

For the Kern County Commercial Filming Permit application, you will need the following information:

- Production Company Information
 - Production Company Contact Name
 - Production Company Contact Phone Number
 - Production Company Contact Email
 - Production Company Name
 - Production Company Address
- Production Title
- Producer Name
- Director Name
- Production Type
- Production Union Status
- Total Number of Cast
- Total Number of Crew
- Total Number of Vehicles
- Requested Dates
 - Shooting Dates
 - Prep Dates
 - Strike Dates
- List of locations, using addresses for private property and mileage ranges or cross streets for roads. No mile markers or GPS coordinates, please.
- List requested activities. List each location separately and note all special effects, pyrotechnics, traffic control requested, etc. Example: "Location 1: Exterior dialogue on private property, no stunts or pyrotechnics."
- Knowledge of whether the production may include aerials, pyrotechnics, special effects, or water.
- Knowledge of whether the information provided in the application is considered proprietary pursuant to provisions of the California Government Code.

If you are a Permit Service Company completing the application on behalf of a production company, please have the following information in addition to the list above:

- Permit Service Company Name
- Permit Service Company Contact Name
- Permit Service Company Contact Phone Number
- Permit Service Company Contact Email
