 - If the Association chooses to hold the event, the County will adjust vaccination operations accordingly, however, the event will likely have to adhere to strict State directives for COVID-19 safety guidelines.
 - If the Association chooses to hold the event, the County will make changes to the mass vaccination operation during that time, and continue to vaccinate people during the fair (at no cost) by running a clinic in one of the exhibit halls during the 12-day event.
 - Throughout the Pandemic, the County has paid the Association \$1.5 million with no additional cost, as well as provided \$800,000 in capital investments.
