Lamont Park Groundbreaking Celebration

The County of Kern is excited to announce the groundbreaking celebration for the revitalization of Lamont Park on **Monday, June 8, 2026, at 10:00 a.m.** at 8300 Segrue Road in Lamont.

The \$9.5 million investment marks the largest park project constructed by Kern County in recent years and reflects the County's ongoing commitment to enhancing the quality of life through an improved recreational space for Lamont residents.

The revitalization of Lamont Park is funded through a \$6.5 million California Statewide Park Program Grant and \$3 million from the Kern County General Fund. Park improvements will include:

- Soccer field with lighting
- Splash pad
- Restrooms
- Shaded exercise equipment
- Play structures
- Multi-purpose courts
- Basketball court renovation
- Pavilion
- Shaded group picnic area
- Accessible Walkways
- Park lighting
- Benches and picnic tables
- Trees and irrigation

The media and community members are invited to join County officials, Kern County District 4 Supervisor David Couch, and a representative from the California State Parks Office of Grants and Local Services to celebrate this significant milestone for the Lamont community.
