

VOTE NO ON MEASURE B

THE ORGANIZATION NATIONALLY KNOWN AS US TERM LIMITS HAS JUST COME OUT AGAINST MEASURE B.

US Term Limits is a non-partisan advocacy group dedicated to enacting TERM LIMITS for elected officials at ALL levels of government.

The current Ridgecrest Term Limits law passed overwhelmingly in 2012 with 74% of the voters approving it.

Since a few City Council members are going to term out they want to change the Ridgecrest Term Limits law so they can stay in longer.

THERE IS NOTHING WRONG WITH THE CURRENT RIDGECREST TERM LIMITS LAW.

Current Term Limits code states a Council member may ONLY serve 8 consecutive years and then MUST take a 2 year break.

The current Term Limits law that we have now was created, drafted and CAREFULLY reviewed by myself in conjunction with a professional attorney who specialized in Term Limits Law. The City attorney at the time INCLUDING Kern County legal department also reviewed the measure.

Measure B has cost SEVERAL thousands of taxpayer dollars to be placed on the ballot INCLUDING attorney fees all for the BENEFIT of the Ridgecrest City Council to EXTEND their time on the council.

VOTE NO so that the Groundwater Authority friendly City Council does NOT stay in office for an ADDITIONAL 4-5 more years.

For more information go to Facebook group Ridgecrest Citizens Against B and C.

As the Author and Proponent of the 2012 Ridgecrest Term Limits Measure I urge that you VOTE NO on Measure B.

s/Thomas R. Wiknich, Former Vice Mayor City of Ridgecrest

s/Scott Tillman, U.S. Term Limits, Chief Operations Officer
