: Inquiry and Compliant Tracking Database –

Date:	Source:	Type:	Outcome:
1/2/2025	Pt. Family	Customer Service	No purse documented in the PCR, crews on duty checked units and it is not present.

1/7/2025	Hospital	Clinical	Cooldown period de-escalation
3/12/2025	Pt. Family	Clinical	fire department had an issue. Advised crew members to always remain professional and courteous. No further action.
4/27/2025	Law Enforcement	Clinical	Erratic Driving - Written Warning/Remedial Training
5/1/2025	Law Enforcement	Clinical	Employee Resigned
6/16/2025	Hospital	Clinical	Delayed Pt. Transfer - Unfounded

Customer Survey – If the Program required a customer service survey be conducted, the results of the survey shall be included.

The Program did not request a customer service survey in 2025.

Clinical Performance –

Ambulance provider’s compliance with the clinical performance requirements in the following categories:

Maintains all required clinical equipment in good working order

Liberty Ambulance Service maintains a fleet of 8 ambulances, 2 Paramedic ALS First Responder units, and 1 CCT unit 24 hours per day. They operate within all county policies, procedures and protocols which include maintaining all mandatory equipment.

Liberty Ambulance also maintains the following clinical equipment and provides preventive maintenance as suggested by the manufacturer.

12 Zoll X-Series Monitors, of which two (2) are critical care monitors.
3 Zoll AEDs (Automated External Defibrillators)
2 Hamilton T1 transport ventilators
2 Sapphire IV Pumps

Adherence to clinical protocols

In 2025, there were no issues with Liberty Ambulance Service staff regarding clinical protocols.

Quality Improvement Process

Liberty Ambulance Service has a robust Quality Improvement (QI) program and fully cooperates with the County on all QI requests.

Qualifications of clinical personnel (including certifications and continuing education)

All Liberty Ambulance Service staff are state-certified and locally accredited and therefore qualified to provide proper patient care.

Emergency Medical Dispatch (EMD) QA compliance

Liberty Ambulance Service contracts with Hall Ambulance Service to provide Emergency Medical Dispatch and is therefore in compliance.

Participation in County clinical processes

Liberty Ambulance Service staff attended all mandated clinical training and update courses held in 2025 and are willing participants in the County's clinical process.

Active participation in Program projects, committees, task forces, etc.

Liberty Ambulance Staff participated in all required projects, committees, and task forces.

Tele911

Ambulance provider's use of the Tele911 system

In 2025, Liberty Ambulance Service continued actively using Tele911 and have seen a slight decrease in unnecessary transport as a result. In 2025, Liberty Ambulance Service Offered consultation by tele 911 on 421 occasions. Patients accepted Tele 911 service 169 times with only 4 or 2.3% of those resulting in transport to the hospital.

First Response, Tiered System (Fly Car) -

Ambulance provider's use of the First Response, Tiered (Fly Car) System.

The addition of Advanced Life Support, First Response vehicles in the system has had a very positive effect on Liberty Ambulances' ability to respond to calls, clear ambulances and remain available for those patients that truly need medical assistance. In 2025, Liberty Ambulance deployed 1 ALS first response vehicle and has 1 new Ford Bronco in the build process.

Community Services

Summary

Staffing issues continued to be at issue at Liberty Ambulance Service as well as increased call volumes as primary care physician appointments were difficult to obtain in a timely manner causing more patients to engage in the 911 system. Jim Suver, Chief Executive Officer, and Brian Baskin, Director of Operations did an outstanding job in 2025 balancing the system in the Kern River Valley and Ridgecrest area.

Liberty Ambulance response numbers are improving, while simultaneously improving the level of service. They are close to being fully staffed and operate a fleet of 8 ambulances, 2 Advanced Life Support First Responder units and 1 Critical Care unit 24 hours/day.

A MESSAGE FROM OUR EMS MANAGER

As I reflect on 2025, I am filled with appreciation and pride for all that we have achieved together as a team here in Kern County. This year tested us in new ways, while also presenting opportunities to grow, improve, and strengthen the services we provide. As always, our EMS team met these moments with professionalism, resilience, and an unwavering commitment to the community we serve.

Over the past year, we continued advancing our EMS system through strategic investments in technology, ongoing improvements to our dispatch and communications infrastructure, and an increased reliance on data to guide decision-making. These efforts have enhanced our ability to deliver high-quality care, improved response capabilities, and ensured we remain responsive to the changing needs of our community.

Training and workforce development remained a central focus in 2025. We expanded access to advanced clinical training, strengthened leadership development pathways, and supported career growth across all levels of our organization. Welcoming new team members into our system brought valuable perspectives and reinforced our collective strength.

Our commitment to community engagement continued to grow. Through expanded outreach efforts, public education campaigns, and participation in local events, we strengthened our connection with the residents we serve. Initiatives such as hands-only CPR, Water Watchers, and heat safety awareness once again helped equip our community with the knowledge and tools to stay safe.

Equally important has been our dedication to the well-being of our EMS professionals. This year, we continued to build on our wellness initiatives by enhancing access to mental health resources and reinforcing a culture that prioritizes balance, support, and resilience.

