6th ANNUAL CRIME VICTIMS' RIGHTS MARCH

In 1984, President Ronald Reagan signed into law the Victims of Crime Act, the first law recognizing the rights of victims. Every year in April there is a National Crime Victims' Rights Week. This year, it is April 8th through April 14th. The theme is "Expand the Circle*Reach All Victims." While we are honoring all victims, it is especially important for our community to know that we have not forgotten the loved ones who have been taken from us.

The Kern County District Attorney's Office is inviting anyone who is interested to join us and others at the Liberty Bell in front of the Kern County Superior Court, located at 1415 Truxtun Avenue, on Tuesday, April 10, 2018. There will be information tables and displays available for the public to view at 4:00 p.m. The event will begin at 5:00 p.m. with various speakers, prior to commencing our 6th annual Crime Victims' Rights March at 5:30 p.m. The march will begin at the Liberty Bell and finish at Mill Creek Park, where a vigil will follow.

If you have any questions, please contact Mark Pafford at the Kern County District Attorney's office at (661) 868-2340.
