That the Parties implement a process for avoiding duplication of services for individuals receiving ECM with SMHS Targeted Case Management ("TCM"), Intensive Care Coordination ("ICC"), and/or Full-Service Partnership ("FSP") services as set forth in the CalAIM ECM Policy Guide, as revised or superseded from time to time, and coordination activities.
- ii. **Community Supports.**

i. DMC-ODS Enhanced Care Management.

1. Delivery of the ECM benefit for individuals who meet ECM Population of Focus definitions (including, but not limited to,

the Individuals with Severe Mental Illness and Children Populations of Focus) must be consistent with DHCS guidance regarding ECM, including:

- a. That MCP prioritize assigning a Member to a DMC-ODS Plan Provider as the ECM Provider if the Member receives DMC-ODS Plan services from that Provider and that Provider is a contracted ECM Provider, unless the Member has expressed a different preference or MCP identifies a more appropriate ECM Provider given the Member's individual needs and health conditions; and

9. Quarterly Meetings.

- a. The Parties must meet as frequently as necessary to ensure proper oversight of this MOU but not less frequently than quarterly to address care coordination, Quality Improvement ("QI") activities, QI outcomes,

systemic and case-specific concerns, and communication with others within their organizations about such activities. These meetings may be conducted virtually.

- b. Within 30 Working Days after each quarterly meeting, the Parties must each post on its website the date and time the quarterly meeting occurred, and, as applicable, distribute to meeting participants a summary of any follow-up action items or changes to processes that are necessary to fulfill the Parties' obligations under the Medi-Cal Managed Care Contract, the BHP Contract, the DMC-ODS Intergovernmental Agreement, and this MOU.
- c. The Parties must invite the other Party's Responsible Person and appropriate program executives to participate in quarterly meetings to ensure appropriate committee representation, including local presence, to discuss and address care coordination and MOU-related issues. Such QI activities must include processes to monitor the extent to which Members are able to access mental health services across SMHS and NSMHS, and Covered Service utilization. The Parties must document these QI activities in policies and procedures.

11. Data Sharing and Confidentiality. The Parties must establish and implement policies and procedures to ensure that the minimum necessary Member information and data for accomplishing the goals of this MOU are exchanged timely and maintained securely and confidentially and in compliance with the requirements set forth below to the extent permitted under applicable State and federal law. The Parties will share protected health information ("PHI") for the purposes of medical and behavioral health care coordination:

- a. For BHP, pursuant to Cal. Code Regs. tit. 9, Section 1810.370(a)(3), and to the fullest extent permitted under the Health Insurance Portability and

- Accountability Act and its implementing regulations, as amended ("HIPAA") and 42 Code Federal Regulations Part 2, and other State and federal privacy laws. For additional guidance, the Parties should refer to the CalAIM Data Sharing Authorization Guidance.³
- b. For DMC-ODS Plan, pursuant to Welfare and Institutions § 14184.102(j), and to the fullest extent permitted under the Health Insurance Portability and Accountability Act and its implementing regulations, as amended ("HIPAA"), 42 Code Federal Regulations Part 2, and other State and federal privacy laws. For additional guidance, the Parties should refer to the CalAIM Data Sharing Authorization Guidance.⁴
- a. **Data Exchange.** Except where prohibited by law or regulation, MCP and BBHP/DMC-ODS Plan must share the minimum necessary data and information to facilitate referrals and coordinate care under this MOU. The Parties must have policies and procedures for supporting the timely and frequent exchange of Member information and data, including behavioral health and physical health data; for ensuring the confidentiality of exchanged information and data; and, if necessary, for obtaining Member consent, when required. The minimum necessary information and data elements to be shared as agreed upon by the Parties, are set forth in Exhibit C of this MOU. To the extent permitted under applicable law, the Parties must share, at a minimum, Member demographic information, behavioral and physical health information, diagnoses, assessments, medications prescribed, laboratory results, referrals/discharges to/from inpatient or crisis services and known changes in condition that may adversely impact the Member's health and/or welfare. The Parties must annually review and, if appropriate, update Exhibit C of this MOU to facilitate sharing of information and data. BHP/DMC-ODS Plan and MCP must establish policies and procedures to implement the following with regard to information sharing:
- i. A process for timely exchanging information about Members eligible for ECM, regardless of whether the Specialty Mental Health/DMC-ODS Plan provider is serving as an ECM provider;
 - ii. A process for BHP/DMC-ODS Plan to send regular, frequent batches of referrals to ECM and Community Supports to MCP in as close to real time as possible;

