County Administrative Center Parking Lot Resurfacing Project

BAKERSFIELD, Calif.— A parking lot resurfacing project in the parking lot located behind 1115 Truxtun Avenue and 1215 Truxtun Avenue will begin on **Thursday, July 30, 2026**, as part of ongoing efforts to improve safety and extend pavement life.

The project will be completed in two phases to minimize disruptions while maintaining access to the County Administrative Center, located at 1115 Truxtun Avenue, and the Superior Court Metropolitan Division, Justice Building, located at 1215 Truxtun Avenue.

Project Schedule

- **Phase 1** – July 30 – August 5, 2026
- **Phase 2** – August 6 – August 12, 2026

Parking During Both Phases

- Limited parking will be available. ADA parking spaces will be accessible.
- Public access to the County Administrative Center parking structure will be available from N Street.
- Additional parking will be available in the parking lot located at 1401 M Street.

Visitors should expect increased congestion and traffic delays entering and exiting parking lots during the duration of the project and are encouraged to allow additional travel time.

A map showing both construction phases is attached for reference.

Kern County appreciates the patience and cooperation of visitors and employees as these improvements are completed.
