Draft Map Plans

Each draft plan is provided with both a PDF and Online Web-based format

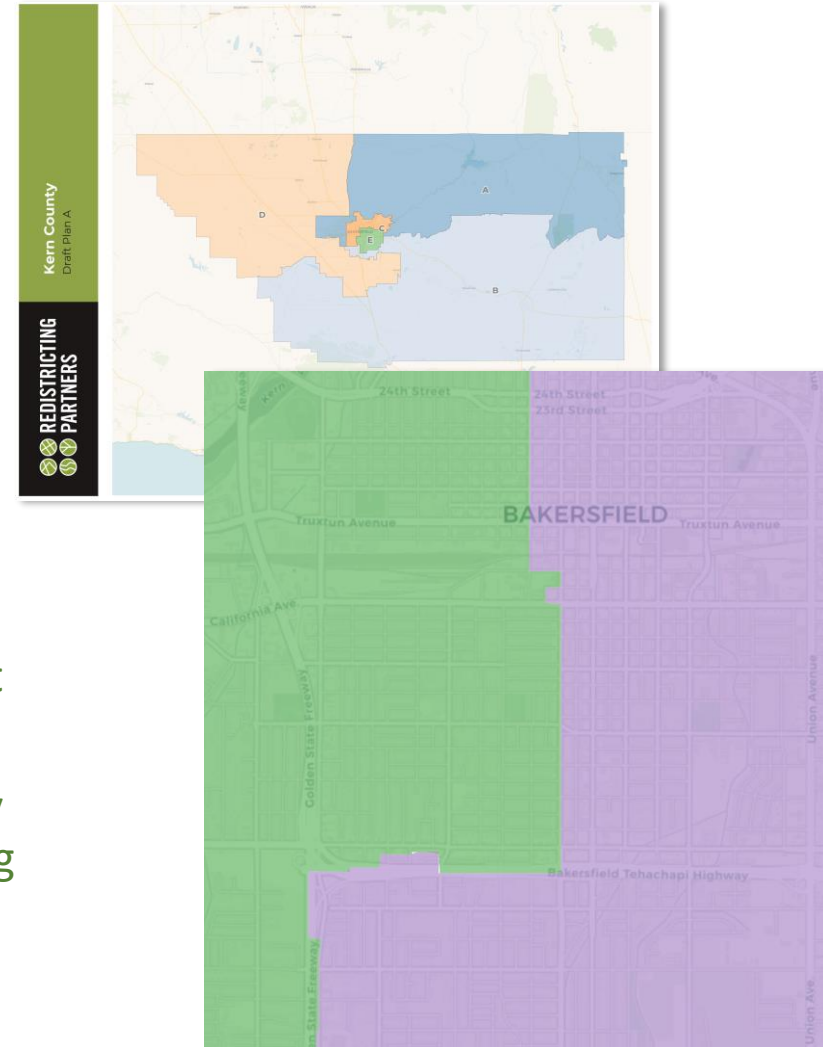

- **Draft Map A** – based on the current lines, unifying all cities and CDPs, except for Bakersfield
- **Draft Map B** – based on Equity Plan submission, edited to make boundaries fit with Bakersfield neighborhoods
- **Draft Map C** – creates 3 majority-minority districts and a rural district uniting farming communities
- **Draft Map EMC** – Equity Plan submission

What's Next

The Board can make use of these mapping options in a number of ways.

- **Identify preferred plan(s)** with an understanding that none of these are final. *It is an iterative process.*
- **Suggest possible changes** – adjustments can be made to any of these plans.
- **Put out for public input** – the public will be very willing to tell us where we got the lines wrong. Input is our ally in developing final plans.
