

A Kern County Public Works Project

Alfred Harrell Highway

ATP Grant \$\$ available to construct Class I bicycle paths to:

- Increase the number of people that bike or walk;
- Increase the safety of pedestrians and cyclists;
- Improve air quality by reducing driving;
- Promote active lifestyles;
- Reduce vehicle miles traveled;

*Example of Two-way Class I Bike Path

Community Meeting

Thursday, May 14, 2026
Hart Park @ 6 p.m.
(NE picnic Area 7)

Join us to discuss:

- Reducing Alfred Harrell Hwy. from two vehicle lanes to one
- Addition of a 10 ft. bike path
- Level of Service impacts
- Collision impacts
- Connectivity to Kern River Trail

Proposal

Complete the final 3 mile gap of the Kern River Park Trail from Fairfax Road to Hart Park. Provide a separated Class I Bicycle path for bicycle and pedestrian users on Alfred Harrell Highway. Enhance public safety for all users.