This process may incorporate notification requirements as described in Section 8(a)(v)(3).
- b. **Behavioral Health Quality Improvement Program.** If BHP/DMC-ODS Plan is participating in the Behavioral Health Quality Improvement Program, then MCP and BHP/DMC-ODS Plan are encouraged to execute a DSA. If BHP/DMC-ODS Plan and MCP have not executed a DSA, BHP/DMC-ODS Plan must sign a Participation Agreement to onboard with a Health Information Exchange that has signed the California Data Use and Reciprocal Support Agreement and joined the California Trusted Exchange Network.
- c. **Interoperability.**
- i. MCP and BHP must make available to Members their electronic health information held by MCP pursuant to 42 Code of Federal Regulations Section 438.10 and in accordance with APL 22-026 or any subsequent version of the APL. MCP must make available an application

12. BHP Dispute Resolution.

a. BHP

- i. The Parties must agree to dispute resolution procedures such that in the event of any dispute or difference of opinion regarding the Party responsible for service coverage arising out of or relating to this MOU, the Parties must attempt, in good faith, to promptly resolve the dispute mutually between themselves. The Parties must document the agreed-upon dispute resolution procedures in policies and procedures. Pending resolution of any such dispute, MCP and BHP must continue without delay to carry out all responsibilities under this MOU unless the MOU is terminated. If the dispute cannot be resolved within 15 Working Days of initiating such negotiations, either Party may pursue its available legal and equitable remedies under California law. Disputes between MCP and BHP that cannot be resolved in a good faith attempt between the Parties must be forwarded by MCP and/or BHP to DHCS.
- ii. Disputes between MCP and BHP that cannot be resolved in a good faith attempt between the Parties must be forwarded to DHCS via a written "Request for Resolution" by either BHP or MCP within three business days after failure to resolve the dispute, consistent with the procedure defined in Cal. Code Regs. tit. 9, § 1850.505, "Resolutions of Disputes between BHPs and Medi-Cal Managed Care Plans" and APL 21-013. Any decision rendered by DHCS regarding a dispute between MCP and BHP concerning provision of Covered Services is not subject to the dispute procedures set forth in the Primary

Operations Contract Exhibit E, Section 1.21 (Contractor's Dispute Resolution Requirements);

- iii. A dispute between BHP and MCP must not delay the provision of medically necessary SMHS, physical health care services, or related prescription drugs and laboratory, radiological, or radioisotope services to beneficiaries as required by Cal. Code Regs. tit. 9, § 1850.525;
- iv. Until the dispute is resolved, the following must apply:
 - i. The Parties may agree to an arrangement satisfactory to both Parties regarding how the services under dispute will be provided; or
 - ii. When the dispute concerns MCP's contention that BHP is required to deliver SMHS to a Member either because the Member's condition would not be responsive to physical health care-based treatment or because BHP has incorrectly determined the Member's diagnosis to be a diagnosis not covered by BHP, MCP must manage the care of the Member under the terms of its contract with the State until the dispute is resolved. BHP must identify and provide MCP with the name and telephone number of a psychiatrist or other qualified licensed mental health professional available to provide clinical consultation, including consultation on medications to MCP provider responsible for the Member's care; or
 - iii. When the dispute concerns BHP's contention that MCP is required to deliver physical health care-based treatment of a mental illness, or to deliver prescription drugs or laboratory, radiological, or radioisotope services required to diagnose or treat the mental illness, BHP is responsible for providing or arranging and paying for those services until the dispute is resolved.
- v. If decisions rendered by DHCS find MCP is financially liable for services, MCP must comply with the requirements in Cal. Code Regs. tit. 9, § 1850.530.
- vi. The Parties may agree to an expedited dispute resolution process if a Member has not received a disputed service(s) and the Parties determine that the routine dispute resolution process timeframe would result in serious jeopardy to the Member's life, health, or ability to attain, maintain, or regain maximum function. Under this expedited process, the Parties will have one Working Day after identification of a dispute to attempt to resolve the dispute at the plan level. All terms and requirements established in APL 21-013 and BHIN 21-034 apply to disputes between MCP and BHP where the Parties cannot agree on the appropriate place of care. Nothing in this MOU or provision must constitute a waiver of any of the government claim filing requirements

set forth in Title I, Division 3.6, of the California Government Code or as otherwise set forth in local, State, and federal law.

- vii. BHP must designate a person or process to receive notice of actions, denials, or deferrals from MCP, and to provide any additional information requested in the deferral notice as necessary for a medical necessity determination.
- viii. MCP must monitor and track the number of disputes with BHP where the Parties cannot agree on an appropriate place of care and, upon request, must report all such disputes to DHCS.
- ix. Once BHP receives a deferral from MCP, BHP must respond by the close of the business day following the day the deferral notice is received, consistent with Cal. Welf. & Inst. Code § 14715.
- x. Nothing in this MOU or provision constitutes a waiver of any of the government claim filing requirements set forth in Title I, Division 3.6, of the California Government Code or as otherwise set forth in local, State, or federal law.

b. DMC-ODS Dispute Resolution

- i. The Parties must agree to dispute resolution procedures such that in the event of any dispute or difference of opinion regarding the Party responsible for service coverage arising out of or relating to this MOU, the Parties must attempt, in good faith, to promptly resolve the dispute mutually between themselves. The Parties must document the agreed-upon dispute resolution procedures in policies and procedures. Pending resolution of any such dispute, MCP and DMC-ODS Plan must continue without delay to carry out all responsibilities under this MOU unless the MOU is terminated. If the dispute cannot be resolved within 15 Working Days of initiating such negotiations or such other period as may be mutually agreed to by the Parties in writing, either Party may pursue its available legal and equitable remedies under California law. Disputes between MCP and DMC-ODS Plan that cannot be resolved in a good faith attempt between the Parties must be forwarded by MCP and/or DMC-ODS Plan to DHCS.
- ii. Unless otherwise determined by the Parties, the DMC-ODS Plan Liaison must be the designated individual responsible for receiving notice of actions, denials, or deferrals from MCP, and for providing any additional information requested in the deferral notice as necessary for a medical necessity determination.
- iii. MCP must monitor and track the number of disputes with DMC-ODS Plan where the Parties cannot agree on an appropriate place of care and, upon request, must report all such disputes to DHCS.
- iv. Until the dispute is resolved, the following provisions must apply:
 - i. The Parties may agree to an arrangement satisfactory to both Parties regarding how the services under dispute will be provided; or

- ii. When the dispute concerns MCP's contention that DMC-ODS Plan is required to deliver SUD services to a Member and DMC-ODS Plan has incorrectly determined the Member's diagnosis to be a diagnosis not covered by DMC-ODS Plan, MCP must manage the care of the Member under the terms of its contract with the State, including providing or arranging and paying for those services until the dispute is resolved.
- iii. When the dispute concerns DMC-ODS Plan's contention that MCP is required to deliver physical health care-based treatment, or to deliver prescription drugs or laboratory, radiological, or radioisotope services required to diagnose, DMC-ODS Plan is responsible for providing or arranging and paying for those services until the dispute is resolved.
- v. Nothing in this MOU or provision constitutes a waiver of any of the government claim filing requirements set forth in Title I, Division 3.6, of the California Government Code or as otherwise set forth in local, State, or federal law.

13. Equal Treatment. Nothing in this MOU is intended to benefit or prioritize Members over persons served by BHP/DMC-ODS Plan who are not Members. Pursuant to Title VI, 42 United States Code Section 2000d, et seq., BHP/DMC-ODS Plan cannot provide any service, financial aid, or other benefit, to an individual which is different, or is provided in a different manner, from that provided to others provided by BHP/DMC-ODS Plan.

service are deemed given upon actual delivery at the Notice Address. Notices given by email are deemed given the day following the day the email was sent. Notices given by regular United States mail, certified, return receipt requested, postage prepaid, are deemed given on the date of delivery indicated on the return receipt. The Parties may change their addresses for purposes of receiving notice hereunder by giving notice of such change to each other in the manner provided for herein.

- d. **Delegation.** MCP and BHP/DMC-ODS Plan may delegate its obligations under this MOU to a Fully Delegated Subcontractor or Partially Delegated Subcontractor as permitted under the Medi-Cal Managed Care Contract, provided that such Fully Delegated Subcontractor or Partially Delegated Subcontractor is made a Party to this MOU. Further, the Parties may enter into Subcontractor Agreements or Downstream Subcontractor Agreements that relate directly or indirectly to the performance of the Parties' obligations under this MOU. Other than in these circumstances, the Parties cannot delegate the obligations and duties contained in this MOU.
- e. **Annual Review.** MCP and BHP/DMC-ODS Plan must conduct an annual review of this MOU to determine whether any modifications, amendments, updates, or renewals of responsibilities and obligations outlined within are required. MCP and BHP/DMC-ODS Plan must provide DHCS evidence of the annual review of this MOU as well as copies of any MOUs modified or renewed as a result.

- g. **Governance.** This MOU is governed by and construed in accordance with the laws of the State of California.
- h. **Independent Contractors.** No provision of this MOU is intended to create, nor is any provision deemed or construed to create any relationship between BHP/DMC-ODS Plan and MCP other than that of independent entities contracting with each other hereunder solely for the purpose of effecting the provisions of this MOU. Neither BHP/DMC-ODS Plan nor MCP, nor any of their respective contractors, employees, agents, or representatives, is construed to be the contractor, employee, agent, or representative of the other.
- i. **Counterpart Execution.** This MOU may be executed in counterparts signed electronically, and sent via PDF, each of which is deemed an

original, but all of which, when taken together, constitute one and the same instrument.

