Emergency Supplemental Benefits for CalFresh Recipients

In response to the COVID-19 Public Health Emergency, CalFresh recipients (who had not received the full allotment) will receive an Emergency Supplemental Benefit(s) on the households Electronic Benefit Transfer (EBT) Card. This additional benefit has been approved for CalFresh households up to the maximum allowable based on household size.

The next supplemental benefit will be available to households on February 27, 2022.

The amount of the supplement that will be received by the household will vary, based on the current CalFresh household size. The supplement being issued will bring the total amount of the household's CalFresh benefits up to the maximum benefit allowed, based on the chart below:

1	\$250
2	\$459
3	\$658
4	\$835
5	\$992
6	\$1,190
7	\$1,316
