**RE: Trial Conviction for Second Degree Murder: Jerrollyn Hunt: Kern County Superior Court
Case Number BF186900A**

(Bakersfield) – Kern County District Attorney Cynthia Zimmer announced a significant murder verdict today. On September 26, 2022, a Kern County jury returned a guilty verdict of Second-Degree Murder and found an additional firearm enhancement true against defendant Jerrollyn Hunt. Second Degree Murder carries a sentence of 15 years to life in prison, and the corresponding firearm enhancement carries a sentence of 25 years to life in prison. At a hearing on September 27, 2022, the Honorable Judge Dulcich found several aggravating circumstances true based upon the facts of the case.

On August 10, 2021, at approximately 11:15 a.m., Jerrollyn Hunt, along with members of her family, attempted to contact Javontae Green at a residence in the 200 block of Eye Street in Bakersfield. The incident began as a verbal dispute that quickly escalated when Hunt repeatedly went to the residence associated with the victim, demanding return of a set of spare keys to her daughter's car. During the dispute between the groups, Hunt banged on the door of the residence, and a member of Hunt's family broke the front window of the residence. Javontae Green exited the residence and confronted Hunt and the family members she brought with her. During the confrontation, Hunt shot the victim, Javontae Green (29 years old) in the head with a 9mm handgun. Jerrollyn Hunt fled the scene but was arrested twelve hours later by the Bakersfield Police Department.

District Attorney Cynthia Zimmer commented on the conviction, stating "Having no concealed weapons permit, Hunt brought an unregistered firearm to a hostile confrontation that she initiated, and when her hostility finally provoked a response from the victim, she shot him in the head. That is murder."

Sentencing will occur on October 25, 2022 in Department 2 before the Honorable Judge Judith Dulcich, where Hunt faces a sentence of up to 40 years to life in prison.

Jerrolyn Hunt:
