

Rosamond Municipal Advisory Council

Minutes of Meeting – September 19, 2019 PLACEHOLDER AND STATEMENT

The Rosamond Municipal Advisory Council (RMAC) meeting scheduled for September 19, 2019 was canceled the evening of September 19th due to the strong presence of natural gas in Hummel Hall. Prior to the cancelation, the Fire Department and Southern California Gas Company was called. They arrived on-scene about 6:00 p.m. The Chamber of Commerce meeting was adjourned early and the building was cleared. As a precaution and in consultation with the District-2 Supervisor's Representative, Laura Wyatt, the Chairman of the RMAC canceled the September RMAC Meeting. After the Fire Department made their sweep, Southern California Gas made their inspection. Their test equipment revealed a leaking union and valve on the stove. The technician was not able to tighten the connections to alleviate the gas leak so the shutoff valve was closed and tagged. Representatives from the Kern County General Services were on-scene and were briefed on the stove malfunction. The guest speaker, Kern County General Services, will be rescheduled for a follow-on date for their presentation.