As we look toward 2026, we do so with confidence and clear direction. We will continue to pursue innovation, strengthen our partnerships, and invest in the development and well-being of our team. Our commitment to excellence in patient care and public service remains as strong as ever.

It is a privilege to serve alongside each of you. Your dedication, compassion, and hard work make a lasting impact on the lives of those in our community. Thank you for everything you do. I am confident that together, we will continue to move forward with purpose and achieve even greater success in the year ahead.

Sincerely,

Jeff Fariss
EMS Program Manager

EMS Staff

Operations Updates

In 2025, the Operations Staff made a significant amount of changes to the EMS system as we know it. All of which include updating the EMS personnel accreditation policies, promoting more jobs in EMS, expanding protocol usage in the field, and instructing our citizens of Kern County on basic tools for survival or resuscitation. Our team not only made its presence known throughout EMS, but also inside our communities, urban and rural.

Throughout the year the Operations team trained a total of 500 civilians on the use of Hands-Only CPR. Further, as many as 100 individuals were trained in use of Stop the Bleed and how to control a life threatening injury as a layperson.

Further changes were made to all the future QI and System Collaborative meetings.

Operations Updates

EMS System Numbers:

- In 2025, Kern County experienced a 911 call volume of 140816 up 1.63% from 2024.

- In addition to the 911 call volume we also experienced increased Ambulance Patient Offload Times;

Operations Updates

EMS System Numbers:

- Hospital Distribution remained consistent with Adventist Health Bakersfield and Bakersfield Memorial receiving the highest percentages of ambulance traffic.

- Behavioral Health/Psychiatric Crisis calls also remained consistent with 53.74% being transported to Kern Medical, Kerns Psychiatric Receiving Center.

Operations Updates

EMS System Numbers:

- Total of 116 EMD coding changes, 89 downgraded, 27 were upgraded
- 668 ePCRs randomly selected for audit
 - 10% received grade C
 - 14% received grad B
 - 76% received grade A
- 59 MICNs, 39 EMDs, 172 Paramedics, 8 Paramedic Preceptors, and 1180 EMTs were reaccredited or initially added to the system
- Over 164 new first responders were granted “Verified Responder” status on PulsePoint. This was done in effort to provide more qualified off-duty responders to the homes of our citizens when in a crisis.

Kern County Public Health/EMS Ready to Respond

Emergency Preparedness Updates

The Kern County Public Health Emergency Preparedness and Disaster Response Team — including the MHOAC, Region 5 RDMHS's, HCC Coordinator, Grant Manager, and Safety Officer — continues to lead an expansive range of critical functions supporting local and regional disaster readiness. Through direct incident response, planning coordination, resource management, and internal safety efforts, the team has demonstrated exceptional performance and impact across Kern County, Region V and the state of California.

- **Major Incident Coordination & Response**

- * Hwy 58 and Tower line incident
- * Hwy 99 Incident
- * 2026 Mid-February Storms
- * Statewide Heat, Homeland Security and Civil Unrest
- * Helium Gas
- * Infant Botulism
- * Salt Fire
- * Garnet Fire
- * Gifford Fire
- * Valley Children's Power Outage
- * Adventist Health Telemetry Outage

Preparedness & Healthcare System Development

- **Healthcare Coalition (HCC):** Continued coordination with partners through drills, trainings, meetings, and funding support to strengthen disaster response capacity.
- **MHOAC & EP Team Activities:**
 - * Assisting in the review and update of the Regional Infectious Disease Transport Plan
- **Acquired key assets:**
 - * ISOVAC ISOPD Infectious disease transport pod
 - * Various Redundant communications equipment updates

Emergency Preparedness Updates

Training, Exercises & Professional Development

- **Drills and Exercises:**

- * Edwards AFB Table Top Exercise
- * Kern and Fresno County MRSE Exercise
- * Meadows Field Table Top Exercise
- * Los Angeles County HRA Full Scale Exercise
- * Kern County HCC Table Top Exercise
- * Bakersfield College MCI Exercise
- * Kaweah Hospital Exercise
- * Kern County OES Exercise
- * State of California Transportation Plan Exercise
- * Bakersfield Rehab Exercise

- **EOC Credentialing:**

- * Supporting Kern County's transition to a Type III EOC
- * Secured grant funding for in-person required trainings, open to all county departments
- * EP team staff are working toward full EOC position certification

Emergency Preparedness Updates

- **Trainings & Certifications:**

- * MHOCSA
- * CISM (Critical Incident Stress Management)
- * EOM (Emergency Operations Manual)
- * Advance ASTL (Ambulance Strike Team Leader)

- **Participated in and coordinated:**

- * MHOCSA (Medical Health Operational Area Coordination)
 - * Ambulance Strike Team Leader (ASTL) Course
 - * Regular coalition-led drills, quarterly meetings, and ICS-focused sessions
-

Future of EMS

- More protocol and procedure updates
- Continuing public outreach and education
- Build HCC through more trainings and exercises
- Building county and regionwide communication plan
- Improved structure of meeting planning
- Technology in EMS

13. Approval of Minutes

Meeting Minutes**KERN COUNTY EMERGENCY MEDICAL CARE ADVISORY BOARD (EMCAB)**

**Kern County Administrative Center
Board of Supervisors Chambers
1115 Truxtun Avenue
Bakersfield CA, 93301**

REGULAR MEETING**THURSDAY – February 12th, 2026****4:00 P.M.**

Call to Order – *Chairman Flores*

Roll Call:

Supervisor Jeff Flores, John Surface, Tyler Whitezell, Dr. Franklin, Dr. Lyon, Orchel Krier

We have a quorum.

