

GRAND JURY HOT LINE (661) 868-4800

The Grand Jury is a group of 19 citizen volunteers whose sole purpose is to represent all the citizens of Kern County to ensure an honest, effective and responsive Government.

We are your **Voice** and your **Advocate!**

If you are aware of any fraud, waste, abuse of power, or an unresponsive Government agency let your Grand Jury know.

All complaints are confidential. Although written complaints are preferred, anonymous complaints will be accepted.

On the other hand, if you know of something good, we would also like to hear about it!