- j. **Superseding MOU.** This MOU constitutes the final and entire agreement between the Parties and supersedes any and all prior oral or written agreements, negotiations, or understandings between the Parties that conflict with the provisions set forth in this MOU. It is expressly understood and agreed that any prior written or oral agreement between the Parties pertaining to the subject matter herein is hereby terminated by mutual agreement of the Parties.

MCP shall not perform any work under this Agreement until MCP has obtained all insurance required under this section and the required certificates of insurance and all required endorsements have been filed with the County's authorized insurance representative. (1) MCP shall maintain in full force and effect, at all times during the term of this Agreement, the following insurance:

(a) Commercial General Liability Insurance including, but not limited to, Contractual Liability Insurance (specifically concerning the indemnity provisions of this Agreement with the County), Personal Injury (including bodily injury and death), and Property Damage for liability arising out of MCP's performance of work under this Agreement. Said endorsement shall be provided using one of the following three options: (i) on ISO form CG 20 10 11 85; or (ii) on ISO form CG 20 37 10 01 plus either ISO form CG 20 10 10 01 or CG 20 33 10 01; or (iii) on such other forms which provide coverage at least equal to or better than form CG 20 10 11 85.

This notice requirement does not waive the insurance requirements stated herein. MCP shall immediately obtain replacement coverage for any insurance policy that is terminated, canceled, non-renewed, or whose policy limits have been exhausted or upon insolvency of the insurer that issued the policy.

- v. All insurance afforded by MCP pursuant to this Agreement shall be primary to and not contributing to all insurance or self-insurance maintained by the County. An endorsement shall be provided on all general liability and workers' compensation policies, except professional liability/errors and omissions, which shall waive any right of recovery (waiver of subrogation) against the County.
- vi. Insurance coverages in the minimum amounts set forth herein shall not be construed to relieve MCP for any liability, whether within, outside, or in excess of such coverage, and regardless of solvency or insolvency of the insurer that issues the coverage; nor shall it preclude the County from taking such other actions as are available to it under any other provision of this Agreement or otherwise in law.

Failure by MCP to maintain all such insurance in effect at all times required by this Agreement shall be a material breach of this Agreement by MCP. County, at its sole

option, may terminate this Agreement and obtain damages from MCP resulting from said breach.

INDEMNIFICATION. Each Party shall defend, indemnify, and hold harmless, the other party, and their respective officers, directors, employees, agents, members, shareholders, partners, joint ventures, affiliates, successors, and assigns from and against any and all liabilities, obligations, claims, demands, suits, losses, expenses, damages, fines, judgments, settlements, and penalties, including, without limitation, costs, expenses, and attorneys' fees incident thereto, arising out of or based upon contract damages, property damage, or bodily injury (including death at any time resulting there from) to any person, including the indemnifying party's employees, affiliates, or agents, occasioned by or in connection with (1) the indemnifying party's performance of (or failure to perform) the contract duties hereunder; (2) a violation of any laws or any act or omission by the indemnifying party's or its affiliates, subcontractors, agents or employees during the performance of the contract duties hereunder; or (3) a breach of this Agreement by the indemnifying party or any of its affiliates, subcontractors, agents, or employees. The aforesaid obligation of indemnity shall be construed so as to extend to all legal, defense and investigation costs, as well as all other reasonable costs, expenses and liabilities incurred by the party indemnified (including reasonable attorney's fees), from and after the time at which the party indemnified received notification (whether verbal or written) that a claim or demand is to be made or may be made. Both parties' obligations under this Section do not extend to any liability caused by the sole negligence of the other party. This Section shall survive the termination or expiration of this Agreement. The parties shall cooperate with each other in the investigation and disposition of any claim arising out of or relating to the activities of this Agreement, provided that nothing shall require any party to the Agreement to cooperate to their own legal detriment, to disclose any documents, records or communications that are protected from such disclosure under the peer review privilege, the attorney-client privilege or the attorney work-product doctrine or other rules governing such privileged materials.

RELIGIOUS AND POLITICAL ACTIVITIES. No person performing any service or providing any goods designated under this Contract shall participate in any political or religious activity on County time or in any manner involving the use of county property or expenditure of public funds nor conveying the implication of County endorsement or support for a candidate for local, state, or federal office.

Notwithstanding the foregoing, nothing in this Contract shall be construed to unlawfully limit an individual's Constitutional rights. Accordingly, the limitations contained in this section are for the sole purpose of preventing proselytizing and politicking while engaged in the performance of services under this Contract.

TERMINATION. Either Party may terminate this agreement in whole, with or without cause, upon thirty (30) days' prior written notice to the other party.

IMMEDIATE TERMINATION. Notwithstanding the foregoing, the Parties shall have the right to terminate this agreement effective immediately.