SALUTE TO FLAG – *John Surface*

Consent Agenda (CA):

All items listed with a “CA” are considered by program staff to be routine and non-controversial. The “CA” represents the consent agenda for the Board members of EMCAB. Consent items will be considered first and may be approved in one motion. If a member of the audience wishes to comment or ask questions regarding an item or items on the consent agenda, they may do so prior to a vote being taken on the consent agenda. A member of EMCAB may remove any item from the consent agenda and it will be considered in listed sequence with an opportunity for any member of the public to address EMCAB concerning the item before action is taken.

No board comment.

Motion to Approve – Orchel Krier

Second – Dr. Lyon

Motion Passes.

PUBLIC PRESENTATIONS

Grounded in Health

1) This portion of the meeting is reserved for persons to address the Board on any matter not on this Agenda but under the jurisdiction of the Board. Board members may respond briefly to statements made or questions posed. They may ask a question for clarification, make a referral to staff for factual information or request staff to report back to the Board at a later meeting. Also, the Board may take action to direct the staff to place a matter of business on a future agenda. **SPEAKERS ARE LIMITED TO TWO MINUTES. PLEASE STATE AND SPELL YOUR NAME BEFORE MAKING YOUR PRESENTATION.**

No public comment.

BOARD MEMBER ANNOUNCEMENTS OR REPORTS

2) Board Member Announcements or Reports:
On their own initiative, Board members may make an announcement or report on their own activities. They may ask a question for clarification, make a referral to staff, or take action to have staff place a matter of business on a future agenda. (Government Code Section 54954.2[a][2])

Chairman Flores – would like to congratulate Hall Ambulance on their 55 years of service in Kern County and being #1 in the nation.

EMERGENCY MEDICAL SERVICES PROGRAM REQUESTS

3) Managers' report – RECEIVE AND FILE

No public comment.

Motion to Approve – Dr. Lyon

Second – Jeff Flores

Motion Passes.

4) APOT Task Force Report – RECEIVE AND FILE

Program Manager presents Director of Public Health Brynn Carrigan APOT report out.

Chairman Flores – expressed his gratitude, and for the potential of the AVH strategies and hopeful to implement them hear in Kern County. Hoping for willing participation and audience to listen and see what can be done. Reflected on the statistics from last year in our APOT numbers. John Surface – adds that what the AV hospital has accomplished is remarkable. They had previously held the record for longest APOT for one crew on one occasion for 36 hours, and time after time have had to conduct shift change to hold with a patient with no offload time in site. Now one of the fastest Hospitals to offload.

No public comment.

Motion to Approve – Orchel Krier

Second – Dr. Lyon

Grounded in Health

Motion Passes.

CA – 5) Quarterly Maddy Fund Report – RECEIVE AND FILE

CA – 6) Legislation Report – RECEIVE AND FILE

CA – 7) Quarterly APOT Report – RECEIVE AND FILE

CA – 8) Quarterly Ambulance Response Time Compliance – RECEIVE AND FILE

CA – 9) Maddy Fund Release Request – Kern County Sheriff Office

Public comment – Colin Desmond Clinical Director – Sometimes and often time first on scene, CPR AED training, all current KCSO vehicles carry AEDs, 4th law enforcement agency in CA, carrying and applying tourniquets. New training equipment will help to equip KCSO.

Motion to Approve – Dr. Lyon

Second – Dr. Franklin

Motion Passes.

MATTERS FOR EXECUTIVE APPROVAL

CA-10) Review and Approval of November 13, 2025, Minutes – APPROVE

14) Adjournment:

The deadline for submitting public requests for the next EMCAB meeting is Thursday, April 30, 2026, at 5:00 PM to the EMS Program Manager.

Adjourn to Thursday, May 14, 2026, at 4:00 PM at the Kern County Administrative Center in the Kern County Board of Supervisors Chambers at 1115 Truxtun Avenue, Bakersfield, CA 93301 – ADJOURN

AMERICAN'S WITH DISABILITIES ACT

(Government Code Section 54953.2)

The Board of Supervisors Chamber is accessible to persons with disabilities. Disabled individuals who need special assistance to attend or participate in a meeting of the Kern County Emergency Medical Care Advisory Board may request assistance at the Kern County Public Health at 1800 Mount Vernon Avenue, Bakersfield, 93306 or by calling (661) 321-3000. Every effort will be made to reasonably accommodate individuals with disabilities by making meeting materials available in alternative formats. Requests for assistance should be made at least three (3) working days in advance whenever possible.
